

GUM BOOT DISTRIBUTION PROJECT

We distributed gum boots among the 30 farmers as of Gangarampur, Kultikuri & Indus on community sharing basis as a preventive measure to avoid death causing by poisonous snake bites during harvesting time. It is a joint project of RC Tagoreland with Rc Bolpur Santiniketan, Rc Rangamati. At least 100 farmers will be directly benefitted. The approximate project cost is RS.18000/-. Five Rotarians spent 20 rotary hours to accomplish the project.
