Good." Together, let us raise the bar and create a legacy of service and leadership.

This Rotary year, I urge each club to focus on these vital goals:

- 100% TRF Giving: Let us make District 3142 a 100% TRF Giving District by 30th October 2025. Every Rotarian, every contribution, makes a difference.
- Membership Growth: Invite your friends, family, and professional circles to be part of Rotary. More hands, more hearts, more help.
- Impactful Projects: Think big and plan bold. Design initiatives that truly uplift lives and communities.
- Use of Grants: Apply for District and Global Grants - our team is here to assist you in every stage of planning and execution.
- CSR Collaborations: Reach out to corporates and partners - together, we can scale up our projects and deepen our impact.
- Thrust Area Commitment: Make sure to complete at least 4 projects from the 10 District Thrust Areas - targeting key areas where change is most needed.

And remember, Public Image is Public Impact.

Plan to showcase Rotary. If you can truly see Rotary, then others will surely see it through you - through your actions, your stories, and your presence in the community. Use the power of PR and PI to highlight your work, celebrate your members, and invite the world to witness what Rotary truly stands for.

You are the leaders of this historic TiTEN year. Let your work speak, let your story inspire, and let your legacy echo for years to come.

Wishing the editorial team continued creative success, and to the Rotary Club of Ulhasnagar Sapna Garden - a year of strength, unity, and service that shines brightly.

With warm regards,
