THE 4-WAY TEST

Of the things we think, say or do
- Is it the TRUTH ?
- Is it FAIR to all concerned ?
- Will it build GOODWILL and BETTER FRIENDSHIPS ?
- Will it be BENEFICIAL to all concerned ?

Thought for the Day
Ann Vijayalaxmi Shetty

Add life to years & not years to life. Life can be a process of growing or aging. Growing involves adding life to one's years and aging involves adding years to one's life. Life is fulfilling only if life is a process of growing. Very few people grow up in life; rest just grow old. Growing up in life involves adding maturity and joy to every moment in life.

Rotary Information
PDG Rtn. Dr. Jayagowri H

Number of members who quit is equal to number of new joiners. Hence the strength is not growing. We need to follow DEI (Diversity, Equity & Inclusion). There should not be any bias or reservations to join Rotary. For example, in some countries blacks & transgenders are not allowed to join Rotary. That should not be the case. Anyone should be welcome to the club. Let us make Rotary stronger through Friendship, Fellowship & Community Work.
