### Editorial:

Today, Rotary is the most trusted Global Brand in the field of Social Service. Rotary's soul revolves around Upliftment of the under privileged, across the world. Most of the other NGOs are very cause focused, operate in local areas and are solely controlled by founder trustees for years.

Whereas Rotary offers its members opportunity to serve communities across the world on diverse set of social needs and is managed by trustworthy professionals across the Globe, on an annual term basis. Rotary also offers opportunity for members to come out of their comfort zone and build new social circle/skills with their Local/Global peers. Today's generation is very much goal driven and global in their attitude. Rotary enables them to set goals of their choice around wide variety of social needs cutting across national boundaries from most developed to most underdeveloped neighbourhoods and provides them necessary support to achieve the same. Rotary is also building bridges across cultures, national boundaries through innovative ideas which we think is the best route to long term world peace.

Doing projects gives you opportunity to feel good about your actions. We would like to express sincere gratitude towards beneficiaries, partners, all Rotarians, organizations involved.

APRIL DESIGNATION IS

### MATERNAL AND CHILD HEALTH MONTH

Rotary

TAKE ACTION: Join Rotary, Get Involved

### April is Maternal and Child Health Month -

Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Your Rotary projects ensure sustainability by empowering the local community to take ownership of health care training programs.

### THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

### Rotary and the United Nations

Rotary was present at the start of the United Nations in 1945.

Rotary International was one of 42 organizations invited to serve as consultants to the U.S. delegation to the United Nations Conference on International Organization in San Francisco, California, USA (commonly called the UN charter conference).

Additionally, many Rotary members and honorary members from around the world attended the conference as members of and consultants to their nations' delegations.

Rotary and the United Nations remain committed to creating lasting change that enhances international relationships, improves lives and communities, and creates a more peaceful world.

Today, Rotary International holds the highest consultative status offered to a nongovernmental organization by the UN's Economic and Social Council (UNESCO).

The Rotary Representative Network, established in 1991, maintains and furthers this relationship with several UN bodies, programs, commissions, and agencies.

Here are some humorous Kannada New Year's resolutions:

It isn't always serious stuff 😊

1. I will eat more pizza and less salad.
2. I vow to exercise more... my thumbs, while playing video games.
3. This year, I promise to procrastinate more efficiently.
4. I aim to reduce my coffee consumption... to just two pots a day.
5. My goal is to learn how to make a decent cup of tea... by the end of the year.
6. I resolve to watch more cat videos and fewer documentaries.
7. I will take up a new hobby... extreme ironing!
8. This year, I'll become an expert at doing absolutely nothing.
9. I promise to set my alarm clock... to silence.
10. My resolution is to make more realistic New Year's resolutions next year
