PROMOTING THOUGHTFUL LEADERSHIP – THE ROTARY WAY!

President Manoj Patodia

“Leadership is service and there is power in that giving: to help people, to inspire and motivate them to reach their fullest potential...” – Denise Morrison.

As the present competitive world brings a multitude of challenges to life and living, thought leadership has gained acceptance as a key enabler in making a difference. Thought leaders can provoke communities to follow altogether different paths by sharing their knowledge and intelligent opinions, educating their audience and empowering the less privileged to lead ‘a better life’. Moreover, promoting thought leadership can alter group dynamics and orient the teams towards noteworthy causes and sustainable practices.

Rotary is one such thriving initiative, akin to a family, but operating worldwide at a much larger scale. It is a service, leadership,

professional and community service organisation (often miscommunicated as a “Social Service Club”) for young men and women aged 18 and over. The Rotary movement focusses on the development of young adults as leaders in their communities and workplaces. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world.

Rotary Club of Bombay (RCB), in its 94 years of existence, has been a treasury of such thought-provoking leadership. The premier institution has had the luxury of being led by Presidents who held the charm to develop a sway over their audience and win their trust.

The various CSR initiatives at Rotary Club of Bombay, commenced by these leaders, have been highly successful in exerting influence,

gaining attention, and inspiring the larger audience to fulfil their social responsibility. Each one of these visionaries, in their own unique style, have helped to change society's perception towards partaking in equal responsibility to give back to the community. Many projects undertaken by the Club continue to drive positive impact, so much so that they hold the power to influence the economy, environment, and society.

The new-age thinking is more focussed on generating new ideas and gaining insights into future trends.

Reports suggest that a large number of decision-makers now believe that thought leadership helps them to stimulate thinking

and generate new ideas to inspire inclusive growth across the country.

India is at a critical juncture in history and the epicentre of stardom is centered in Asia. Politics of development can never be sustainable, and every fellow Rotarian must be guided by a moral compass. In this regard, the CSR projects undertaken by the Rotary Club of Bombay can become a game-changer only if they are built on the premise of quality, talent, vision, and passion.

Going forward with the vision and guidance from Trustees and Past Presidents, the team of office bearers and the Board of Directors and various committees chairs and co-chairs, and the committee members have brought in a renewed thrust to the Rotary's goal of making truly meaningful contributions to the society.

The novel vision for the year 2023-2024 under the new Presidency will strive to create a positive impact through the projects being continued and the new ones being undertaken at the Rotary Club of Bombay. Thoughtful leadership together with an indomitable spirit to serve the community are the essentials to achieve real and sustainable social change. This will not only enable the Rotary Club of Bombay to remain relevant in the 'New Normal' but will also benefit our society and future generations as a whole.

A JOURNEY OF SERVICE, INSPIRATION & PASSION

Manoj and Nandita Patodia sought membership at our prestigious Rotary Club of Bombay on January 11th, 2008, with the desire to create positive impact in society. Over the years, their unwavering commitment has played a pivotal role in advancing various initiatives, including the Four Way Test, Bhavishya Yaan, Cotton Green, and the Assimilation. Their two children, Rohan and Avishi, took inspiration and are members of our Satellite Club.

Manoj is a distinguished graduate of H.R. College in Mumbai. When he is not working, you can often find him travelling far and wide or nervously watching the latest cricket match. He is also a music aficionado with a soft spot for the Beatles (certainly inspired by his wife!).

Nandita is an avid singer and a passionate photographer and a fellow travel

companion to Manoj, as well as a keen investor in the Indian stock market. A graduate from Sydenham College, Nandita is a lifelong learner with interests in Vedanta and economics.

Following in his mother's footsteps, Rohan enjoys wildlife photography and music. When he is not at work, you can often find him unwinding on the golf course or at the squash courts.

His wife, Anushree, is passionate about Tai Chi and philosophy. She loves to travel and explore new parts of the world while trying local cuisines (with a soft spot for Spain!).

