

FROM THE EDITOR DESK..

On 12th July 2025 Ratnadal and Surojit changed Collier with Vaibhav and Siddharth as President and Secretary for the Rotary year 2025-2026 in a glittering function attended by none other than PRID Dr. Rtn. Manoj Desai. Good work done by Vaibhav and his team was recognised and the Installation ceremony was marked by motivational speeches, wonderful fellowship and good food. After the initial euphoria settles down the new team is all set to pursue the mission and vision set by RI President for the year 2025-26.

The theme for the new Rotary Year is "Unite for Good". This means by utilising the power of human connection, we should welcome new members, collaborate in service projects and make global impact. These themes will be the cornerstone of all Rotary activities in the coming days. On the day of Installation ceremony four new energetic members have been inducted in our club. They are definitely going to be the asset of our club in the coming days.

Our club has done a mega Health Camp in collaboration at NEZONE FOOD INDUSTRIES. In Rotary Calendar Month of July is designated as Maternal and Child Health Care month. Rotary Club of Tezpur has launched Project Annapurna in July month with an aim to feed hungry children once in a month. Our club has started making small steps in tune with our avowed goal. I am sure these steps will be giant as the year progresses.
Long Live Rotary
