Aap Ka PRESIDENT; Aap Ki ADALAT

Rotary Mysore Midtown has a history where every Installation is unique and every President is Unique. They have their own way of getting installed in the presence of Rotarians, friends, family and dignitaries and uplifting the club energy.

This year President Elect Rtn. Kumaraswamy wanted to have every member of the club with family to be present to improve on the attendance. It was a momentous day, as they gathered at North Avenue to install their new team of office bearers. The atmosphere was electric with anticipation as PDG Abhinandan Shetty, a respected leader in Rotary District 3182 and a community icon, took the stage to preside over the ceremony.

The MC's of the day Rtn. Raghavendra and Ann. Chaitra held the audience captive with the theme of Aap Ki Adalat and in between the live music break by STACCATO CAFÉ.

As the outgoing team handed over the reins, the new team, famously called 'Team Empathy', stepped forward to accept the challenge. Led by President Rtn. Kumara Swamy, a seasoned Rotarian with a heart for service, the team was a diverse and dynamic group of individuals united by their passion for making a difference.

Hon. Secretary Rtn. Elizar Milton, a whirlwind of energy and ideas, was ready to tackle the administrative tasks with flair. Immediate Past President Rtn. Srinivasan, a wise and experienced mentor, offering guidance and support. President Elect Rtn. Rakesh Babu, a young and ambitious leader, was anxious to understand and learn.

As the ceremony progressed, each member of the team was introduced, their unique strengths and

talents highlighted. Vice President Rtn. Mohan Kumar, a dedicated community servant, was ready to roll up his sleeves. Secretary Rtn. Jaykumar, a talented organizer, had everything under control. Treasurer Rtn. Veeresh, a financial wizard, to keep the books balanced.

The team's focus was clear: empathy, understanding, and positive change. Vocational Service Director Rtn. Naveen Chandra was ready to mentor and guide. Community Service Director Rtn. Nagaraj had a vision for community development. Club Service Director Rtn. Dr. Kumar was set to grow the membership and manage club. International Service Director Rtn. Pavithran wants to build global partnerships. Sergeant at Arms Rtn. Aiyanna kept everything running smoothly. Youth Service Director Rtn. Apoorvi wants to empower the young generation.

As PDG Abhinandan Shetty changed over the mantle from the Past president to the new President and he encouraged the team to strive for excellence, to dream big, and to make a meaningful impact. The audience erupted in applause as 'Team Empathy' accepted the challenge, ready to write a new chapter in the history of Rotary Mysore Midtown.

With 'Team Empathy' at the helm, Rotary Mysore Midtown is poised to continue its legacy of service and community development, focusing on empathy, understanding, and positive change.
