Romila Nijhawan, Principal Partner, Nuvama Private on the Budget and its impact on investments

Union Budget 2024: Major changes in Capital Gains Tax regime. Holding period, Tax rates explained. The theme of the direct tax proposals was growth and simplification and rationalisation of various income tax provisions.

This budget, which was presented by the Finance Minister Ms Nirmala Sitaraman on July 23rd, 2024, had a lot of tweaks on the capital gains side. It was also historic because the indexation benefit was removed.

Union Budget Proposal:

CAPITAL GAINS TAX

Holding Periods:

Simplified to 12 months for all Listed Securities, Units of Equity Oriented Mutual Funds & Units of Business Trust and 24 months for other assets.

For all listed securities, units of equity-oriented mutual funds and units of business trusts holding period is simplified to 12 months and for all other assets to 24 months.

Union Budget Proposal:

RATES

- Long-term capital gain tax for all assets at 12.5%.
- Short-term capital gain tax at 20% for Listed Securities, Units of Equity Oriented Mutual Funds & Units of Business Trust and applicable rates for other assets.
- Unlisted bonds/debentures treated like MILDs, taxed at applicable rates.
- Indexation Benefit: Removed for long-term assets.

Regarding the rates, the long-term capital gain for all assets has been changed to 12.5%. The short-term capital gain tax for listed securities; units of equity oriented mutual funds & units of Business trust is now 20% and applicable rates for other assets

Indexation benefits for long term assets have been removed.

The budget also raised the exemption limit for capital gains to Rs 1.25 lakh annually which was earlier 1 lakh per year.

Let's discuss the impact of the removal of indexation

benefits on Immovable properties. They earlier had the provision of indexation if held for more than 24 months and were taxed at 20% while short term was MMR. The indexation benefit is now removed, the LTCG is 12.5% for period of holdings above 24 months. This has

implications and let me explain with an example.

There is a representation that has been made to the Finance Ministry by the industry for relaxation on the indexation front with respect to the immovable properties and its under review.

Union Budget Proposal:

CORPORATE TAX

rate reduced from 40% to 35%.

• TDS on Payments:

New section 194T for payments exceeding INR 20,000 in a financial year.

• Buyback of Shares:

Treated as dividends and taxed accordingly.

The change in the ruling for Buyback of shares is also important- they will now be treated as deemed dividends and taxed accordingly. Let me explain the implication with an example.

Union Budget Proposal:

START-UPS AND CHARITABLE TRUSTS

• Abolition of Angel Tax:

Provisions abolished to promote start-ups.

• Charitable Trusts:

Simplified procedures and reduced administrative burdens under Sections 11-13.

The abolition of Angel tax is a welcome step.

Union Budget Proposal:

ADDITIONAL PROVISIONS

• Specified Mutual Fund (SMF) Redefinition:

Funds investing >65% in debt/money market instruments.

• Increased NPS Deduction for Employers:

Deduction limit increased to 14% under the New Tax Regime.

• GIFT City:

New exemptions for retail and ETF funds, and new Variable Capital Company structure.

The budget has redefined the Specified mutual fund category. Now funds investing more than 65% in debt /money market instruments are classified as Specified Mutual fund. Further if these were bought on or after 1st April 2023, they will attract MMR irrespective of the period of holding.

For NPS – under the New Tax regime the deduction limit (amount of employer contribution amount) has been increased from 10% to 14% - which is a welcome step.

The holding period/ tax rate changes have made some investments attractive or unattractive.

Some Examples:

1. Arbitrage fund category, which was favoured by individuals and corporates alike, now faces higher STCG at 20% vs 15% earlier”.

2. “Listed REITs (Real Estate Investment Trusts) and INVITs (Infrastructure Investment Trusts) become attractive due to changes in the holding period that has been condensed to 12months. This asset class is fast emerging and is being used by investors who want

to invest and diversify into real estate and infrastructure assets”

3. “Debt Mutual funds which are bought on or after 1st April 2023 now attract MMR irrespective of the holding period. This has made them quite unattractive. However, an interesting point here is that they attract capital gains only on redemption unlike Fixed deposits.

4. Sovereign Gold Bonds are in for a rejoice because now if they are held for more than 12 months, they will attract LTCG. If held till maturity its tax free.

