

## Report on the Official Visit of District Governor (2025-26)

The Rotary Club marked a significant milestone on the **24th of February 2026**, with the official visit of **District Governor (DG) Rtn. Kameshwar Singh Elangbam**. The visit was a professional and celebratory occasion, beginning at **6:15 PM** when the DG, accompanied by **Assistant Governor (AG) Rtn. Sudipta Acharya**, arrived at the club venue. They were greeted with a warm and traditional reception by the club's leadership, including **President Rtn. Joygopal Dutta**, **Secretary Rtn. Sandip Chattopadhyay**, **Treasurer Rtn. Shyam Sundar Somani**, and **President Elect Rtn. Tanuka Das**.

The proceedings officially commenced at **6:30 PM** with a closed-door meeting between the District Governor and the club's core officials. During this session, DG Rtn. Kameshwar Singh Elangbam meticulously reviewed the club's official documents and administrative formalities. He expressed his sincere satisfaction and happiness with the club's adherence to stipulated Rotary protocols. However, a key takeaway from the discussion was the shared opinion of both the DG and AG regarding the club's public image. While they highly commended the club for its "wonderful projects," they emphasized a need for greater publicity. They advised the leadership to focus on showcasing these achievements more prominently within the local community and throughout the broader Rotary network.

Following the private audit, a **Club Assembly** was held. This segment allowed for a formal introduction of the Board Members to the District Governor. Each board member took the opportunity to elaborate on the various activities and service projects undertaken during the current year, while also outlining their vision for future initiatives.

The evening then transitioned into a vibrant **General Meeting**, attended by 17 club members, 5 Anns, and a representative from Rotaract. The atmosphere was one of high spirits as the club celebrated two major milestones. First, the assembly commemorated the **121st Anniversary of Rotary International's Birth** with great fanfare. Second, the date coincided with the marriage anniversary of **PDG Rtn. Ashok Agrawal and Ann. Rama Agarwal**, which was celebrated with warmth and fellowship.

The meeting, conducted smoothly by **Rtn. Banatanwi Dasmohapatra**, reached its peak with a powerfully inspiring concluding speech by the District Governor. His words served as a call to action for the members to continue their dedicated service. After a formal vote of thanks delivered by **Rtn. Ganesh Chandra Mondal**, the meeting was adjourned at **8:30 PM**. The evening concluded on a high note with a family dinner generously sponsored by **President Rtn. Joygopal Dutta**.
