## Know your District Governor

### Bio Data of District Governor (25-26)

Dr. Kameswar Singh Elangbam, the District Governor, is an accomplished orthopaedic surgeon, originally from Imphal, Manipur, now residing in Shillong, Meghalaya. He received his MBBS from Assam Medical College and completed his MS Ortho at the All-India Institute of Medical Sciences (AIIMS) in New Delhi. He is also an AO Fellow from Germany in Trauma Surgery and trained in the management of complex trauma in Switzerland. After serving in various capacities in the Govt of Meghalaya, he retired and now runs his own private practice at Kamber Clinics in Shillong.

### Family and Professional Life

Dr. Elangbam is married to Dr. Berylida, a radiologist. They have a daughter who is a gynaecologist and a son who is an entrepreneur. Their son-in-law is an orthopaedic surgeon, and their daughter-in-law is a pathologist, making the family a veritable team of doctors. He is also a proud grandfather to two grandsons, Dason (aged 8) and Da-Elangki (6).

### Rotary Journey and Service

Dr. Elangbam began his Rotary journey in 2007 with the Rotary Club of Shillong. As president during the club's Diamond Jubilee year (2016-17), he spearheaded several impactful service projects. These included: Establishing a dialysis centre in Shillong. Completely transforming the Seng Khasi School in Mawphlang. Working closely with the women's self-help group "Seng Kynthei" in rural Meghalaya, whom he continues to support. Demonstrating his commitment to the Rotary motto of "Service Above Self," Dr. Elangbam also extended his service beyond his district's borders. His team from RCS donated a water filtration unit to help people in Sri Lanka suffering from kidney disease caused by groundwater pollution, and he contributed to the construction of a community toilets project in Bhutan.

## From The Desk of Editor

As we reach the midpoint of another successful Rotary year, we are invigorated and inspired by the esteemed leadership of our Assistant Governor, Rtn. Dr. Himachal Das. Having an Assistant Governor from our club made us proud, and we are fully committed to supporting him in every possible way.

Additionally, our esteemed District Governor, Rtn. Dr. Kameswar Singh Elangbam, has consistently inspired us with his unwavering support and the official visit from him presents a valuable opportunity to evaluate our progress and identify areas for enhancement in our community service efforts. During this visit, we will review our past projects and initiatives, discuss necessary adjustments, and formulate new plans. We are confident that Rtn. Dr. Elangbam will motivate us to embark on another season marked by dedication, enthusiasm, and fulfillment.

Cheers!

## From The Desk of President

In the midpoint of Rotary Year 2025-26, it is my pleasure to welcome you all to the DG visit of our Club today. As the President, I am honoured to serve this club and be a part of its journey towards excellence.

As we continue to work on our permanent projects, I am proud to say that our club has made significant strides, particularly with initiatives like Happy School. Our commitment to service is unwavering and we look forward to exploring new avenues to make a positive impact.

The support of our AG has been instrumental in strengthening our club and we are grateful for his guidance.

Today's visit by our DG is a vital event and we are privileged to have him share his experience and knowledge with us. His leadership plays a crucial role in shaping our club's operations and we are eager to learn from him. DG of RID 3240, Rtn Dr. Kameswar Singh Elangbam, we are honoured to have you here today. Your experience and dedication are an inspiration to us all and we are confident that your visit will benefit every member of our club.

Once again, a warm welcome to you, sir. We are privileged to have you here and we look forward to a fruitful interaction.

With regards
