MATERNAL & CHILD
HEALTH MONTH

Francesco Arezzo RI President 2025-26

Story of becoming RI President **Francesco Arezzo**

Francesco Arezzo of Italy selected to be 2025-26 Rotary International President

Francesco Arezzo, a member of the Rotary Club of Ragusa, Italy, has been selected by the Board of Directors to become Rotary International's president for 2025-26. Arezzo will become president on 1 July.

The Board conducted a special session following the unexpected resignation of RI President-elect Mário César Martins de Camargo on 8 June. Guided by the RI code and policies, the Board selected the new president-elect from a pool of candidates who were considered by the Nominating Committee for President of Rotary International in August 2023.

The 2025-26 presidential message, announced at the 2025 Rotary International Assembly in February, will remain Unite for Good, which calls on Rotary members to be a force for unity in a world increasingly divided by politics, geography, and ideology. Through service projects, Rotary brings together people of every background — across races, religions, and professions — in a shared mission to do good in their communities.

Arezzo is an orthodontist in private practice. He is active internationally as a member of the Italian, European, and American orthodontics associations. He is vice president of the National Association of Italian Dentists for the province of Ragusa and was the founder and head for seven years of the delegation for Ragusa of the National Trust for Italy. He is a Knight of Honor and Devotion in Obedience within the Sovereign Order of Malta.

A Rotary member for more than 30 years, Arezzo has served as vice chair of the Joint Strategic Planning Committee and as RI director, learning facilitator, and as district conference presidential representative.

Arezzo is a Benefactor of The Rotary Foundation. He is married to Anna Maria Criscione, an entrepreneur in the tourism field. They have two children.

— 14 June 2025

Dr. Kameswar Singh Elangbam, originally from Imphal, has settled in Shillong and practices orthopaedics at Kamber Clinics. He completed MBBS from Assam Medical College, Dibrugarh, and D. Ortho from Aligarh Muslim University and AIIMS, New Delhi. He has worked under top orthopaedic surgeons in the country and underwent an AO Fellowship in Trauma in Germany. Dr. Elangbam is a life member of various Orthopaedic Associations and has organized seminars and symposia on orthopaedics and trauma. He served as Consultant Orthopaedic Surgeon and held various positions in the Government of Meghalaya. After retirement, he continues to practice orthopaedics at Kamber Clinics and Kamber Polyclinics in Shillong. Dr. Elangbam is married to Dr. L. Berylda Pyrbot and has two children. He began his Rotary journey in 2007 and has participated in numerous international conventions and international service partnerships. He is an active member of various Rotary Action Groups and fellowships, including the International Rotary Fellowship of Healthcare Professionals, the Rotary Action Group Against Slavery, and the Water, Sanitation and Hygiene Rotary Action Group. He is Major Donor Level 3

MESSAGE OF Rtn (Dr) Kakeswar Singh Elangbam District Governor 2025-26 RID 3240

It is with immense pleasure and honor that I convey this message through "Saraighat," on the auspicious occasion of your club's Installation Ceremony for the Rotary Year 2025-26.

My heartfelt appreciation and sincere congratulations go to the outgoing leadership team of 2024-25. Your exemplary service and notable accomplishments have set a commendable benchmark.

To the incoming team, I extend my warmest welcome. I am confident your fresh perspectives, dynamic energy, and resolute vision will elevate Rotary's high standards, establishing new milestones and enhancing your club's legacy of service.

Rotary is a continuous commitment to 'Service Above Self'. As we step into Rotary Year 2025-26, we join over 1.4 million Rotarians and Rotaractors globally, united to create lasting change. In District 3240, our vibrant diversity is our strength, united in our mission to serve.

Your distinguished professional backgrounds and social credibility, channelled through Rotary, become powerful instruments for transformation. Fostering unity and enhancing public image will attract new members and partners in service.

Membership is the cornerstone of Rotary. Prioritize membership development and retention, crucial for our movement's sustainability and strength.

In today's world, Rotary's relevance is profound. Let us build a culture of peace, goodwill, and inclusivity, serving as beacons of hope.

