Dear Aarch Citians,

As we conclude the second quarter of **Magic Year 2024-25**, I am immensely proud of the dedication and passion shown by our Rotary family. This quarter has been a true testament to service, leadership, and impactful community engagement.

We successfully conducted multiple medical camps, educational assistance programs, and vocational excellence initiatives. A major milestone was our **Mega Medical Camp** in collaboration with **Aaru Naattu Vellalar Sangam**, benefiting over **210** individuals with free check-ups and specialist consultations. Our consistent monthly support to **Jeevodaya Cancer Care** and **Sai Illam Food Distribution** continued to provide essential resources to those in need.

In education, we supported **RYLA** for Interact students of **Sevasadan** and **Sethubhaskara Schools**, training young minds in leadership and personal development. Our contribution towards **ICH - Solar Digital Blue Urodynamic System with EMG** at **Egmore Children's Hospital** (worth **₹28.81 lakh**) was another proud moment, ensuring better maternal and child healthcare facilities.

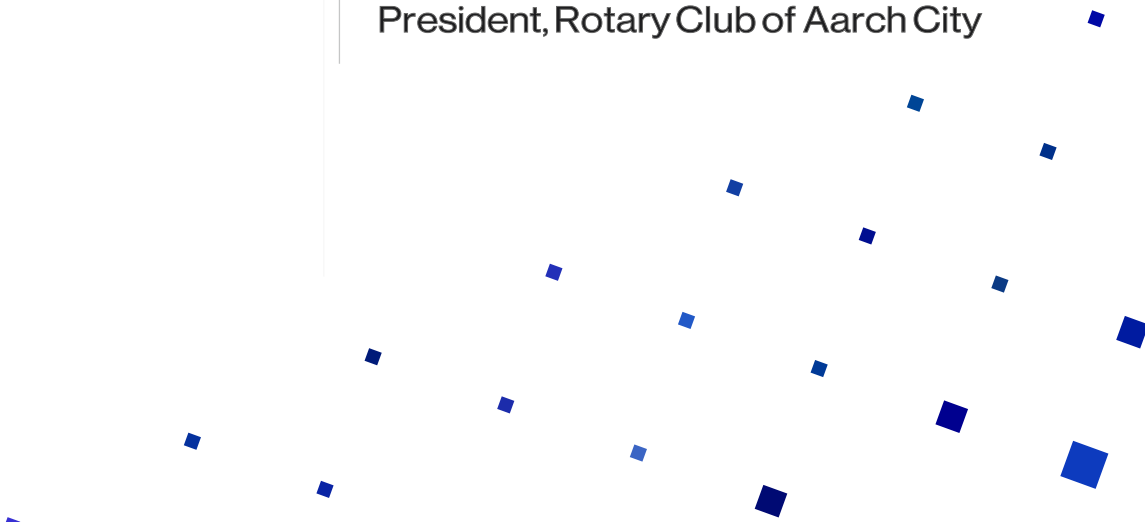

We also took the lead in international fellowship with the **Rotary Friendship Exchange** with **RC Quincy City** and honored vocational excellence by presenting the **Rotary Excellence Award** to actor **Shri Bobby Simha**.

This quarter also marked a special achievement for our club – winning eight prestigious awards at the **District 3233 Awards Ceremony**, recognizing our impact and leadership.

Looking ahead, our top priority for Q3 is to ensure the grand success of the upcoming **District Conference**, where our **Past President Rtn. Venkatesan** serves as the **Conference Chair**, and our club will be the **lead support club**. Additionally, we have written two **Global Grants** – one for providing **25 smart boards** for five schools and another to procure an **ultrasound scanner** for vascular disease treatment at **Stanley Government Hospital**. I urge all members to extend their fullest support in making these projects a reality.

With a strong foundation and unwavering commitment, let us continue our journey of service and fellowship.

Yours in Rotary,
Rtn. Vinoth Sundar
