The Rotary Club of Manipal holds a distinguished reputation in both Rotary International District 3182 and Zone IV. The members of RC Manipal actively participate in various Rotary events, contributing significantly to club service by fostering fellowship, enhancing public relations, and organizing impactful programs in vocational awareness, career guidance, community service, and international service. RC Manipal is one of the leading contributors to The Rotary Foundation and the Polio Plus program. The club has successfully undertaken several major projects through global grants, further strengthening its commitment to humanitarian service. Many of its members have also attained the status of Major Donors. In 2024, the club's diverse membership including esteemed doctors, professors, and business leaders, have effectively shared their expertise, leading to numerous successful initiatives at the club level. The club's social outreach through Rotaract, Interact, and RCC clubs has significantly enhanced Rotary's image and impact. A notable achievement of RC Manipal was the successful organization of the District Sports Meet, Rota Magic, on December 21st and 22nd, 2024, in Udupi. This historic event, the first of its kind in RI District 3182, was made possible through the dedicated efforts of Rtn. Amit Aravind, Chairman District Sports, and the entire team at RC Manipal. I extend my sincere appreciation to the President and all members of RC Manipal for their relentless efforts in making the club vibrant and dynamic. I also express my gratitude for the club's active participation in Navotsava 2025, the 9th District Conference in Udupi. As one of the largest clubs with 69 members, I encourage the leadership and members to continue expanding their membership, further strengthening the club's impact.