As we commence this new Rotary year—well-prepared and united—I extend my best wishes for a successful, impactful, and fulfilling Rotary Year 2025-26.

Let us walk together to uphold Rotary's ideals. Jai Hind. Jai Rotary.

Sincerely,

Rtn. Dr. Kameswar Singh Elangbam
District Governor (2025-26) RID 3240

**MESSAGE OF
PDG Chandu Kumar
Agarwal
RID 3240**

**Chief Guest of
Installation Ceremony
of RCGW
on
5th July 2025**

PDG Chandu has a long history of Rotary back ground. He joined Rotaract in 1986, served as DRR in 1991-92, joined RC Dimapur in 1999, became Centinial President (2004-05), served as AG (2007-08) and became DG (2015-16), the sole DG from Nagaland. He was DLF in 2024-25) and in current year he is assigned the responsibility of Annual Fund Chair. He is Major Donor level 2.

He heads a traditional FMCG distribution firm and an Aviva life insurance advisory practice in Dimapur.

He received State-level social leadership awards, national Rotary peace awards, and two honorary doctorates (2019 & 2021), plus a global business excellence accolade in FMCG.

My Dear Fellow Rotarians,

Isn't it an incredible time to be a member of Rotary? We find ourselves in the final week of a truly remarkable and historic Rotary year (24-25), one that no one is eager to see end. Instead of simply closing this chapter, let us forge a new beginning. Rather than shutting the door on one year, let's construct a bridge to the next, united in the pursuit of Creating Hope in the World. After all, as long as rivers flow, people will always seek a path across.

We have assumed the mantle of leadership at an opportune moment, a pivotal time when Rotary has the potential to capture the world's attention and reveal possibilities that exceed our current expectations. Yet, some of our most impactful work may involve supporting the on-going efforts of others. Much of the work we, as well as all Rotary leaders, undertake is centred around maintaining continuity.

Rotary must strive to encompass the best individuals, ideas, and partnerships, regardless of their origins. People should be able to look at Rotary and see themselves reflected in its vision. It falls upon us to ensure this inclusivity. One of the most crucial elements of continuity within Rotary lies in the pursuit of eradicating polio. Eliminating polio remains Rotary's foremost priority. Over the past 38 years, we have accomplished much of which we can be proud, pursuing our dream of a polio-free world. However, our challenges persist, and we must go the extra mile to turn this dream into reality. This achievement would be a monumental victory for all of us and for Rotary.

The Rotary International theme for the Rotary year 2025-26 is "Unite for Good". This theme encourages Rotary members to work together to create positive change through human connection. It's a call to action to inspire members, partners, and the public by aligning with Rotary's Action Plan and emphasizing the importance of collaboration.

It will be the first Rotary year without a specific presidential theme, as the decision was made to eliminate the use of themes for external communications. The "Unite for Good" message is intended to be used internally to motivate members and can be incorporated into communications with clubs, districts, and the public.

Here's a summary of the key points:

Theme: "Unite for Good"

Focus: Encourages unity and collaboration to create positive change.

Implementation: Used internally to motivate members and can be incorporated into communications.

External Communication: While the theme will not be used as a public logo, it can be incorporated into messaging.

Let us Lead & Love Rotary and BE A GIFT TO THE WORLD by emphasize the power of human connection-encouraging the new faces, collaborate on service projects, and expand our global impact.

I extend my heartfelt wishes to President 25-26 and his/her team for a purposeful, fruitful, meaningful, and successful Rotary year 2025-26.

With Best Rotary Regards,
Chandu Kumar Agarwal

Saraihat Installation Bulletin,
July 2025, R C Gauhati West

Assitant Governor Zone X

Joined Rotary in RY 2003-04 as Charter Member of RC Guwahati East. Served as Secretary, Treasurer of RC Guwahati East. Served as President (2008-09) of RC Guwahati East and organised a District Polio Plus Seminar. RC Guwahati East was merged with RC Guwahati in RY 2018-19. Served as Treasurer in 2020-21 and as President of RC Guwahati (2022-23) and organised a District Event (TRF Seminar) on 27th November 2022. Contribution to The Rotary Foundation- Multiple level PHF +6.

