EDITORIAL:

In Rotary, August is the month we set aside to focus on *membership and extension*.

It is appropriate that this occurs at the beginning of the Rotary year, because everything that happens in Rotary begins with membership.

The dream of any organization is growth- so also is the dream of Rotary.

And in Rotary, growth is counted in its increased membership. For, more the members mean more fruitful services to the community, for, the motto of Rotary is *service above self*.

This month's main focus is to have increased no of new members as well as new clubs with good quality and quantity of members in it.

And the basic responsibility of bringing in new members lies with all the members.

Let us Unite for Good for the betterment of the community & the Society we live in.
