Good Evening Rotarians,

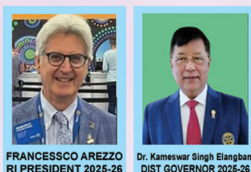

February is designated as “Peace and Conflict Prevention / Resolution Month” as well as World Understanding Month in the Rotary Calender. This month highlights Rotary's commitment to building peace, fostering international understanding, and commemorates the first Rotary Club meeting held on February 23, 1905, which is celebrated as World Understanding and Peace Day.

The Rotary focuses on peacebuilding by reducing causes of conflict, including poverty, inequality, and lack of education. The Clubs are also encouraged to plan programs that emphasize goodwill, international friendship and cultural exchange.
