2025-26 Theme: *Unite for Good*

By using the power of human connection to welcome new members, collaborate on service projects, and build our global impact, Rotary members create positive change.

It's an honour and a joy to introduce a man who's a leader in business and service, now the President, Rotary Club of Bangalore Vidyapeeta, R I District 3191.

Rtn. Srinivas Naidu, fondly known as 'SRN', was born on 14th October 1967 at Bangalore, into a humble and hardworking farmer family. His roots trace back to Chittoor district in Andhra Pradesh, but the true journey began when his grandfather, Sri Rama Naidu, walked—yes, literally walked—to Bangalore, leaving behind everything: land, home, and comfort, just to build a future for the generations to come and really, he did. That seed of grit and sacrifice grew into the man we see today.

SRN studied at Sri Kumaran Children's Home, a convent school well known even today for its discipline and dignity. There, he didn't just blend in—he led. He was school flag bearer, group captain, and a passionate sportsperson, representing his school in volleyball and long jump, proving early on that he was a leap-ahead kind of person—pun intended!

He went on to pursue his Diploma in Mechanical Engineering at PES College, graduating in the 1988–89 batch. After that, he built his career with determination, working with renowned names like Promac Ltd in the cement industry, and later Kavcon Engineering, managing thermal power engineering projects.

But his biggest leap came when he entered the Elevator and Escalator industry. Today, as the proud founder and director of Ultimatech Elevators Pvt Ltd, an ISO-certified company, he has overseen more than 1000 installations across Bangalore and is now expanding to Andhra Pradesh and Telangana.

Now, here's a fun little secret about SRN... Despite running a company that installs elevators, he's someone who never lets success go to his head—but always takes people to the top.

With a legacy of discipline, leadership, and humility, it's only fitting that he now takes the helm of Rotary Bangalore Vidyapeeta as its President 2025-26. I am sure he will lift this club to greater heights—no pun intended this time.

Editor's Desk:

Hello friends, Greetings to you all as we start a new 'Peak to Peak' journey in the new Rotary year; a journey that we will undertake to move from success to success, serving humanity and serving to change lives. Hearty congratulations also to the outgoing team of RCBV for their dazzling performance, grand success and outstanding achievements. And a warm welcome and best wish to the incoming President and the new team.

I am very happy to present the first issue of "VIDYAPEETAM" July 2024, the first month of Rotary year. Let us start working towards our goal "UNITE FOR GOOD" with the same enthusiasm.

Creating an interesting and informative Bulletin is enjoyable work for me. I hope the readers too will enjoy these bulletins. The Club Bulletin being a very effective means of external and internal public image, it should be like a mirror. All projects, programs and activities of the club along with District and RI projects are to be included in it. At the same time personalities and capabilities of members should also be reflected by it. For this, I invite all members to contribute to the contents of our bulletin. Poems, travelogues, interesting experiences, useful tips etc are most welcome. I am very keen to get contributions from new members. That will be their best introduction in the Club; it will develop fellowship and help them to assimilate in the group.

I urge you to look through this bulletin, contribute where contributions are requested, and above all, smile, laugh and enjoy the Bulletin. Here's wishing you a wonderful month ahead.