5. As a result of the change in definition of the Specified Mutual funds, some funds that were Specified earlier but are not specified now, they become attractive due to the change in the holding period and LTCG”

There is a landscape in terms of assets that benefit and those that do not. However, asset allocation should not always be based on taxation. It has to be based on your life journey, the risks, and liabilities you foresee.”

Union Budget Proposal Conclusion:

- Effective Dates:
- Most amendments effective from 1st April 2024.
- Specific provisions from 1st October 2024, 1st January 2025 and 1st April 2025.
- Capital Gains, Buyback, and NPS changes effective from 23rd July 2024, 1st October 2024, and 1st April 2024 respectively.

TALKING ROTARY IN THE FRENCH ALPS

Rtn. Vandan Shah, while planning a holiday in the French Alps with his family, proactively reached out to the Rotary Club Chamonix Mont-Blanc Megeve. He made contact through their website's "Contact Us" form, and the club's President, Jacqueline Mermond, promptly connected him with Mr. Pierre Houe, who oversees their International Committee.

Rtn. Shah met Mr. Pierre at Mont Blanc, where they exchanged banners. Mr. Pierre hosted Rtn. Shah, his Rotary partner Ekta, and RCB Satellite member Suditi at a local café with views of Mont Blanc. They enjoyed vegan food and discussed their respective clubs.

The Rotary Club Chamonix Mont-Blanc Megeve, with 30 members, collaborates with other clubs on initiatives like the Espace Rotary Mont-Blanc Action, supporting the 170 km Ultra Marathon in the Mont Blanc region and Global Grant projects in Nepal. Mr. Pierre was impressed by RCB's involvement of young Rotaractors, Interact students, and diverse global projects.

Rotary Club of Bombay has donated 200 shelter kits which are on their way to landslide-hit Wayanad in Kerala.

CELEBRATING FELLOWSHIP IN HAMPSTEAD

Rtn. Rashmi Jolly attended the regular meeting of the Rotary Club of Hampstead on July 9th, 2024. While there, she attended the Handover Ceremony of the Outgoing President and Incoming President held at Hotel Premier Inn Hampstead.

Sangkoo Yun will be RI President for RY 2026-27

Sangkoo Yun, of the Rotary Club of Sae Hanyang, Seoul, Korea, is the Nominating Committee's selection to become Rotary International's President for 2026-27. He will be officially declared President Nominee on September 15th, 2024, if no other candidates challenge him.

Yun received his bachelor's and master's degrees from the Syracuse University School of Architecture in the U.S. and an honorary doctoral degree from The University of Edinburgh, Scotland.

He is the founder and CEO of Dongsuh Corp., which engineers and markets architectural materials, and the president of Youngan Corp., which operates in real estate and financial investment. He is involved in many civic organisations and has a special interest in the preservation of cultural heritage.

A Rotary member since 1987, when he was a charter member of the Rotary Club of Sae Hanyang, Yun has served Rotary International as a director, trustee, committee member and chair, and RI learning facilitator. He served for eight years as co-chair of the Keep Mongolia Green

Project, by Korean members of Rotary.

His RI committee roles include the Board Administration Committee (2013-15, vice chair 2014-15), the International Assembly Committee (vice chair, 2020-21), and the End Polio Now Countdown to History Campaign Committee (regional vice chair, 2023-27). He also served on The Rotary Foundation's Executive Committee (2019-22, chair 2020-21) and Programmes Committee (2019-22, chair 2020-22).

Yun received The Rotary Foundation's Distinguished Service Award in 2021-22. He was appointed an Officer of the Most Excellent Order of the British Empire by Queen Elizabeth II, awarded the Friendship Medal by the President of Mongolia, and recognised for distinguished services by the President and Prime Minister of Korea. He is a veteran of the Republic of Korea Army and an emeritus elder at Andong Presbyterian Church.

Yun and his spouse, Eunsun, are Rotary Foundation Benefactors, Major Donors, and members of the Arch Klumph Society, the Paul Harris Society, and the Bequest Society. They have two children.

Lighthouse kids learn about plastic bags and their harmful effects on the environment

Our Lighthouse children were recently informed about the harmful effects of plastic bags on our environment. We extend our gratitude to the Sanskar India Foundation for conducting a workshop on 'Say No to Plastics' in celebration of International Plastic Bag Free Day.

