## President Speak...

### President's Message

Rotary Club of Polo City Imphal  
Polo Bulletin October

Dear Fellow Rotarians,

It gives me great pleasure to reflect upon the accomplishments and activities undertaken by our club during the month of October. This month has been marked by enthusiasm, teamwork, and meaningful service, demonstrating our club's unwavering commitment to Rotary's ideals and community welfare.

We successfully executed the planned projects for the month, with the exception of one impactful youth-centric programme, which had to be cancelled due to an unexpected Government event scheduled on the same day. While unfortunate, the strength of our planning and spirit remains undiminished, and we look forward to conducting similar initiatives in the future.

The Interact Club of St. Anthony's carried out a commendable programme with active participation from the Principal, Interactors, and their parents. Their engagement and energy reflect the bright future of Rotary and our shared mission to nurture young leaders.

In observance of World Polio Day, our club along with RC Imphal organized a Cycle Rally from Western Kangla Gate to Rotary Bhawan, Mantripukhri. The enthusiastic participation of our members showcased our collective resolve to support Rotary International's mission to eradicate polio and spread awareness among the public.

A significant highlight of the month was the Official Visit of our District Governor, Rtn. Dr. Kameswar Elangbam. The wholehearted involvement of our members made the visit both meaningful and memorable. Your dedication and participation exemplified true Rotary spirit and the values we uphold as a club.

As part of the District Governor's itinerary, a visit was made to the Spastic Society, Imphal, an institution dedicated to the care and empowerment of children with cerebral palsy and other developmental challenges. Our club was privileged to extend a contribution in support of their noble cause.

I would also like to extend sincere appreciation to those members who, despite being away or unable to attend due to personal commitments, conveyed their encouragement and support. Your goodwill and solidarity continue to strengthen our club beyond physical presence.

Let us continue to uphold the Rotary motto of Service Above Self with renewed enthusiasm and dedication in the coming months. Together, we shall strive towards impactful service and meaningful community engagement.

Warm regards,  
Rtn Dr RK Ratankumar Singh  
President  
Rotary Club of Polo City Imphal

## Editorial.....

Dear Rotarians and Friends,

As we begin another Rotary year, I am reminded that every new chapter is an opportunity to serve with deeper purpose and greater passion. Rotary is not only about the projects we carry out, but also about the values we uphold — compassion, fellowship, and service above self.

The past year was filled with meaningful milestones. From honoring outstanding teachers with the Nation Builder Award to organizing a successful Blood Donation Camp with wholehearted participation, our club demonstrated how unity and dedication can bring lasting impact to the community. These initiatives reflected not only our commitment but also our shared vision of building a better tomorrow.

This year, we must carry forward that momentum with renewed energy. Our editorial vision is simple yet powerful:

To highlight service with impact — ensuring our efforts truly reach those in need.

To inspire participation — encouraging more members, spouses, and youth to be active changemakers.

To strengthen fellowship — nurturing the bonds that make Rotary not just an organization, but a family.

To document and share our journey — so that our stories of service continue to inspire others.

As Vice President and Editor, I see my role as both a witness and a messenger of our collective journey. Through this bulletin and every communication, I aim to reflect not only what we do, but why we do it — because behind every project lies a story of humanity and hope.

Friends, let us remember: service begins with one act, one thought, one decision to make a difference. Together, as Rotarians of Polo City Imphal, we can continue to shine as a beacon of compassion, innovation, and unity for our community.

With gratitude and warm fellowship,

Yours in Rotary,  
Rtn. S. Preshyjit Sharma
