# Rotary

## August 2023

**R. Gordon R. McInally  
President 2023-24**

To,  
The Club Presidents  
Rotary District 3240

Dear Club Presidents,

At the 2023 Rotary International Convention in Melbourne, I asked all Rotary members to become champions in our effort to illuminate mental health needs near and far. This includes helping one another feel more supported, advocating for mental health services, and building bridges with experts in the field to expand access to treatment.

It's an important task and a big ask. But it's also something that should feel familiar to every Rotary member- because everything we do is in the spirit of caring, giving, friendship, and compassion, and has been from the beginning of our organization.

We've grown into an amazing global network of 1.4 million interconnected community leaders-leaders who share a deep commitment to doing good in the world. But what makes Rotary powerful isn't just what we do for the communities we serve. We also support and empower each other, by creating a safe space for our members to bring their whole, authentic selves. We show each other comfort and care.

These connections are deeply meaningful. The U.S. surgeon general recently declared loneliness a public health epidemic. Dr. Vivek Murthy said, "We must prioritize building social connection the same way we have prioritized other critical public health issues such as tobacco, obesity, and substance use disorders." I am proud of what Rotary has done across generations to build those kinds of social connections and this magazine focused on loneliness and what Rotary can do about it in its January 2023 issue.

Our worldwide community and our foundational value prioritizing Service Above Self makes Rotary a powerful global advocate for mental health. A recently published study by Ohio State University found performing acts of kindness was the only one of three mental health interventions tested that helped people feel more connected to others. Study co-author David Cregg said, “Performing acts of kindness seems to be one of the best ways to promote those connections.”

This research suggests what we’ve known all along — that doing good helps transform not just the communities we serve, but it also transforms us. As we put a greater focus on mental health, let’s not think of this effort as something new to Rotary, but rather as something we can do better and as a result have a greater impact on ourselves and the people we serve.

We are not starting this effort from scratch. The Rotary Action Group on Mental Health Initiatives has been focused on these kinds of issues for several years — and we will be looking to members of that group for leadership as we continue to build awareness.

Mental health care fits comfortably within several of our areas of focus. As of May, there are 41 global grant-supported projects with a mental health focus. Many of them have tremendous promise, and we will be highlighting them in the months ahead.

So let’s work together to erase the stigma associated with emotional well-being, raise awareness of mental health needs, and improve access to preventive and interventional mental health services.

Warmest Regards,

R. Gordon R. McNally  
President, Rotary International 2023-24

## Editorial

Dear Rotarians,

*I take this privilege to refer the message of R.I. President R. Gordon R. McNally for the month of August, 2023, where he emphasizes about building up of social connections through rotary. In order to build up a bridge to reach out to community, we should take up some special projects for the benefit of community. If we do so, I think this will not only create a good image on rotary ; but also attract them to know about rotary. So, I would like to request to all the members to come forward to render selfless services for the sake of the needy as well the downtrodden people of our society.*

With Regards,

## 38<sup>th</sup> Installation Ceremony

The 38<sup>th</sup> Installation Ceremony of Rotary Club of Duliajan was held on 1st July 2023 at the Rotary Community Centre. A new team under the leadership of President, Rtn. Pronab Borthakur has taken over the charge of the Club for the new Rotary Year 2023-2024. Rtn. Basant Garodia, Rotary Club of Dibrugarh graced the programme as Chief Guest & Installation Officer of the ceremony and he administered oath to the new President & Secretary and also other new committee members. It is a good news for Rotary Club of Duliajan that on the day of Installation Ceremony, two new members namely, Mr. Udhav Kumar Das and Mr. Deepak Chetri had been inducted as new members of Rotary Club of Duliajan on the installation day itself.

14. Rtn Devojit Borboruah, Joint Secretary
15. Rtn Pranjal Kumar Baruah, Rotary Foundation Chair
16. Rtn Partha P Hazarika, Environment & Entertainment chair

The meeting was presided over by Rtn Pranab Borthakur, Meeting started with National anthem.

He welcomed the members and appreciated members for their wholehearted participation in the recently concluded Installation Ceremony held on 01.07.2023 to make it a grand success.

He requested all members to share their feedback and suggestions for further improvements if any.