An awareness session on the detrimental impacts of plastics was delivered through a PowerPoint presentation. The children learned how plastic production and disposal pollutes the air, soil, and water, leading to harmful effects on health and the environment. Various ways to avoid using plastic and eco-friendly alternatives were discussed.

Following this, a question and answer session deepened their understanding. The students were then taught how to make paper bags and simple no-sew bags from old t-shirts. The response to the session was excellent, and the children thoroughly enjoyed making the bags, which they took home to use.

GK PROGRAMME FOR KIDS

At the Lighthouse Project, we've been following the Engage curriculum, which serves as one of the best English readers today, making children better learners. Lighthouse students learn about themselves and their world through The Engage Book of General Knowledge, which is beautifully illustrated and introduces children to scientists and experts from India and around the globe.

After six years, we have advanced

to higher levels in the Engage curriculum, and we extend our heartfelt thanks to RCB for this upgrade. The Engage Book will reinforce what is taught in school, enhancing understanding. These curriculum-based books are among the best English nonfiction readers, inspiring curiosity about the environment, health, life skills, values, and citizenship. We also thank Ms. Pratibha Pai and Ms. Lata Vasvani for their support.

Elders celebrate Friendship Day with enthusiasm

The Ananda Yaan (AY) Committee hosted a wonderful Friendship Day event at the Byculla Centre of AY on August 6th, 2024. President Satyan Israni attended the event along with PN Manish Reshamwala, and many other members of the RCB. Additionally, prominent members from the Baghbaan and Disability to Ability Avenue of Service from District 3141, such as Chairperson Savita and Dr. Mona Shah were present.

Ananda Yaan Chairman Kaushal Mehta welcomed the guests and highlighted the diverse range of activities that the underprivileged

elders enjoy through this unique initiative, including yoga, Zumba, sports, medical care, picnics, and music shows. He gave special recognition to Ekta Shah, who has been actively involved with the initiative from the very beginning.

The elders then delighted everyone with an energetic display of Zumba, and one elder woman spoke eloquently about how Ananda Yaan had significantly improved her life.

The evening concluded with a delicious South Indian tiffin for all attendees.

INSTALLATION OF ROTARACT JAI HIND

Pinnacle 2024 was the 30th Installation Ceremony of the Rotaract Club of Jai Hind College on August 3rd, 2024. It marked the outgoing of Rtr. Vedika Bansal – President 2023-24 and her team, and the incoming of Rtr. Krishab Jain – President 2024-25 and his team. The grand affair included farewells for five past members and the induction of five Core Team members and 23 Directors for the year 2024-25.

The event was graced with the presence of Rtn. Siddhant Jatia and Rtn. Nikhil Sanghai as Guests of Honour and Adv. Phf. Rtn. Rtr. DRR Nikhita Sunil as the Chief Guest. Rtr. Krishab revealed the theme for the Rotaract Year 2024-25: "Like Never Before." The installation recorded a total attendance of 241 people, making it the highest attendance of an installation of a club in Rotaract District 3141 yet.

At Interact Bharda's Installation

The Interact Installation Ceremony was successfully held on August 9th, 2024, at 12.30 pm with the gracious presence of the Chief Guest, RCB President Satyan Israni who was given a grand welcome with the school band. Also in attendance was Rotary Coordinator, Mr. Tejas Pawar. The ceremony commenced with a warm welcome speech, setting a positive tone for the event.

Following the welcome speech, the traditional lighting of the lamp took place and President Satyan and Mr. Tejas were felicitated.

The ceremony continued with a brief introduction of the Chief Guest, highlighting his achievements and contributions, which further inspired the attendees. The key moment of the event, the installation ceremony, then took place. The new Interactors were honoured with their badges, which were handed over by President Satyan, marking the official start of their roles and responsibilities. The new Interactors then took an oath, pledging to uphold the values and duties of their positions with dedication.

Addressing the gathering, President Satyan encouraged the Interactors to lead with integrity and passion. The ceremony concluded with the National Anthem, followed by a vote of thanks, acknowledging the efforts of everyone involved in organising the event.

The event wrapped up with refreshments, where attendees mingled and shared their experiences.