From the Pen of Rtn Utpal Gohain

Dear Rtn Krishna Baruah,
I extend warm greetings to you on the occasion of the 47th Installation ceremony of office bearers of the Rotary Club of Gauhati West. Your proven leadership qualities, wisdom and dedication will undoubtedly guide the Rotary Club of Gauhati West to new heights of service and excellence in the Rotary Year 2025-26.

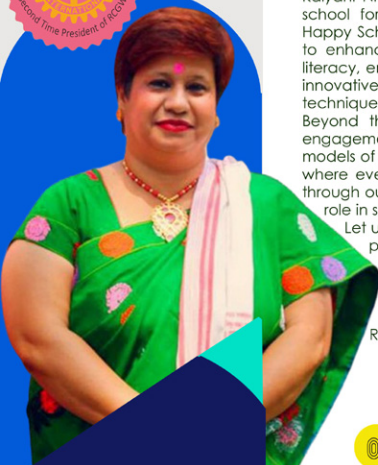

I hereby convey my thanks to the incoming office bearers who have been elected or nominated to lead your Club forward in the pursuit of Rotary's noble goals. With position comes responsibility. Rotary Clubs are said to be President driven, but without the active cooperation of the other office bearers, for that matter all members of the Club, good intentions will remain only intentions and cannot be implemented. Let us Unite for Good.

As we look ahead to the challenges and opportunities that await us in the coming year, let us remain steadfastly committed to Rotary's ideals of service, integrity and goodwill. Together, let us be a beacon of hope and inspiration in our communities and beyond. Let us be exemplary citizens and role models for the new generations.

May this installation ceremony mark the beginning of a year filled with meaningful service, enduring friendships and boundless opportunities to make a difference in our society.

Warm regards,
Rtn Utpal Gohain,
Assistant Governor,
Zone 10, RID - 3240

Retired as Commissioner and Secretary of the government of Assam...PANCHAYAT and Rural development department....After Retirement...now Registrar Real Estate Regulatory Authority... Government of Assam...Also General Secretary of Assam Child and women welfare society....which is a home of destitute girls, specially abled children and surrendered babies ready for Adoption...Also Working President of Chenikuthi Naamghar, and Secretary of Tarun Nagar Naamghar[14:16, 18/06/2025] Krishna Baruah: Was State Mission Director of Assam State Livelihood Mission for four years, Chief Executive Officer of Zilla Parishad and District Commissioner of Baksa

Prologue Of Rtn Krishna Baruah President, R C Gauhati West 20025 - 26

Dear Fellow Rotarians,

After a span of fourteen years, I once again take up my pen with enormous enthusiasm to share a few thoughts with you all every month through our cherished bulletin, Saraighat. It brings me immense joy to reconnect with all of you in this meaningful way.

This Rotary year, we proudly align ourselves with the international theme "Unite for Good." Rotary has always stood as a beacon of hope, compassion, and selfless service. As Rotarians, our strength lies in our unity, and it is this collective spirit that enables us to serve humanity with dedication and purpose.

We have embarked on several impactful projects aimed at supporting the most vulnerable sections of society. Special focus has been given to initiatives like Kalyani Niwas, Mothers Old Age Home), Ashaneer (a school for specially-abled children), Skin Bank, and Happy School – NPME School. We are also committed to enhancing maternal and child health, promoting literacy, encouraging skill development, and exploring innovative solutions in healthcare, such as fenestration techniques for better patient outcomes.

Beyond these initiatives, we aspire to deepen our engagement with local communities, build sustainable models of support, and foster an inclusive environment where every act of kindness counts. Each one of us, through our time, talent, and compassion, plays a vital role in shaping a better tomorrow.

Let us continue to walk this noble path—united in purpose, unwavering in spirit, and committed to doing good in the World.