Avishi has a keen interest in finance, currently pursuing her Master's degree at Imperial College London. Alongside her academic pursuits, she enjoys painting and is a wizard in the kitchen trying new recipes.

MEET THE NEW RI PRESIDENT

RI President Gordon R. McNally is a seasoned Rotary Club member hailing from South Queensferry, Lothian, Scotland.

A graduate in dental surgery from the University of Dundee, he successfully owned and operated his own dental practice in Edinburgh, also taking various academic roles and chairing the East of Scotland branch of the British Paedodontic Society. A Rotary member since 1984, he has held significant positions since then.

McNally is a firm advocate for leveraging technological adaptations, such as online communication, made during the COVID-19 pandemic to increase engagement and grow membership, while maintaining the importance of face-to-face interactions. He sees improved engagement, both digitally and offline, as the key to Rotary's growth and meaningful service. McNally and his wife, Heather, are significant contributors to The Rotary Foundation.

DEAR MANOJ,

I congratulate you on your installation at the Rotary Club of Bombay.

You have been handed the reins of leadership at an historic moment. In the wake of the COVID-19 pandemic, more people than ever feel hopeless. Many have lost people close to them. Social networks have been uprooted and divisions have grown wider as opportunities for connection have been lost.

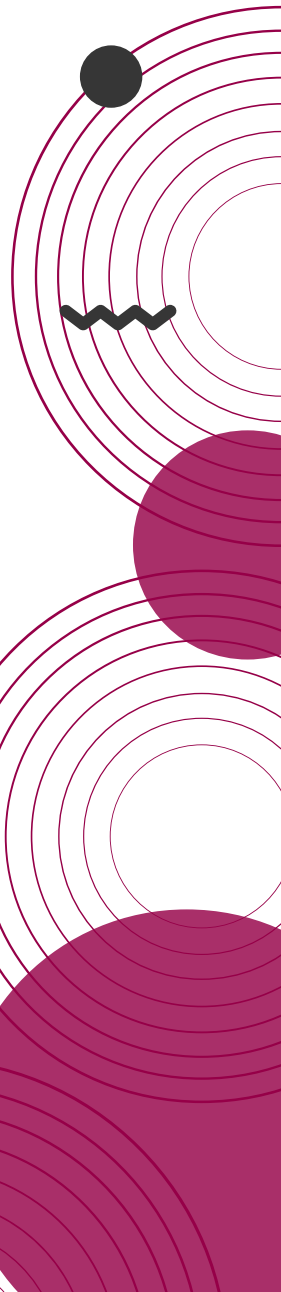

Rotary's ability to create lasting change begins with the bonds we form with each other. This year, I need your help to ensure the bonds between our fellow Rotary members are strong enough to bring hope to those who need it most.

Join me in making Rotary a source of strength for all of those, both within and beyond our membership, who feel they have lost hope. Let this be the year we Create Hope in the World, and let Rotary be known as an organisation that takes care of its members as well as the people we serve.

It is within your power to help bring peace and soothe those afflicted by conflict, both in their communities and in themselves.

I look forward to working beside you as we come together to Create Hope in the World.

**RI PRESIDENT
GORDON MCINALLY**

DEAR INCREDIBLE PRESIDENT MANOJ,

Congratulations on taking over as the President of the Club in its 94th year. This is a great honour, and leading Rotary Club of Bombay is a challenge with pleasure and pride.

I trust you will have immense support from the illustrious members of the Club, and you will be taking it to much greater heights in terms of helping people in all spheres of health, education, environment, technology and much more.

The Rotary Clubs in our District, and in rest of India, look upon at RC of Bombay as an institution which they must emulate. Your Club truly deserves this place.

