SEPTEMBER IS BASIC EDUCATION AND LITERACY MONTH

R C Asansol Greater presented Nation Builder Award (NBA) to dedicated teachers from different schools of Asansol Town. This will inspire and motivate the entire Teaching Community in our locality.

EDITORIAL:

Rotary International has emphasized the month September on Basic Education and Literacy.

Literate India is a dream that we now dream together.

We are all hopeful of achieving our targets that our Leaders have given to us, and, we will keep no stone unturned to make our Country a 100 percent literate Country.

Rotary Club of Asansol Greater observed World Literacy Day by donating study materials to Tribal Adult woman in a remote village where we run an Adult Literacy Centre. 📖

Let us remember that literacy is not just about learning to read and write, it is the foundation of dignity, empowerment and progress. Rotary's focus on Basic Education & Literacy inspires us to spread knowledge, open doors of opportunity, and brighten futures.

Together, let us pledge to continue working towards an enlightened and empowered society where every child and adult has the gift of literacy. 🌍🌟

"Each One, Teach One — Together We Can Light the World."

Let us Unite for Good for the betterment of the community & the Society we live in.
