## Installing Officer's Message

Dear Rotarians and friends

I am very much delighted to be writing and sharing a few thoughts in your inaugural bulletin "About Us".

Rotary Mysore midtown truly celebrates the spirit of service and community impact. As you embark on another remarkable year, I am honoured to serve as your Installation officer.

For over four decades Rotary Mysore midtown has been a beacon of hope and change in our community. Your dedication shines through in the Two schools you manage: The **Rotary midtown academy and Manasa kuteera** school for mentally challenged. These institutions exemplify our commitment to education and inclusivity, touching countless lives with their transformative impact. This year under the inspiring theme "Magic of Rotary" we aim to continue our legacy of service with even greater passion and purpose. Together let us harness the power of Rotary to create positive change, spread compassion and foster brighter future for all.

Thank you for inviting me to the occasion. I look forward to meet each one of you and an extraordinary year 2024-25 filled with success and meaningful contributions to our community
