Dear RCMT Family,

Warm greetings to each one of you.

As we welcome the spirit of festivity and patriotism, I extend my heartfelt wishes for a joyous Pongal and a proud celebration of our nation's 76th Republic Day. This season reminds us of the strength in unity, the power of service, and the joy of giving.

A Month of Milestones and Celebrations

January has been a remarkable month, filled with impactful achievements and cherished moments that define our club's unwavering spirit.

Rtn. Narendra Srisimal

Our signature fundraising event, the 15th L&T Rotary Golf Scramble Tournament, held in memory of Rtn. Raja Ramachandran was a phenomenal success. For the first time, we witnessed a record 96 participants—a true testament to the dedication and hard work of our Golf Committee, led by Rtn. PP Jacob Rajkumar and his stellar team. Their meticulous planning and passion ensured a spectacular event, setting a new benchmark for the years to come. Kudos to the entire team!

Our Pongal celebrations were nothing short of magnificent! The highlight of the evening was a riveting Pattimandram (debate competition), brilliantly moderated and judged by Rtn. PDG Issak Nazer. The thought-provoking arguments, humor, and energy made it an intellectually enriching and thoroughly entertaining experience for all.

A special acknowledgment to our Youth Services Director, Dr. Mahalakshmi, for her exceptional leadership and unwavering dedication. Under her guidance, our Annette Club spearheaded three impactful community service projects—donating wheelchairs, clothing, and essential amenities to children and underserved communities. These compassionate initiatives truly embodied the Rotary spirit of "Service Above Self."

RCMT Shines at the District Awards!

We are incredibly proud to share that RCMT once again made history at the District Awards, securing 10 prestigious awards across multiple categories! This remarkable achievement is a reflection of our collective passion, relentless efforts, and commitment to excellence. Let this victory serve as motivation to continue pushing boundaries and setting new benchmarks in service and leadership.

A New Dawn for Our Blood Bank Project

Another significant milestone this month was the receipt of our Global Grant funds, marking the final step toward the inauguration of our much-anticipated Blood Bank project. This initiative will be a beacon of hope, saving countless lives and reinforcing our mission to serve humanity with compassion and dedication.

Looking Ahead

As we forge ahead, let us remain united in purpose, steadfast in service, and passionate in our pursuit of making a difference. With your unwavering support, RCMT will continue to soar to greater heights, leaving a lasting legacy of impact and inspiration.

"The best way to find yourself is to lose yourself in the service of others." – Mahatma Gandhi

Warm regards,

Rtn. Narendra Srisimal

FLASH FROM THE PAST

Valentine's day at RCMT February 2018

President Rtn. Perikaruppan

RCMT MEMBER

The Smiles that Melted my Heart

Vocation is nothing but a symphony of passion, skill, ability to develop proficiency in a particular area with appropriate education and training.

As Rotarians, we hold a dual responsibility of representing our occupations within our club and exemplifying the ideals of Rotary in our professional work / workplaces. In Rotary we have 5 avenues of service and one of them is Vocational service. It is one of the strong pillars of Rotary as we not only hold high ethical standards in our professional lives, but we also recognize the value of all occupations, above all we lend our time and professional skills in service to the community. The month of January is recognized as the Vocational Service month by Rotary International. Rotary as an organization has beautifully incorporated the entire essence of life in the ideology.

1. Club service
2. Vocational service
3. Community service
4. International service
5. New Gen./Youth service

Well, Vocational service is considered to be the life line of the Community as a whole. Though I have never had the chance of serving as a director in this particular Avenue, I have had a few golden opportunities to oversee some beautiful projects. When I rekindle my memory the first thing I recollect is the Mega Job fair that we conducted during Rtn. Perikaruppan's Presidentship in 2017-18. We had a bereavement in the family, despite which we conducted the Job fair on December 31st which was attended by an overwhelming number of over 600 candidates out of which almost 275 got placed in reasonably good jobs. The smile on the faces of these youngsters is all we can remember till date. They thanked us profusely for their New Year Gift. I should say that this was definitely an eye opener which energized us to do more. This was when we realized that we can create an impact on the society if we can reach the youngsters. Youth service and Vocational service go hand in hand. Again when we did RYLA for the first time without much expectation, the happiness on the faces of the children, the tears of joy left us as satisfied souls. This eventually led us to concentrate not only on the under privileged youth, but the privileged ones as well. Our aim was to improve the horizon of the youth through different programs such as career guidance, Diploma courses, soft skills training, team building through events like RYLA, starting organizations like Interact and Rotaract clubs. But it was then that I realized that by doing such programs I became more knowledgeable, understanding, confident, my friends and contacts increased, my organization skills and communication skills were sharpened. I was able to work as a team— In a nutshell "I saw a better me". The smiles I saw only acted as the driving force to continue to put smiles on as many faces as possible. "Opportunities don't happen often, but Rotary creates them".

Regards

PP Rtn. Meenakshi Perikaruppan.
