Very Good Evening Rotarians,

In the month of September we celebrate the, execution of projects related to basic education and literacy, along side we also felicitate the icons in this field who have been working untiringly and sometimes single handedly to promote, enhance and dissipate the skill , knowledge and efficiency in their fields of special knowledge.

These icons, better described as nation builders span through the entire horizon of knowledge and skills such as science, education sports, arts, social work. They have been working throughout, tirelessly to shape the nation's present and future, often making sacrifices and facing challenges.

Teachers, Professors, Educators, innovators, scientists, entrepreneurs, social workers, artists add every day in substantial way to inspire future generations and foster opportunities to let bloom the soft bains into a creative, innovative and productive brain to take the nation to a new hight each time.

There aresome icons in other fields who work silently beyond the coverage of media are also contributing as unsung heroes in the group of nation builders. We felicitate them to remind us that there are some persons who are guiding force to steer the destiny of nation to a better hight every day.
