CELEBRATED ROTARY'S BIRTHDAY AT ASHA NIKETAN A HOME FOR MENTALLY AND PHYSICALLY CHALLENGED BOYS AND GIRLS

EDITORIAL:

Celebrated Rotary's Birthdayin a unique way at Asha Niketan...a Home for Mentally and Physically challenged boys and girls.

Rotary is for all, big or small, rich or poor. Rotary's Motto...Service Above Self is truly reflected in this program. Cutting cake in honor of Rotary, spending some precious moments with those ill-fated boys and girls and sponsoring Lunch for them were our aim...and that is what we did there.

Dances performed by boys and girl were worth seeing.

It was our honor to donate 3 nos. of Ceiling Fan sponsored by President Rtn Sachindra Nath Roy, PP Rtn Tapas Ghose and PP Rtn Mihir Karmakar.

Our club also donated an amount of Rs 5000/- for their Lunch. The program was well covered by press and electronic media.

Rotary believes in World understanding and Peace.

Rightly, the month of Feb has been designated in Rotary as World understanding and Peace.

Let us together resolve to promote Goodwill, Peace and Understanding within our Clubs, Districts and amongst ourselves to strengthen Rotary.

History of Rotary International

The world's first service club, the Rotary Club of Chicago, was formed on 23 February 1905 by Paul P. Harris, an attorney who wished to capture in a professional club the same friendly spirit he had felt in the small towns of his youth. The Rotary name derived from the early practice of rotating meetings among members' offices.

Rotary's popularity spread, and within a decade, clubs were chartered from San Francisco to New York to Winnipeg, Canada. By 1921, Rotary clubs had been formed on six continents. The organization adopted the Rotary International name a year later.

As Rotary grew, its mission expanded beyond serving club members' professional and social interests. Rotarians began pooling their resources and contributing their talents to help serve communities in need. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

By 1925, Rotary had grown to 200 clubs with more than 20,000 members. The organization's distinguished reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks — among them author Thomas Mann, diplomat Carlos P. Romulo, humanitarian Albert Schweitzer, and composer Jean Sibelius.
