PRESIDENT'S MESSAGE

My Dear Friends,

As I reflect on my journey with Rotary, I am filled with gratitude and awe. The essence of service has become vividly clear to me, and I have witnessed firsthand the transformative magic that Rotary brings to lives.

Our past leaders have defined our club's impact, through initiatives across all focus areas of Rotary that has left an indelible mark. It's not just about what we do; it's about the lives we touch, the communities we uplift, and the bonds we create.

Today, I invite each and every one of you to step forward, embrace service, and experience this magic for yourselves. Let us continue to serve with passion, compassion, and unwavering commitment. Together, we can make our Rotary Club even more vibrant and impactful.

Thank you for being part of this incredible journey. Let's create "The Magic of Rotary" together!

Yours in service,
Siddharth Hamirwasia
President 2024-25

WE MEET FRIDAY 7pm at
Holiday Inn Bengaluru Racecourse

DISTRICT GOVERNORS MESSAGE

Dear Team Josh Rotarians of District 3192,

I bring greetings from our Rotary International President Stephenie Urchick. The theme for the year 2024 - 25 is "The Magic of Rotary".

I hope this message finds you well and inspired for the year ahead. As we move forward, our focus in the coming year will be on the critical area of "Peace and Conflict Resolution", a necessity in today's complex world. It is through our dedication and collective action of Rotarians like you, that we can foster a more peaceful and harmonious society.

Core pillars of our service:

Heart of Rotary-Service with Friendship and Fellowship;

At the heart of Rotary lies our unwavering commitment to service, strengthened by the bonds of friendship and fellowship. Together, we will cultivate a spirit of camaraderie, uniting our efforts to serve those in need.

Strengthening Rotary Families

The unity and bonding of Rotary families are fundamental to our success. By fostering close-knit relationships within our Rotary community, we build a strong foundation for impactful service.

Empowering Youth,

The youth are the power and future of Rotary. We will invest in their potential, providing opportunities for leadership development, education, and community engagement. Their energy and vision are crucial to our mission.

Vocational Service

Developing skills and creating a competent workforce is essential. Our vocational service initiatives will focus on skill development and employment opportunities, enabling individuals to achieve self-sufficiency and contribute to the economy.

International Service and Friendship Programs

Rotary's reach is global, and our international service programs will strengthen cross-cultural friendships and understanding. Through these efforts, we promote global cooperation and goodwill.

Key Areas of Focus:

Women Empowerment, Supporting women through education, vocational training, and leadership opportunities is essential for societal progress.

Mother and Child Health, We will continue our efforts to improve maternal and child health, with a specific focus on promoting cervical cancer vaccinations.

Mental Health, Addressing mental health issues is crucial. Our initiatives will aim to raise awareness, provide support, and reduce stigma associated with mental health challenges.

Environment, Protecting our environment through sustainable practices and reforestation efforts is vital for our future.

Supporting Farmers, Farmers are the backbone of our society. We will support them through initiatives that enhance agricultural practices and ensure fair market access.

Healthcare Innovations, Emphasizing advancements in healthcare, such as the new cancer medication developed by TATA and Heart surgery programs, will be a significant focus during Rotary Year 2024-25.

Elderly Care through Asare Program, The Asare program will ensure our elderly population receives the care, respect, and companionship they deserve.

The Rotary Foundation, I urge all the clubs to reach out to each member to contribute at least \$26.5 to the foundation and strengthen Rotary's service to humanity.

Membership, Rotary's survival as a service organisation depends on the growth of the membership in every revenue district with an objective to collaborate with the local community. It is hence important for every club to invite people into Rotary who can value add and sustain the growth of community serving.

As we embark on this journey, I call upon each one of you to actively participate, share your ideas, and contribute your time and resources. Together, we can make a profound impact and create lasting change in our communities.

Let us work together with determination, embodying the Rotary spirit of "Service Above Self," thus creating "The Magic of Rotary." I am confident that our combined efforts will lead to remarkable achievements in the coming year.

Warm regards,
NS Mahadev Prasad
District Governor
2024 - 25
Rotary District 3192

RI PRESIDENT'S MESSAGE

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is The Magic of Rotary itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses, and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs.

That's why expanding our commitment to diversity, equity, and inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, and one of the most effective ways we can build peace is with our Rotary Peace Fellowships, through which peace and development professionals learn how to prevent and end conflict.

We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul.

Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there.

The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted.

I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing The Magic of Rotary.