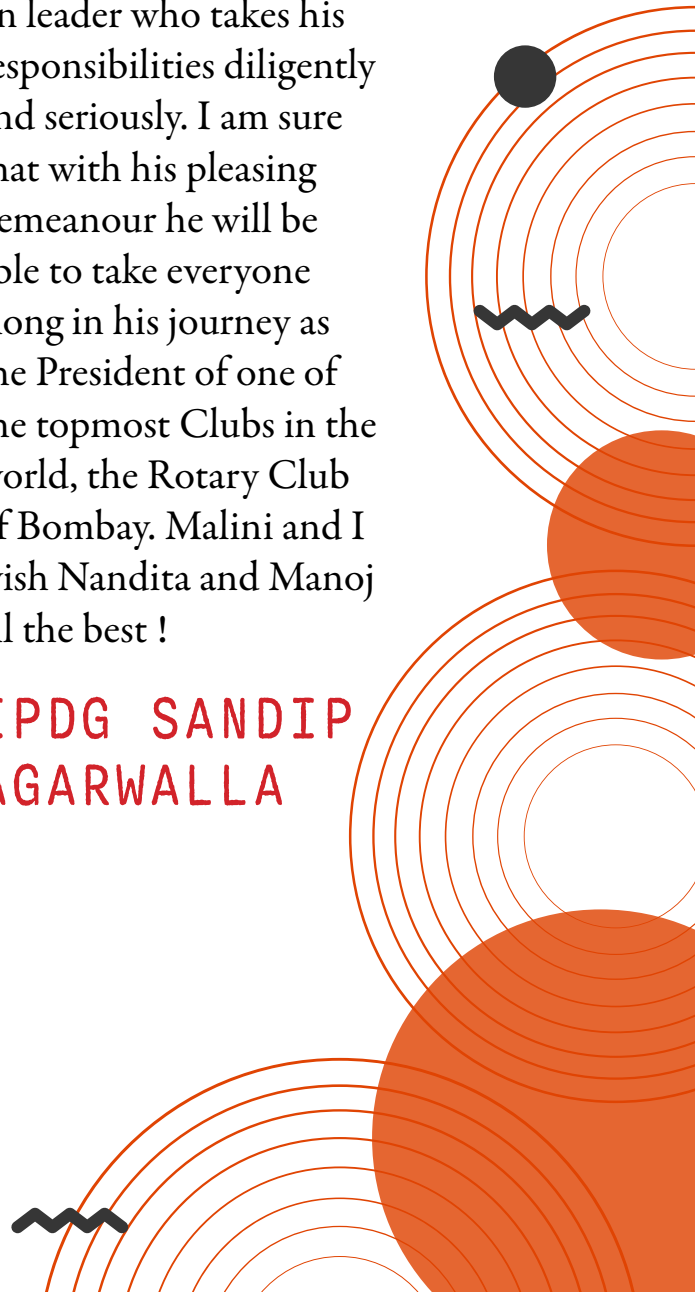

My best wishes and support as Governor will always be with you, Nandita and the Club.

**ARUN BHARGAVA
WITH SEEMA**

Over the years I have got to know Manoj as a fast thinking, hands-on leader who takes his responsibilities diligently and seriously. I am sure that with his pleasing demeanour he will be able to take everyone along in his journey as the President of one of the topmost Clubs in the world, the Rotary Club of Bombay. Malini and I wish Nandita and Manoj all the best !

TRUSTEES OF THE ROTARY CLUB OF BOMBAY

Trustee
PP Dr. Adi
Dastur

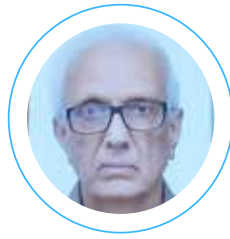

I joined The Rotary Club Of Bombay on the August 23rd, 1981 and so, within a few weeks from today, I will be completing 42 years of active Rotary service.

My late wife, Dr. Nayna, was also a member of our Club, from November 30th, 1996, till she passed away in Jan 2019.

I was the President of our great Club in 1998-99 and have been a Trustee since 2008. Until the onset of Covid, I had been a "100%er" making up for my absences by attending meetings of other clubs in India and abroad, some in exotic locales.

While Rotary has enriched my life in so many ways, in my personal life I have, as a renowned gynaecologist, attended to the Who's Who of society. I also served as the Dean of the Nowrosjee Wadia Maternity Hospital.

