## Presidents' Speak .....!

Dear Fellow Rotarians,

As we embark on another month of service and fellowship, I am filled with pride and gratitude for the dedication and commitment each one of us brings to our **Rotary Club of Polo City, Imphal**. Our collective efforts continue to make a significant impact on our community, and it is through your unwavering support that we achieve our goals.

This month, we focus on the theme of "**Environment**." The importance of environmental sustainability cannot be overstated. Our actions today will determine the quality of life for future generations, and as **Rotarians**, we have a responsibility to lead by example.

July has been a month of significant environmental action, focusing on two major projects: assisting flood-affected areas and implementing a tree plantation program.

**Flood Relief Efforts:** Our work in the flood-affected areas has been critical in providing immediate relief and support to those impacted. Through our efforts, we have been able to deliver essential supplies and help with rehabilitation measures. The resilience and solidarity displayed during these challenging times have been truly inspiring.

**Tree Plantation Program:** Our tree plantation drive at **DEB Eco Garden, Patsoi, Imphal West**, scheduled for the **28th of July**, aims to enhance our local environment and contribute to the global fight against climate change. This initiative aligns perfectly with **Rotary's focus on environmental sustainability**. We were encouraged by the active participation of our members in this event, as planting trees is one of the most effective ways to combat environmental degradation and promote a healthier ecosystem.

As we continue these projects, let us remember that our efforts are not just about immediate impact but also about creating lasting change. Every tree we have planted and every person we have helped contributes to a brighter, more sustainable future.

Thank you for your steadfast commitment and for being a part of this remarkable journey. Let us make the coming month a memorable one by contributing to the well-being of our society and setting an example for others to follow.

**Yours' in Rotary Rtn. Elangbam Sovid  
 Singh President (2024-25)  
 Rotary Club of Polo City

## Editorial .....!

Dear Rotarians and Friends,

As we step into the heart of summer, July brings with it not only the warmth of the season but also an opportunity to reflect on our achievements and set new goals for the months ahead. This is a time to celebrate our successes, acknowledge our challenges, and recommit to the values that define our **Rotary Club of Polo City Imphal**.

One of our most notable projects this month is the launch of our **Environmental Awareness Campaign**. With the increasing impact of climate change, it is crucial that we educate our community about the importance of environmental conservation. From tree planting drives to clean-up campaigns, we are taking concrete steps to ensure a greener, healthier future for **Polo City Imphal**.

Additionally, we also worked in the flood-affected areas and has been providing immediate relief and support to those who are impacted.

Our success is a testament to the hard work and dedication of every member of our club. I am continually inspired by your passion and commitment to service. Whether you are a long-standing member or a new face in our **Rotary family**, your contributions are invaluable.

As we look forward to the second half of the year, let us remain focused on our mission. Let us continue to work together with the same spirit of camaraderie and dedication that has brought us this far. Remember, every small act of kindness and every hour of service adds up to a significant impact.

Thank you for your unwavering support and enthusiasm. Let us make this month a beacon of hope and progress for our community.

**Warm regards,  
 Rtn.Dr. Rajkumar Ratankumar Singh

**Rotary Club Board of Directors sworn in**

CHRONICLE NEWS SERVICE

IMPHAL: The swearing in ceremony of the new Board of Directors of Rotary Club of Polo City Imphal under Rotary International District 3240 for the term 2024-25, was held at Classic Grande, Chingmeirong, on Saturday.

Speaking at the event, works minister Govindas Konthoujam noted that voluntary assistance and sacrifices made by all concerned not only help the poor and are in need but also foster unity among us all as such spirit of selflessness contribute to our collective development.

Noting that voluntary efforts of the Rotary Club are particularly commendable, he opined that a society of equals can only be achieved when all help one another by putting aside our self-centric motives.

**Tributes paid to Tupul landslide victims**

Manuville: Assam tribes conducted a security coordination meeting at Colaba village, Churachandpur district on Sunday with 44 village chiefs to address on-going violence and enhance security measures.

The meeting emphasised community involvement in maintaining peace and law and order, and continuous support. The village chiefs were also encouraged to cooperate closely with the security forces. The inter-

action fostered trust and understanding, with local leaders providing suggestions to improve security.