Warm regards,

Rtn. Krishna Baruah,

President

Rotary Club of Guwahati West

Saraighat Installation Bulletin,
July 2025, R C Gauhati West

As I reach the end of my term as President of Rotary Club of Gauhati West, I am filled with deep gratitude and pride in what we have collectively achieved during Rotary Year 2024-25.

With your unwavering support, we have been able to fulfill almost all our goals for the year, touching lives and bringing meaningful change to our community. Though we could not fully realize our aspirations in the areas of Peace & Conflict Management and International Service, I am confident that the groundwork laid this year will enable future action.

I express my heartfelt thanks to each and every member of our club for your extraordinary involvement, enthusiasm, and teamwork throughout the year. Your spirit of service has been the backbone of our success. A special word of gratitude goes to Rtn Krishnendu, whose energy and hands-on involvement proved invaluable, and to Rtn Dr. Bibhas Chandra Das Purkayastha Sir, whose wise counsel and ever-available guidance steered us at every critical juncture.

Our Secretary, Rtn Sanjib Kalita, will soon present a comprehensive report highlighting all our activities—an inspiring record of a vibrant and committed club in action.

As I pass the baton, I remain committed to continue serving Rotary with the same zeal and dedication in the years to come. Together, let us keep the Rotary flame alive and burning brighter than ever.

With gratitude and warm regards,
Rtn Amal Das President,
RY 2024-25

IPP AMAL DAS
Expresses his Gratitude

EDITORIAL

Saraighat – Installation Special Issue

As I pen this editorial, I reflect with gratitude on my role as the Editor of Saraighat for several years now. It has been both a privilege and a creative challenge—one that has kept me closely connected with the heartbeat of Rotary Club of Gauhati West.

Beyond Saraighat, the responsibility of compiling club publications—such as the club history and commemorative booklets—has necessitated a deeper engagement with the workings of our club, the vibrancy of Rotary District 3240, and the larger vision of Rotary International. Staying updated has become a necessity, and in the process, a fulfilling journey.

Necessity also led me to explore and adopt digital tools—for writing, image enhancement, content layout, and design. The learning curve has been steep at times, but immensely rewarding. I am thankful to the club for keeping me creatively engaged and technologically current.

One lingering mystery, however, remains: is the bulletin actually read? A "like" on social media is encouraging, but for an editor, true satisfaction lies in thoughtful engagement—your reflections, suggestions, even your disagreements. These insights are the lifeblood of a publication and may well find their way into future issues.

Let us continue to document, share, and celebrate the spirit of Rotary—together. In Rotary,
Dr. Bibhas Chandra Das Purkayastha
Editor, Saraighat
Rotary Club of Gauhati West

President, Secretary and Treasurer

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

How Rotary makes help happen

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

		
LIFESAIVING HOSPITAL EQUIPMENT	HEALING SCARS OF WAR	SUSTAINABLE PROGRAMS
Clubs in Japan and Brazil used a Rotary Foundation global grant to equip a hospital with lifesaving neonatal equipment.	In the mountains of Poland, 26 children traumatized by violence get a chance to be kids again at Rotary camp where psychologists mix escape and therapy.	Rotary programs improve women's access to skilled health personnel: doctors, nurses, midwives, or community health care workers.

Our impact on the lives of mothers and children

The Rotary Foundation reaches mothers and children in need by giving communities the help and training they need to take control of their own maternal and infant health care. Rotary makes amazing things happen, like:

Mobile prenatal clinics

Haiti has the highest maternal and infant mortality rate of any country in the western hemisphere. Rotary provided a fully equipped medical Jeep to volunteers and midwives to reach mothers and children in remote areas.

Cancer screening

Rotarians provided a mobile cancer screening unit and awareness trainings around Chennai, India, where there is a high mortality rate of women with breast and cervical cancer due to late diagnosis.

Preventing injuries and deaths

Rotary members launched a \$3 million, five-year pilot to save lives of mothers and children during home deliveries in Nigeria. Since 2005, they've also repaired 1,500 obstetric fistulas — 500 more than their initial goal — restoring dignity and hope to vulnerable mothers.

RWM No 2101
date 19.06.25
