ROTARY CLUB OF ASANSOL GREATER

R I DISTRICT 3240, CLUB NO.27640, ASANSOL(W.B.), INDIA

December: Area of Focus: **Vocational Service Month**

FOR PROMOTION OF 4-WAY TEST DISPLAYED 4-WAY TEST BOARD AT STRATEGIC POINT OF G.T. ROAD, ASANSOL

EDITORIAL:

Wish you all a very happy and prosperous New Year 2017 and pray to God that this New Year will bring peace and prosperity in our lives.

One more year has gone by with flying colours and great achievements.

January is designated as Vocational Service Month in Rotary.

The concept of *vocational service* is embedded in the second Object, which calls on Rotarians to “encourage and foster”.

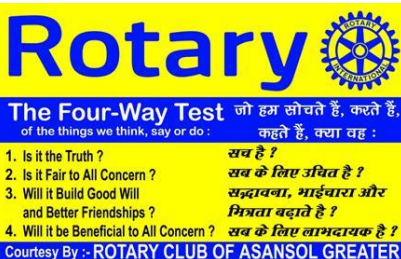

Vocational Service Month is an opportunity to begin year-long vocational service activities, ranging from *Rotary* discussions to awards to community projects.

Please join me in celebrating Vocational Service month by promoting the ethical core values of Rotary and doing something to gain a better understanding of the diverse vocational talents of each of our club members.

Together we bring health, hope and a better life for our communities and together we’ll leave a polio free world to our children and grandchildren – through ‘Rotary Serving Humanity’ and our diverse vocational talents.

Friends, we have crossed the halfway point in this Rotary year, and now is the time to assess how much we have achieved and what more we will have to achieve.

I am sure, with the help and support of all our members, we will achieve the goal we had set at the beginning of this Rotary Year.

Rotary International President-elect Yinka Babalola just announced the Presidential Message for next year – “CREATE LASTING CHANGE!” He wants us to focus on impact and not just outcomes. He also wants our clubs and districts to look back at their history and find when they had the most impact and increase that impact from that time.

Together, we can *create lasting impact!*

R I President-elect Yinka Babalola
