EDITORIAL

LETS GO GREEN THIS FORTNIGHT!

Our commitment towards environment is reflected with the fact that we have taken up related activities despite the pandemic.

Save environment has been very much a part of Rotary international and Rotary Virajpet well supports this cause every year. This year Rtn Subbaiah has self initiated and planted saplings at his estate.

Glad to inform that we have kick started the Flagship initiative of the Rotary district 3181, Governer Rtn Ranganath Bhat # "SAVE THE ENVIRONMENT". Rtn Sunil Nanaiah took the initiative and arranged for saplings and we planted them at the temple premises in Devanigeri village, along with some local residents. President Rtn Bansi Poovanna, Rtn Sunil Nanaiah, Rtn Aditya and Rtn Lavin Chengappa have given this a start. Keeping the current pandemic and hike in cases and the road block leading to Devanigeri village this was planned on a small scale. Saplings have been received from the social forestry department. Looking forward for a bigger event at Rotary school Bittangala very soon.

To involve all our members we started the VIRTUAL ACTIVITY of contributing towards environment by recording our contribution to environment and tagging 2 more to carry it forward. Wonderful involvement by the Rotarians , Anns and Annets who shared wonderful trivia about our environment. Rtn Bansi Poovanna took up the initiative posted by bringing in sapling to be planted at Rotary school Bittangala, Virajpet. This was followed by Rtn Adithya, Ann Suman, Rtn Chethan Muthanna , Ann Nayana, Ann Deena ,Ann Sapna, Annet Ishani, Annet Bandhavva, Annet Mahika and Annet Deethya Kaveri so far. We are counting on more. Rotary has always been committed towards environment and this chain of ours intends to spread across and beyond Rotary Virajpet.

This initiative goes under #ROTARYVIRAJPET #SAVE ENVIRONMENT

TEAM ROTARY VIRAJPET PLANTED SAPLINGS AT THE TEMPLE PREMISES IN DEVANIGERI VILLAGE

**FOLLOW 4 SIMPLE
STEPS**

1. Click a picture or take a short video of your contribution to Environment
2. Give innovative ideas

3. Share it as your own story
#SaveEnvironment
and Tag Rotary club
Virajpet as
#RotaryVirajpet

4. Nominate 2 of your friends to take part in the challenge

**VERIFIED RECORDS AND
PREPARED INVENTORY**

DATED NOVEMBER 1970!! ROTARY CLUB VIRAJPET FIRST OFFICIAL DOCUMENT

WHAT ROTARY INTERNATIONAL SAYS OF ENVIRONMENT 2020

The Rotary Foundation Trustees and RI Board of Directors have unanimously approved adding a new area of focus: supporting the environment.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

Supporting the environment becomes Rotary's seventh area of focus, which are categories of service activities supported by global grants. It joins peace-building and conflict prevention; disease prevention and treatment; water, sanitation and hygiene; maternal and child health; basic education and literacy; and community economic development.

Grant applications for projects will be accepted from July 1, 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.
