Very Good Evening Rotarians,

Our Rotay Club of Burdwan has been endowed with the honour to host District Membership Seminar in this Rotary Year 2025-26. This Seminar is appropriately captioned “YARANA” which denotes the essence of fellowship throughtout the length and breadth of community. It is scheduled to be held on 31st August 2025 at a heart warming beautiful site “Sinclares Burdwan”.

A District Membership Seminar offers a platform for growth, learning and expansion of connections. It provides avenue to bring all clubs together at one place. The Leaders, and members share best practices, share best experiences, and gain valuable insights into effective membership recruitment and retention strategies.

These seminars equip club leaders with the skills and knowledge needed to manage and engage their members effectively. By learning from experienced facilitators and net-working with peers, leaders can develop innovative approaches to attract new members, to retain existing ones and build a strong vibrant community.

By investing in District Membership Seminars, we invest in the future of our clubs and the communities they serve. Let's come together at “YARANA” to unlock the potential of our clubs and create a brighter, more impactful future for all.
