Presidents' Speak!

Dear fellow Rotarians.....

RC Imphal has successfully organised two days teacher's training programme during the month of March'2025 under India Literacy Mission participated by teachers from govt. schools under Zone I & II of Directorate of Education (S), Govt. of Manipur.

Rotary International's monthly theme for April is 'Maternal and Child Health Month'. Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, Rotary provides immunizations and antibiotics to babies, improves access to essential medical services, and supports trained health care providers for mothers and their children.

Rotary's projects ensure sustainability by empowering the local community to take ownership of health care training programs. Maternal and Child Health Care is also recognized as one of Rotary's Seven Areas of Focus.

The **52nd Club Chartered Day** of Rotary Club of Imphal will be celebrated on 12th April'2025. Rotarians of Rotary Club of Imphal pledge to continue to be 'The Magic of Rotary' for doing good in the world.

Long Live Rotary International. Long Live Rotary Club of Imphal.

Editorial !!

At the outset, my hearty greetings to all for Sajibu Nongma Panba Cheiraoba, the traditional New year of the Meeteis and Eid Mubarak as well. On this auspicious day, let us join together and celebrate the festive moods for a bright and prosperous year ahead.

On 15th of March, after a long drawn meticulous planning, 19 (Nineteen) Rotarians of RC Imphal including 4 (four) rotarylets made a joyous trip to Philippines for one of our BOD meetings. Visiting Philippines with my fellow Rotarians was once in a lifetime opportunity which was something I never thought world happen. The Philippines, an archipelago of more than 7,000 islands is renowned for its stunning natural beauty, cultural diversity and unique delicious cusines.

On 16th March, we landed at Manila by Singapore Airlines without any hassle and we were received by a friendly smile called Mrs JoJo, our guide. She led us to check in the hotel Coro and we were introduced to the pearl of the orient, a vibrant City known for its rich history, diverse culture and bustling urban life. Next day, Mrs Jojo took us to Manila Bay which offered stunning sunset and Rizal park, which provided a lusturous green space amidst the urban landscape. Then she took us to Intramuros which is home to Spanish era landmarks like Fort Santiago and 16th Century San Augustine Church. Intramuros was a unforgettable experience and one which echoed in my heart is the painful yet inspiring story of Jose Rezal, a national hero. Then proceeded to experience the taste of SM mall of Asia, one of the largest of its kind, Ayala mall and the Okada Manila where we enjoyed the largest multicolor fountain of the world

Next day we flew to Puerto Princessa by Cebu Pacific where we experienced the unforgettable pristine naural beauty and intact old growth forests. Miss Cynthia guided us to some memorable sights like Sabang mangrove forests, Sabang Rock climbing and Zipline adventure, kitu kito D'Makarious firefly watching adventure etc. Unfortunately we missed the unmissable boat trip through the massive limestone caves and underground river of the biodiverse subterranean National Park of Puerto Priencessa, an Unesco World Heritage site. Next destination was Cebu where we checked into the majestic Hotel Solea to experience the diverse culture and other exotic tourist distinations. Our Bohol Island hopping at Cebu was memorable because of the unforgettable Loboc river cruise and sighting of the mesmerising chocolate hills. Unfortunately again Panglao island hopping and Dolphin watching tour in Bohol was shelved as government restrictions were imposed recently.

We had our BOD meeting with a dinner on the last night of our stay at Cebu at SM mall and departed Cebu by Singapore Airlines on 24th of March. Thus our memorable trip to the Phillipines concluded with many treasured moments in the heart, Dear Rotarians, let us enjoy these festive seasons with responsibly of a Rotarian in our mind.

Long live Rotary International Long live R.C. Imphal)