While I have seen many changes in our Club over my 4 decades long membership, I feel that all Presidents have brought their own distinctive style of functioning and the growing membership of our Club is enriched by wonderful human beings from different walks of life. I shall always cherish my association with our Club and its Members. God bless Rotary.

Trustee
PP Arun
Sanghi

I joined the Rotary Club on April 26th, 1988, and served as a Director in 1997 and 1998. During my tenure as President in 2001/2002 and Vice President in 1999/2000, we raised substantial funds to purchase our current office. I've attended 60% of the Club Assemblies and have a keen interest in all our projects. Rotary teaches us to work with diverse individuals to serve the less privileged. Since 2008, I've been a permanent Trustee and in 2023/2024, I'll be heading the Synergy and Impact Assessment Committee.

Trustee
PP Arvind
Jolly

Completing 40 years of service to Rotary, I served as President in 1994-95 and have been a Trustee since 2010. Rotary has greatly enriched my life and enabled me to form many valuable friendships. I derive immense joy from contributing to various Rotary projects within my means.

Trustee
PP Dr. Zerxis
Umrigar

It's been a pleasure to serve as a Trustee of the RCB and, watch it grow exponentially every year since 1978. A special debt of gratitude is due to all the Past Presidents. If only Rotarians knew the reach and depth of our projects, our attendance would improve. Viewing our decades-earlier projects, I'm humbled by the scope of the recent ones. I've never been more proud to be a member of one of Bombay's mainstays.

Special Director IPDG Sandip Agarwalla

DG Sandip Agarwalla is a third generation Rotarian. He joined the Rotary Club of Bombay at the age of 29 years, and went on to become its youngest President in its 93-year history, at the age of 41 years. His term as President is remembered as one of the finest, with plenty of service activities, fellowship, top quality speakers and record fund-raising. His zeal after completing his term as President has never diminished.

His work in the District has been Avenue Chair across a broad spectrum of activities for various District Governors and is one of the very few to have been asked to Head the Rotary Foundation Avenue, twice. He has been the Group Head for TEACH and WinS, Chief Group Avenue Head of TRF and also the District Secretary and Head of Public Image. He was the District Endowment and Major Gifts Co-ordinator (DEMGC) for RI Dist 3141 in 2020-21. Other than these he has been AG in 2004-5 and AT, Chief Coordinator and District Secretary in subsequent years. He was also nominated by PRIP Ron Burton to be a part of the India CSR committee.

He was awarded Rotary's Avenues of Service Award in 2016-17 by Rotary International.

He is also the Ambassador Coordinator for all India for RAM (Rotarians against Malaria Action Group) - Global, responsible for eradication of malaria on an all-India basis.

He was also appointed as the Chair of the Programme Committee for the Rotary International Presidential Conference 2022 held in Hyderabad in April/May 2022. He was appointed as the Chairman – Planning and Innovation on the Core Committee, RI Institute (Zones 4-7), Visakhapatnam 2022, as a Facilitator/Trainer for the GETS/GNTS at Abu Dhabi in 2022 and as an Advisor to the Rotary International Presidential Conference: Serve to bring Peace held in June, 2022 in Houston. He has recently been invited as a Facilitator/Presenter at Lakshay to be held in April, 2023. He has now been appointed as the Joint Chair – Programme Committee, RISE-Rotary Zone Institute 2023, Bengaluru.

He is the Immediate Past District Governor (22-23) for RI District 3141.

His business interests include mining of marble and solar energy. He is a member of several reputed professional bodies and a member of Mensa International, a high -IQ Society.

His wife, Malini, runs a successful fashion accessories business. She is a Past President of the Inner Wheel Club of Bombay and is its ex-Trustee as well. His son, Abhimanyu is based in London and married to Priyanka.

They have given Malini and Sandip, "the joys of their life", Elina; their granddaughter and Kai Bijoy, their grandson. Sandip's daughter, Rishika is married to Sanket and lives in USA.
