From the President's Desk

Dear Friends,

As I pen this note for our magazine, I feel both gratitude and joy at the way our Rotary journey has unfolded in this second month of my presidency. August has been **Rotary's Membership Development Month**, and I am delighted that we have truly lived up to its spirit.

We welcomed fresh energy into our fold by installing a new **Community Rotaract Club** and a new Interact Club, thereby bringing many young hearts and minds closer to Rotary. The Installation Ceremony of the **Rotaract Club of Vivekananda College** was another proud moment, adding strength to our future leaders.

Our speaker meetings were diverse and enriching — one with the multi-faceted **Mr. Gangai Amaran**, and the other, a delightful theatre experience, **"Lights On"** by Shri Y.Gee. Mahendra. Both brought art and culture into our Rotary calendar. Another proud moment was conferring the Lifetime Achievement **Award to Major General Indrabalan**, recognizing a life devoted to service and the nation.

On the service front, **Project Akshayam** – 365 Annadanam has already completed 62 days of continuous annadanam, nourishing lives every single day. We also celebrated **Independence Day at Kannamapet Government School**, and touched young lives by distributing books and toys at the **Centre of Excellence for Autism**, while a pre-vocational kit was donated to Ekadaksha Center for neurodivergent children.

This month we had done 8 Eye camps in and around Chennai and one health camp at BRS hospital.

Additionally, we sponsored the higher education of a deserving college student, fulfilling Rotary's mission to empower through education.

One of the most memorable highlights of this month was the **Presidential Hi-Tea with RI President Francesco Arezzo**. To be honored by him was indeed a privilege.

I also had the opportunity to attend the **Lead 25 Conclave**, gaining insights and inspiration for our club's growth.

Adding a touch of nostalgia, the first retro-themed President's Meet was conducted in style and spirit, further strengthening the unique bond of the United Co-Presidents.

As I look back, I can only say it has been a truly fulfilling Rotary month — filled with service, fellowship, and new beginnings. Together, let us continue to build on this momentum and carry forward the ideals of Rotary with enthusiasm and unity.

Yours in Rotary,
Dr. Pravin Tellakula

Editor's Desk

August is Membership and Club Development Month—a time to appreciate our members, celebrate their dedication to the club, and recognize the impact they have made.

PP Rtn. Shyam Kumar joined RCMT in 2017. Though he was a new Rotarian, he went on to serve as President of RCMT in 2020-21, leading the club with remarkable skill during the challenging Covid pandemic.

His journey was a testament to the fact that, when given an opportunity, even a new member can create magic.

Warm regards,
Rtn. Shanthala Sathya

RCMT Member

It was indeed a profound gesture by the RCMT family to entrust me with the responsibility of serving as President during T20 — a period that defied the challenges of the pandemic and the uncertainty of human existence.

Undaunted, Team T20 led by Rtn. Shyammkumar instilled hope through virtual connections, while successfully executing signature projects and honoring medical professionals with salient awards. At the same time, we reached out to **COVID warriors** — police personnel, environmental service workers, and patients — with courage, care, and adherence to preventive protocols.

Our initiatives included providing **6.5 tons of rice** to a multi-speciality hospital, distributing protective glasses to police personnel, and supplying provisions to frontline

workers. Alongside, we continued with inspiring virtual speaker sessions, and later celebrated a resounding comeback with a memorable celebrity-led physical meeting.

All of this was made possible by the unwavering support of RCMT senior officials and the enterprising empathy of our Anns and Annettes.

I owe my deepest gratitude to Rtn. Dr. Madhusudan Secretary, who, despite his demanding duty of attending to patients, dedicated additional hours each day to meticulously execute every aspect of RCMT's legacy with extraordinary commitment.

My heartfelt thanks also extend to Team T20 and our Trustees — together we truly lived the motto, "Service Above Self."

Warm regards

3rd Speaker Meeting

Speaker: Shri Gangai Amaran

The 3rd Speaker Meeting turned out to be a truly mesmerizing musical evening, held at GRT Grand Hotel on 14th August. It was an evening filled with music, humour, and heartfelt stories, where members sat back and enjoyed every moment with our esteemed **Chief Guest, Shri Gangai Amaran**.

With his trademark wit and charm, Shri Amaran took us on a delightful journey through his inspiring life — from his humble beginnings in a small village to rising as a stalwart in the music industry, alongside his legendary brother, Maestro Illayaraja. His soulful singing, interwoven with anecdotes, left the audience enthralled and deeply moved.

In recognition of his immense contributions to music and art, we had the privilege of honouring him with the **“Nava Kalai Gnani Award”**.

This memorable evening was made possible through the efforts of many:

Rtn. Dr. Ganapathi for graciously bringing the speaker.

A filmy and poetic introduction by **Rtn. Valle Kannu**, which set the tone beautifully.

The citation written by **Ann. Srividya** & meticulously crafted by **Pp. Rtn. Ravi Venkatraman** and gracefully read by **Pp. Rtn. Shyam Kumar**, adding dignity to the occasion.

Pp Rtn. TS. Narayanswamy presented a caricature of the speaker.

The evening's proceedings were seamlessly steered by our Emcees, **Rtn. Ravi** and **Ann. Asha Ravi**.

