President's Message

Dear Fellow Rotarians, Anns and Annets,
September 2025, observed as Basic Education & Literacy Month, was marked by purposeful engagement, meaningful meetings, and impactful service initiatives by our Club. I am pleased to share a concise overview of our collective efforts and accomplishments during the month.

Weekly Meetings with Inspiring Speakers

We commenced the month on 12 September with an engaging “Chai Pe Charcha”, followed by a thought-provoking session by Dr. Arun Surendran, Director, Trinity College, on “Bridging the Education Gap – How Communities Can Contribute”.

Our milestone 1800th Weekly Meeting, held on 19 September, featured Dr. Ajith Sankar, Organizational Psychologist and Corporate Trainer, who delivered an insightful talk on “Nurturing Minds at Home: The Role of Family in Learning and Wellbeing”.

The month concluded with an online meeting on 26 September, where Ms. Rekha Rajagopal from ICT Academy of Kerala spoke on “Upskilling Individuals for an Evolving World”.

1800th Meeting – A Special Evening of Recognition & Service

The 1800th meeting was a memorable occasion highlighted by:

Secretary's Message

Dear Rotarians, Anns and Annets,

September, dedicated to Basic Education and Literacy, was truly a meaningful month for our club. Inspired by our President's vision, we came together to support learning, share knowledge, and strengthen our commitment to shaping a better future.

The educational initiatives, interactive meetings, and community-focused activities carried out during the month once again proved that Rotary's strength lies in action with purpose. What touched me most was the wholehearted participation of our members—every effort, big or small, reflected our shared belief that education is the foundation of lasting change.

Beyond projects, September also reminded us of the value of fellowship. Our meetings were filled with positive discussions, new ideas, and renewed motivation to serve with dedication. When Rotarians work together with unity and enthusiasm, service becomes impactful and joyful.

As we move forward, let us carry the spirit of September into the coming months—serving with compassion, leading with integrity, and standing together as one strong Rotary family.

Thank you all for your continued support and commitment to Service Above Self.

With Warm regards,

Rtn. Ramesh R

Editor's Message

How Rotarians Act in Society – An Editor's Perspective

As a Magazine Editor observing Rotary closely, one truth stands out clearly: Rotarians do not merely speak about service—they live it. Their actions are firmly rooted in the Four-Way Test, applying truth,

fairness, goodwill, and benefit to all in every walk of life, thereby setting a benchmark for ethical conduct in society.

what distinguishes a Rotarian is the belief that a profession is not just a livelihood, but a powerful instrument for service. Through ethical practices and responsible leadership, Rotarians create opportunities, uplift standards, and positively influence the communities they serve.

Across local neighborhoods and global platforms, Rotarians consistently lead impactful initiatives in health, education, peacebuilding, and environmental sustainability. These efforts—whether providing clean drinking water or fighting disease—reflect Rotary's enduring commitment to humanity.

Equally commendable is their role as mentors and leaders, shaping the next generation through Interact and Rotaract, and inspiring young minds to embrace service above self. Bound by fellowship, Rotarians bridge differences, foster unity, and build lasting relationships that transcend boundaries.

From an editor's lens, Rotarians emerge as true change-makers—transforming values into action and service into sustainable impact for the greater good of society.

Warm regards,

Rtn. Arunkumar B

Magazine Editor, Rotary Club of Trivandrum Suburban