1. For proper functioning of the RCD, the board opined that handover of the club inventory and documents by officer bearers of RCD 2022-23 is important. It was advised by the board to submit the same by next RWM (17.07.2023)
2. To properly plan the present years strategy for service works, previous years unaudited balance sheet is utmost important. Board requested Treasurer & president of RCD 2022-23 to submit the same to new office bearers by next RWM (17.07.2023)
3. Board advised Treasurer to Change of Bank signatory at the earliest. Treasurer and President informed the house that the same is already initiated. In addition, that Treasurer informed the house that QR will be generated and circulated to all members for ease of money transfer to RCD bank account.
4. President informed the house that plan is framed to carry out service projects as per instruction of RI, District, goal set, 7 focus areas, monthly theme of Rotary etc.
5. Based on the available Audited balance sheet of 2021-22, cash inflow and outflow explained by Treasurer, it was found that only 50K-60K will be available for service projects which may not be sufficient to carry out planned service projects. Board decides that membership fees and other fund-raising options may need to be explored to carry out few signature projects.
6. Referring the point, no 5, Board opined that since INR devalued drastically from 1\$ = Rs 68 (2016) to Rs 83 (2023), membership fees need to be increased to proper functioning of club and carry out meaningful signature projects by RCD in 2023-24 and ahead.
7. Board gives nod to the proposed book bank project "GIVE ONE TAKE ONE" where book lovers can interchange books (excluding textbooks) from Rotary book bank. The final modalities will be decided later.
8. President and Treasurer informed the house that through Rotary Cloth bank, RCD received huge amounts of clothes, which needs to be distributed to needy immediately. The board agreed the same and President will organize cloth distribution program very shortly in association with Rotaract Club, RCD.

9. Members present in the meeting advised to make few amendments in the ByLaws(avenues, focus areas, membership fees, inclusion of DEI etc). Board agreed on the same . Secretary will circulate the amended draft ByLaws by 15.07.2023 for feedback from members.
10. President informed the house that large amount of District Directory of 2022-23 lying in the storeroom. The board agreed to distribute the same to members whoever yet to receive the Directory of last year.
11. Board gives nod to carry out a performance measurement of our permanent and service projects carried out in last 3-5 years so that appropriate measures may be taken to upcoming services and signature projects by RCD. Referring this point few members opined that our water filter project may need to be properly hand over to the community for O&M by the community only instead of maintaining by Rotary which against the very basic principle of Rotary for carrying out projects.
12. President and Treasurer requested respective committee chairs to submit their budgets if any to the President/Treasurer by 17.07.2023 if any.
13. President informed the house that Tengakhat PHC is interested to carry out a mega health camp in association with RCD in the 1st week of August, may be in the area Badoi /Ushapur. Board gives nod to go ahead for this with some advised to look for other association (i.e Army/CISF) for readymade tent etc. since use of schools for such projects restricted by State Govt Authority.
14. Few members raised point that training in the RWM may be required for members on trends in the Rotary and other necessary information especially for new members. Board members agreed on the same and shortly there will be some training program in the club on Rotary matters. Secretary suggested “Rotary One Minute” in every RWM at the beginning of meeting, board agreed the same.
15. Suggestions from Members:
  - a. Rtn Bimal Borgohain with the permission of Board suggested that few government schemes may be implemented in the adopted village of RCD in the holistic manner, which may give the all-round development of the villagers instead of existing piece meal basis work. Board agreed on this and suggest looking into it by concerned committee chair.
  - b. Rtn Indira Hazarika suggested to uplift the condition of ladies’ toilet of Club, president said that he will look into it.
  - c. Rtn Sukungta Monlai suggested for a mega plantation drive in the adopted village, board agreed on this, President said that the same will be carried out by the RCD very shortly.
  - d. Rtn Jaspal Singh informed the house that we got overwhelmed responses from public for deposit of used cloths in Clothes bank installed in OIL Market but the issue is that most of the received clothes are not clean. He suggest for a 2nd hand washing machine with daily worker instead of washing from Dhobi, which may incur huge cost. Considering impact services to beneficiaries Board gave nod to the suggestion.
  - e. President informed the house that Rtn Manash J borthakur willing to handover few tables owing to the refurbishment of his office, which may be donated to schools nearby adopted village. All presented members appreciated Rtn Manash for his good intension.
  - f. Rtn Sidhartha P Hazarika suggested for use of MIKE for better clarity of discussion by members. President said the same will be arranged by this month.