The sumptuous dinner was managed with great care by **Ann. Swarnalatha**.

A heartfelt Vote of Thanks was delivered with grace and warmth by **Ann. Priya Prasad**, leaving us all with a sense of gratitude and joy.

Indeed, it was not just an event, but a celebration of music, memories, and fellowship. The evening will remain etched in our hearts for a long time to come.

Lights On, A Crime Thriller Play

4th Speaker Meeting

The engaging crime-thriller *Lights On*, directed by **Y.G. Mahendra**, was staged at Vani Mahal on 30th August.

The play masterfully blended comedy with suspense, keeping the audience both laughing and on the edge of their seats. Its witty dialogues and gripping storyline ensured an entertaining experience throughout the performance.

Renowned **film music director Theva** graced the occasion as the Chief Guest.

YG Mahendra, Maduvanthi and Theva were honoured with bouquets and gifts. **PDG CR. Raju**, along with our members, thoroughly enjoyed the show.

Following the play, members of RCMT and the drama crew came together for a delightful dinner arranged by RCMT.

RCMT sincerely acknowledges **Pp Rtn. Ravi Venkatraman** and **Rtn. Dr. Ganapathi** for their dedicated efforts in making this memorable event possible.

365 Days of Annadhanam

The core purpose of this initiative is to provide nourishment to those in need, recognizing that food is a basic necessity for life.

As part of this project, RCMT members contribute generously on occasions such as birthdays, anniversaries, in remembrance of loved ones, and through acts of charity by supporting orphanages and old-age homes.

We are grateful to **Pettukola Poornavalli Thayaramma Trust** for their valuable support, and we acknowledge the dedicated efforts of **Rtn. Balasubramaniam** and **Rtn. Anand Sampath**, who spearhead the organization of this noble cause.

“Happiness grows, where Hope lives.”

A Heartwarming Visit to the **Centre of Excellence for Autism.**

We had the privilege of donating toys to the ***Centre of Excellence for Autism*** in K.K. Nagar. What we experienced there was something that words can only partly capture.

From the moment we stepped in, the vibrant interiors and welcoming atmosphere spoke of care, dedication, and hope. The therapy rooms were alive with warmth, and the therapists radiated compassion and encouragement.

Dr. Rema Chandramohan, Deputy CEO, graciously guided us through the facility, showing us the specialized therapy spaces — for hearing, speech, IQ development, and the sensory room — each designed with the utmost thought and care.

One moment that deeply touched us was watching a child receive a toy as a reward for achieving a milestone. That simple gesture carried so much meaning — it was a celebration of progress, no matter how small. Perhaps the most heartwarming sight of all was the smile on a parent’s face, a silent yet powerful reflection of hope and pride.

RCMT acknowledges the efforts of **Ann. Rathna Krishnan** for her efforts in identifying these Projects.

Ekadaksha

Nestled in a quiet by-lane of R.A. Puram is **Ekadaksha**, a remarkable school for **neurodivergent students** that creates magic every single day.

We had the privilege of witnessing a heartwarming demonstration of their Pre-Vocational Kit in action — an experience that was both moving and insightful. The children enthusiastically learned to identify and operate various appliances that had been donated, showcasing their growing skills and confidence.

Kudos to the dedicated teachers and spirited students for their incredible efforts! It was truly a morning well spent.

This meaningful project was generously sponsored by **Anns Mamta** and **Rathna**.

“Educational Empowerment”

The college fees of Mr. Kumaresh G, who aspires to pursue his engineering course at Sai Ram Engineering College, West Tambaram, Chennai, were supported through this initiative.

An amount of ₹75,000/- was paid directly to Sai Ram Engineering College by PP Rtn. Pankaj Dhavey.

RCMT acknowledges this noble gesture.

Project with RCC Kannamapet Corporation School

Hoisting our National Flag is not just a tradition — it is a tribute to the spirit of our great Nation. Saluting it fills every heart with pride, and we wish for every child's heart to beat with the same patriotic fervor.

As is the tradition at **RCMT**, on 15th August 2025, the National Flag was hoisted at **Kannamapet Government School**. On this occasion, books and stationery were distributed to the students, and the dedicated teachers — who worked tirelessly to ensure a 100% pass rate — were honored.

RCMT's association with this school, spanning over 30+ years, was warmly recognized and appreciated by the **teachers**.

The program was well attended by the President, Secretary, and members of RCMT, adding to the pride and significance of the celebrations.

Proud to have **IPDG Mahaveer Bothra from RCMT leading the Rotary sticker movement!"**

With a simple yet powerful idea, IPDG Mahaveer Bothra has turned mobile phones into mini Rotary billboards. He took the initiative to place gold-colored Rotary logo stickers on the back of mobile phones belonging to Rotarians and friends, ensuring the emblem is visible whenever the phone is in hand or pocket.

So far, he has placed stickers on over one lakh mobile phones, including that of RI President Francesco Arezzo.

When asked about the inspiration behind this movement, he shares:

"Join the sticky revolution! Grab some stickers and start spreading the Rotary love. Remember, a sticker a day keeps indifference away. Together, we can make the world a better place—one phone back at a time!"

We are proud and honored that IPDG Mahaveer Bothra belongs to RCMT.
