President Speak...

Dear Fellow Rotarians,

As we embark on a new Rotary year, I am filled with optimism and enthusiasm for the opportunities that lie ahead. The unwavering dedication and commitment that each of you brings to our Rotary Club of Polo City, Imphal, is truly inspiring, and it is through this collective strength that we continue to make a profound impact on our community and beyond. This year, our focus will be on growth—both in our service projects and in our membership. The theme for this year is "Expanding Our Reach and Strengthening Our Bonds," which aligns with Rotary's core mission of fostering fellowship, promoting humanitarian service, and advancing goodwill around the world. Yearly Plan and Objectives: Our primary goal this year is to broaden our impact by taking on ambitious projects that address pressing community needs while also emphasizing sustainability and long-term benefits. We will continue our work in critical areas such as health, education, environmental sustainability, and economic development, ensuring that our efforts not only bring immediate relief but also pave the way for lasting change. Promoting Rotary and Our Vision: To amplify our reach, we must actively promote Rotary's values and the incredible work we do. This year, we will focus on increasing our visibility within the community by leveraging media, social platforms, and community events. By showcasing our projects and the tangible difference they make, we can inspire others to join our cause and support our initiatives. Retaining and Creating New Members: Our strength as a club lies in our members—each of you brings unique talents, perspectives, and passions that enrich our Rotary family. This year, we will prioritize member retention by fostering a welcoming and inclusive environment. Equally important is the growth of our membership. We will actively seek out individuals who share our values and are eager to contribute to our mission. By reaching out to potential members through targeted recruitment drives, personal invitations, and showcasing our work, we will grow our ranks and infuse new energy into our club. Call to Action: As we move forward together, let us keep in mind that our work is not just about the actions we take today, but about building a legacy of service that will inspire future generations. Every new project we undertake, every new member we welcome, strengthens the fabric of our club and expands our capacity to do good in the world. I am confident that, with your continued passion and dedication, we will make this year a landmark one for the Rotary Club of Polo City, Imphal. Let us commit to making a difference, not just for today, but for the future, and set a standard of excellence that others will follow. Thank you for being an integral part of this journey. Together, we will achieve great things.

Yours in Rotary,

Rtn. Dr. Rajkumar Ratankumar Singh
President, Rotary Club of Polo City, Imphal.

Editorial.....

Dear Rotarians and Friends,

As we step into the heart of summer, July brings with it not only the warmth of the season but also an opportunity to reflect on our achievements and set new goals for the months ahead. This is a time to celebrate our successes, acknowledge our challenges, and recommit to the values that define our Rotary Club of Polo City Imphal.

One of our most notable projects this month is the launch of our Environmental Awareness Campaign. With the increasing impact of climate change, it is crucial that we educate our community about the importance of environmental conservation. From tree planting drives to clean-up campaigns, we are taking concrete steps to ensure a greener, healthier future for Polo City Imphal.

Additionally, we also worked in the flood-affected areas and has been providing immediate relief and support to those who are impacted.

Our success is a testament to the hard work and dedication of every member of our club. I am continually inspired by your passion and commitment to service. Whether you are a long-standing member or a new face in our Rotary family, your contributions are invaluable.

As we look forward to the second half of the year, let us remain focused on our mission. Let us continue to work together with the same spirit of camaraderie and dedication that has brought us this far. Remember, every small act of kindness and every hour of service adds up to a significant impact.

Thank you for your unwavering support and enthusiasm. Let us make this month a beacon of hope and progress for our community.

Warm regards,

Rtn.Sanglakpam Preshyojit Sharma
