fabrics. The quick heating feature of the LPG iron box allows me to handle last-minute emergency requests, making customers happy and earning their trust," he says.

In a similar effort RC Bangalore Brigades, RID 3192, kicked off the new Rotary year with an identical initiative. They distributed two gas iron boxes to women who earn their livelihood as laundry ironers with roadside carts. This effort aims to ease their daily labour and reduce environmental impact by decreasing reliance on traditional charcoal irons. ■

Figure 6. "Mara" a 24-kilogram humpback mahseer was caught (by volunteer angler Shanthappa Auri) and tagged on the 9th of January 2024. So far, Mara has provided the most amount of information towards the project and has taught us valuable lessons on the water flow requirements of mahseer.

Figure 2. The two mahseer trackers who are trained in all aspects of the study are also the main means of communication with the local community/authorities on project matters. Their responsibilities are to ensure safe handling of fish during the tagging process, identifying the location of the fish, training volunteers and interns in data collection protocols. Left: Jesu Das confirms that the radio transmitter on 'Vikkie' is working correctly before release. Right: Ramachandra S trains a volunteer on the use of the radio telemetry equipment.

DEI BLIND AWARENESS RALLY

Rotary to hold South Asian Peace Conference in February

BENGALURU, DHNS: Rotary International District 3192 launched its inaugural South Asian Peace Conference 2025 on Sunday to promote dialogue on critical issues of environment and health.

The conference, to be held between February 22 and 23, will bring together Rotarians and scholars from eight South Asian countries to address pressing topics such as conservation efforts, climate change mitigation, cross-border cooperation and public health challenges facing the region.

Mahadev Prasad NS, District Governor (2024-25), RI District 3192, said the conference will also focus on healthcare accessibility and mental health issues specific to South Asians.

Rotary District 3192 organised a 30-km car rally for the visually challenged on Sunday.

"During the two-day event, speakers from all eight South Asian countries will share insights and engage in debates aimed at enhancing peace and resolving conflicts," Prasad said.

The conference will also feature a music concert by Grammy Award winner Rickey Kej, who serves as the brand ambassador for the event.

As part of the conference launch, Rotary District 3192 organised a 30-kilometre car rally for visually challenged people on Sunday, starting from Vega City Mall.

The first week of August is observed annually as Friendship Day.

Rotary to hold South Asian Peace Conference in February

BENGALURU, DHNS: Rotary International District 3192 launched its inaugural South Asian Peace Conference 2025 on Sunday to promote dialogue on critical issues of environment and health.

The conference, to be held between February 22 and 23, will bring together Rotarians and scholars from eight South Asian countries to address pressing topics such as conservation efforts, climate change mitigation, cross-border cooperation and public health challenges facing the region.

Mahadev Prasad NS, District Governor (2024-25), RI District 3192, said the conference will also focus on healthcare accessibility and mental health issues specific to South Asians.

Rotary District 3192 organised a 30-km car rally for the visually challenged on Sunday.

"During the two-day event, speakers from all eight South Asian countries will share insights and engage in debates aimed at enhancing peace and resolving conflicts," Prasad said.

The conference will also feature a music concert by Grammy Award winner Rickey Kej, who serves as the brand

ambassador for the event.

As part of the conference launch, Rotary District 3192 organised a 30-kilometre car rally for visually challenged people on Sunday, starting from Vega City Mall.

The first week of August is observed annually as Friendship Day.

fabrics. The quick heating feature of the LPG iron box allows me to handle last-minute emergency requests, making customers happy and earning their trust," he says.

In a similar effort **RC Bangalore Brigades, RID 3192**, kicked off the new Rotary year with an identical initiative. They distributed two gas iron boxes to women who earn their livelihood as laundry ironers with roadside carts. This effort aims to ease their daily labour and reduce environmental impact by decreasing reliance on traditional charcoal irons. ■
