ROTARY CLUB OF MANGO CITY MALDA
R. I. DIST- 3240 | Club No. 73486

From The Desk of Editor

We are thrilled to announce the formation of a new leadership team for the Rotary year 2025-2026. This year introduces an inspiring theme, while our core mission remains steadfast: to serve—both globally and within our community, enhancing society and enriching our own lives.

Under the mentorship of our senior members, the younger generation has gained invaluable experience and insights. Together, we have become an integral part of our club, contributing our energy and unique talents. Each year, we welcome new members who bring fresh perspectives and innovative ideas, reinforcing our commitment to exploring new avenues for service. We are eager to continue this collaborative spirit, as our club has consistently demonstrated an openness to new initiatives.

As we move forward, we are dedicated to working together to ensure a successful and impactful year ahead.

Rtn. Debojyoti Choudhury
Editor (2024-25)
Rotary Club of Mango City Malda

President Elect Speaks

Paul Harris, the founder of Rotary said, "The only way to find yourself is to lose yourself in the service of others". So, "Service above self" & "Unite for Good" are the correct visions of this rotary year (2025-'26).

Rotary Club of Mango City Malda with their prestigious "Club Foot Project" is trying to make the disable children able. This metamorphosis always encourages us to serve the humanity. All the members of our club & of course RID 3240 are proud of that.

"Seven avenues of focus" always give Rotarians ample opportunity to serve the mankind. But in this current situation we must focus on the environment. Every day little practice to save the environmental factors is very much important. Let us do for the good days not only for us but also for the numerous future generations of all plants, animals & microbes.

Another important thing of the present day is AI. We have to be very conscious about its application.

So friends, let us "Unite for Good" to serve the humanity.

Long live Rotary
Long live RC Mango City Malda

Rtn. Dr. Abhijit Acharyya
President (2025-'26)
Rotary Club of Mango City Malda

Know Your President Elect

Dr. Abhijit Acharyya, born on March 1, 1964, is a distinguished educator and community leader. He completed his schooling at Malda Zilla School and earned his Bachelor of Science with honors in Botany from Raiganj University College. He furthered his academic pursuits by obtaining a Master's degree from North Bengal University, a Bachelor of Education from Malda BEd College, and a PhD from North Bengal University.

Dr. Acharyya retired as the Assistant Headmaster of Jote Arapur Pareesh Nath High School (H.S.). His contributions to education have been recognized with the prestigious Shikharatna award from the Department of Education, Government of West Bengal.

In addition to his academic achievements, Dr. Acharyya is an accomplished athlete. He played football for the Malda District Team for several years and represented the North Bengal University football team on three occasions.

Dr. Acharyya is married to Smt. Sudipta Acharyya, who serves as an Assistant Teacher at Malda Girls High School. They are proud parents of their only daughter, Abhidipta Acharyya, a professional fashion designer currently working at Anamika Khanna's Fashion House. Their son-in-law, Biswajit Panday, is a software engineer at Infosys.

Currently, Dr. Acharyya is an active member of the Rotary Club of Mango City Malda, Paschim Banga Vigyan Mancha in Malda, and the Healthy Climate Initiative (HCI) in Malda. He also served as club president during the 2020-21 term.

Know Your Secretary Elect

Rtn. Rajesh Kispotta was born in Ranchi on February 28, 1967. He completed his schooling in Jalpaiguri and subsequently graduated before embarking on a career with the Life Insurance Corporation (LIC). Rajesh is deeply passionate about building meaningful connections and making a positive contribution to his community.

Outside of his professional commitments, he enjoys playing badminton, watching movies, listening to music, and attending motivational talks, all of which help him maintain a balanced and inspired life. His interest in Rotary is driven by a strong desire to serve society, foster friendships, and engage in impactful projects. He is particularly focused on community service, youth development, and educational initiatives.

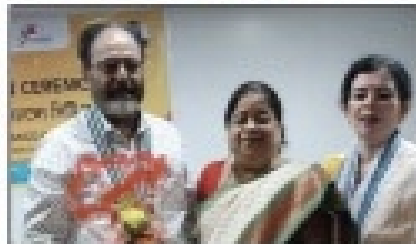

Rajesh joined the Rotary Club of Mango City in 2006, quickly becoming an integral member. He served as the club president during the 2018-2019 term. Currently, he looks forward to furthering his contributions to Rotary and the community at large.
