

FPLR 2526 - Photography Contest

Our club proudly launched the Photography Fellowship, an initiative originally envisioned by **Rtn. G. Saravanan**. Recognizing its potential, our President, **Rtn. Dr. Ashok Kumar**, took the idea forward with great enthusiasm and entrusted **Rtn. Shivanram** with leading the fellowship.

As a first step, a basic photography training session was conducted in September, which received an overwhelming response with over 60 participants attending and benefiting from the program.

Building on this momentum, and with the continued support of our President, we successfully organized the FPLR 2526 Best Photography Awards for Rotarians across District 3233.

The winners were shortlisted by **Rtn. Lakshmanan, Mentor – FPLR 2526**. He patiently reviewed all the photographs submitted by participants and meticulously selected the winners.

We are delighted to announce the winners:

- **Winner:** **Rtn. Athithya Kesav** (RC Chennai Amethyst)
- **Runner-up:** **Rtn. Dr. Arul** (RC Chennai Crown)
- **Consolation Prizes:**
 - Ant. Abirami** (RC Royapettah)
 - Ant. Aravind Madhav** (RC Chennai Aristo)
 - Rtn. Dr. Ranjitham** (RC Chennai Crown)

The prizes were distributed during Indravizha on 1st March, marking a proud and celebratory moment for all participants.

Board Meeting - 8

The board meeting was held on 8th March at Towers Club, with a total of 13 members in attendance. The meeting commenced with breakfast. The meeting featured productive discussions on key upcoming initiatives, including preparations for GOV and planning for RYLA. A significant highlight was the board's approval to induct two new members, **Mr. Vinoth** and **Mr. Deepak**, further strengthening the club's fellowship.

The President **Rtn. Dr. Ashok** was ceremonially collared by our Club Sergeant-at-Arms, **Rtn. G. Saravanan**, marking the formal commencement of the proceedings.

The minutes of the meeting were subsequently shared by Club Secretary **Rtn. Shivanram** on 11th March via the RCR official WhatsApp group, ensuring all members remained informed and aligned.

Women's day celebration

Women are precious—cherished, admired, and celebrated for all the right reasons, not just on one day, but every single day. On March 21, 2026, the Rotary Club of Royapettah brought this spirit alive through a vibrant and memorable Women's Day celebration that was both entertaining and deeply fulfilling.

The evening was a beautiful blend of joy, laughter, talent, and togetherness. With lively decorations, music filling the air, and an infectious energy all around, the venue came alive as the incredible women of the Rotary Club of Royapettah took center stage and truly rocked it with their amazing talents.

The event was thoughtfully organized, and special thanks go to Ann Radhika and Ant President Ojesvi for their wonderful efforts. From personally inviting all Anns and Ants to engaging everyone with fun riddles and tongue twisters, they ensured the celebration was interactive and lively.

The event was thoughtfully organized, and special thanks go to Ann Radhika and Ant President Ojesvi for their wonderful efforts. From personally inviting all Anns and Ants to engaging everyone with fun riddles and tongue twisters, they ensured the celebration was interactive and lively.

A warm welcome was extended by Rtn Shashi, who created a happy and inviting atmosphere by greeting every woman with a badge and chocolates. Ant Valli kept the energy flowing with her wonderful on-the-spot compering, ensuring the program moved seamlessly.

The evening was enriched with a variety of performances. Ant Arvind gave a pleasant musical treat with his guitar, while Ann Niranchana got everyone on their feet with simple and joyful dance moves. Ann Sailaja touched hearts with her beautiful “kavithai” and added a fun twist by encouraging all the men to sing a song dedicated to their wives.

President Rtn Ashok added to the charm of the evening with his enthusiasm and thoughtful arrangements, especially the delightful spread of food. And indeed, what is a celebration without food? Guests were treated to an array of delicious starters, a sumptuous main course, delightful desserts, and, of course, ice cream—making the evening a complete feast.

Capturing all these beautiful moments was Ant Manas with his photography. Rtn Ramya delighted everyone with her delicious payasam, soulful singing, and joyous dance. Ant Samritha added to the charm with her lovely dance and sweet singing performance.

Every moment of the evening reflected the spirit of celebration, appreciation, and togetherness. Laughter echoed, talents shone, and bonds grew stronger. In conclusion, it was truly a great time filled with great food and amazing talent. The women of the Rotary Club of Royapettah proved once again that they are versatile, vibrant, and full of unique talents. Watching them in action was nothing short of a feast for the heart.
