Rotarians in Action: Empowering the Future

RCAM supports the installation of new Rotaract leaders at Anna Adarsh College for Women

“Our Rotaractors at Anna Adarsh College for Women organized the event very well – it was a wonderful experience. I would like to thank our Past Presidents Rtn.Ramasubramanian and Rtn. Radhika Ramkumar, Immediate Past President Rtn. Aravindan, Environment Chair Ann Rupamalini, Youth Service Director Rtn. Balasundaram, Rtn. Dr. Murugavel, and Rtn. Vikramkrishna for joining this remarkable ceremony.”

- P. Nandakumar (RCAM President)

A Swiss Chapter

Special feature by Rtn. Pres. Nandakumar and Nisha Singaravel

In August, a delegation of 53 Rotarians undertook a memorable fellowship and cultural tour across Switzerland and Germany. The journey blended breathtaking scenery, adventure, and international Rotary camaraderie. Enjoy this diary of their experience...

Day 1 – Arrival in Geneva

The Rotarians arrived in Geneva around 3:00 PM, marking the beginning of their international tour. They settled in and prepared for the exciting days ahead.

Day 2 – Geneva to Montreux

The day commenced with sightseeing in Geneva, covering iconic landmarks including the Broken Chair, the impressive Jet d'Eau fountain, and the United Nations Office (UNOG). The group then made a nostalgic stop at the DDLJ filming spot, Saanen's Bridge, before soaking in the alpine beauty of Gstaad. The day wrapped up at the lovely Fork of Vevey and the lakeside town of Montreux.

A significant highlight of the day was a Rotary meeting at Höhematte Park, where members participated in a flag exchange ceremony, strengthening international fellowship and friendship among clubs.

Day 3 – From the Alps to the Capital

The morning featured a visit to Harder Kulm, offering panoramic views of the Swiss Alps. The group then explored the Interlaken city center, experiencing its vibrant charm and scenic beauty, before proceeding to Bern, the Swiss capital.

Day 4 – Paragliding and Jungfrauoch Adventure

The morning began on a high – literally! Many Rotarians experienced the excitement of paragliding and enjoyed the most breathtaking views. This was one of the trip's biggest highlights.

The group as a whole traveled to the Jungfrauoch – Top of Europe (3,454 meters), explored the Ice Palace, and enjoyed the modern Eiger Express ride – surrounded by the stunning Swiss Alps.

Day 5 – Mount Titlis & Lucerne

The group ascended to Mount Titlis, where they experienced the exhilarating Ice Flyer chairlift ride, offering spectacular views of snow-covered landscapes. The journey continued to Lucerne, where members visited the historic Kapellbrücke (Chapel Bridge), Europe's oldest covered wooden bridge.

Day 6 – Rhine Falls, Black Forest & Zurich

The tour continued with a visit to the majestic Rhine Falls, followed by an excursion to Drubba at Lake Titisee in Germany's famous Black Forest region. The day concluded in Zurich, Switzerland's vibrant financial and cultural hub.

Day 7 – Heading Home

All too soon, it was time to say goodbye. The delegation bid farewell to Switzerland, traveling from Zurich to Geneva before boarding their return flight home, carrying with them cherished memories of fellowship, adventure, and cultural exchange.

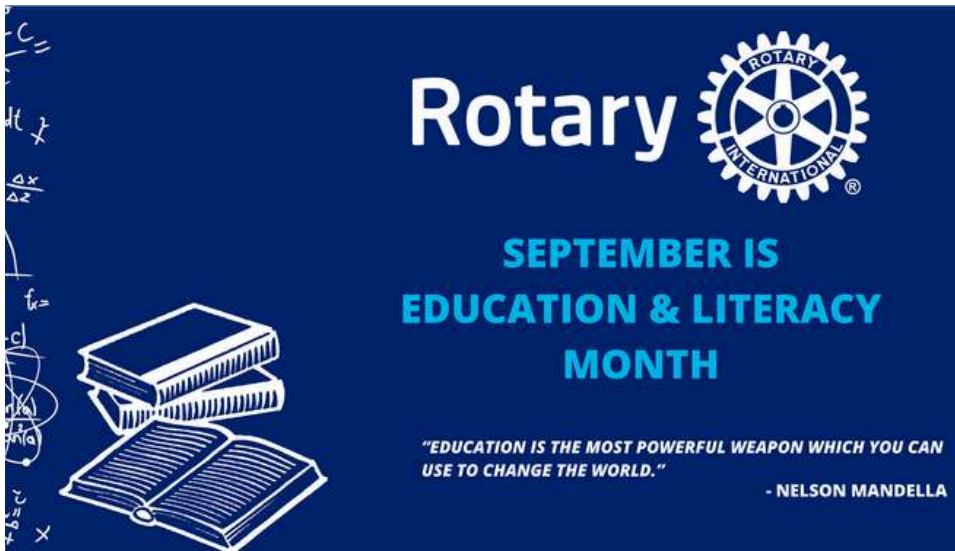

Peace is not simply the absence of war. True peace exists when all people on our planet can live with a genuine sense of happiness and joy, free from fear and anxiety caused by the threat of nuclear weapons, hunger, poverty and discrimination.

Service Project BEST PRACTICE

Avoid going into a community or school with an idea of what's needed. It's easy to look around and decide what you think a community needs, especially if you live in it or near it. Instead, listen to a variety of community stakeholders and hear their needs and concerns directly.

-Basic Education and Literacy Project Strategies (RI document 618en)
