शगुन का वर्ष

51 वर्षों की सेवा, समर्पण और प्रेरणा की गौरवपूर्ण यात्रा

मानवता की सेवा को अपना मूल मंत्र मानते हुए Rotary Pataliputra ने पिछले पाँच दशकों में समाज सेवा के हर क्षेत्र में अपनी सशक्त उपस्थिति दर्ज कराई है। समय के साथ चलकर और बदलती आवश्यकताओं के अनुरूप स्वयं को ढालते हुए, इस क्लब ने अपनी गतिविधियों में न केवल नवाचार जोड़े, बल्कि हर बार एक नई सोच और दृष्टिकोण के साथ समाज की जरूरतों को समझा और समाधान भी प्रस्तुत किए।

अब जब क्लब अपने 51वें वर्ष — शगुन के वर्ष — में प्रवेश कर चुका है, यह सिर्फ एक संख्या नहीं, बल्कि पचास वर्षों की प्रतिबद्धता, जुनून और अथक परिश्रम की जीवंत कहानी है। यह वर्ष केवल उपलब्धियों को याद करने का नहीं, बल्कि आगे की राह तय करने, नई ऊर्जा, नई सोच और नए संकल्प के साथ समाज के प्रति अपनी भूमिका को और अधिक प्रभावी बनाने का अवसर भी है।

चाहे स्वास्थ्य का क्षेत्र हो, पर्यावरण संरक्षण, महिला सशक्तिकरण, शिक्षा, जल—संरक्षण, वैश्विक परियोजनाएं हों या रोटरी पब्लिक इमेज को सशक्त बनाना — क्लब ने हर पहलू में अग्रणी भूमिका निभाई है।

पिछले 50 वर्षों की यात्रा में क्लब ने अनगिनत सामाजिक कार्य किए हैं — और यह सब संभव हुआ है हमारे समर्पित सदस्यों की दृढ़ निष्ठा और समाज के प्रति उनके अटूट समर्पण के कारण।

हमें पूर्ण विश्वास है कि यह 51वाँ वर्ष, रोटरी पाटलिपुत्र के इतिहास में एक स्वर्णिम अध्याय जोड़ने जा रहा है। सभी सदस्यों के सहयोग, नवाचारों और सेवा—भावना के साथ हमारा क्लब एक नई मिसाल कायम करेगा — और यह शगुन का वर्ष एक प्रेरणादायक विरासत के रूप में हमेशा याद रखा जाएगा।

WATER

Water Junction Initiative: Quenching Thirst, Spreading Compassion

The journey of the Water Junction Project began in Rotary year 2017-18 under the visionary leadership of President Rtn. Ashok Agarwal and Chairman PP Rtn. N.K. Agarwal, with the installation of five water junctions across the city. This noble initiative was further amplified in 2018-19, when President Rtn. Veena Jain took the mission forward with passion and purpose, successfully installing 15 more water junctions, ensuring clean drinking water access in public spaces.

This impactful contribution not only touched countless lives but also enhanced Rotary's public image. In recognition of this remarkable community service, Rotary International conferred the prestigious Significant Service Award on the club — a moment of immense pride for all Rotarians involved.

The momentum continued in 2019-20 under the dynamic leadership of President Rtn. Shilpi Chachan, with the installation of 8 additional water junctions.

Till date, a total of 32 water junctions have been set up by the club — a testament to its unwavering commitment to service above self, and a shining example of how consistent efforts can create lasting impact.

सर्वाइकल कैंसर से बचाव के लिए बिच्चयों का कराया गया टीकाकरण

पटना (रासासं): रोटरी पार्टालपुत्र ने बुधवार को राजा बाजार दितव अस्पताल में 9 वर्ष से 14 वर्ष के बीच की एक टर्जन से अधिक निर्धन लड़िक्यों को सर्वाड़कल कैसर के रोकवाम के लिए रसेपवेकर वेक्सीन मुफ्त में दिया. सर्वाड़कल कैसर महिलाओं में होनेवाला सबसे आम कैसर है शहर गर्भाशय का कैसर है। भारत मे हर वर्ष 12000 महिलाओं को यह होता है। इस टीकाकरण से 95 प्रतिशत सर्वाड़कल कैसर को रोक जा सकता है। वह टीका बच्चेदानी के मुंह के कैसर को रोकवाम के लिए दिया जाता है। भारत और चीन में संवुक्त रूप से इस कैसर के पाए जाने वाले एक तिहाई मामले हैं। बाजार में यह टीका काफी कोमती होने के कारण और जागरूकता में कमी के कारण महिलाएं इस टोके को लेने से कतपती हैं। रोटरी पार्टालपुत्र ने न केवल सर्वाड़कल कैसर का यह टीका दिया बिल्क महिलाओं में इसला जागरूकता बढ़ाने पर काम करता आ रहा है एमपी जैन ने बताया कि मौके पर क्लब अध्यक्ष समीर झुनझुनवाला, सेक्रेटरी स्वाती मोदी, नीति प्नझुनवाला, साबी मनकानी पुण्या जैन, अंजू मितल, नवीन प्रकाण वा सहित अनेक सदस्यगण मौजूद थे।

Congenital Heart Disease Surgery

Free operations for Children are being performed for hole in their heart (CHD)

Following a landmark MOU signed between Rotary Club of Pataliputra and Medanta Foundation, children suffering due to a hole in their heart (Congenital Heart Disease) will be operated totally free of cost by a team of doctors of Medanta hospital.

Rotary Pataliputra will partner the noble cause by identifying such cases and providing food & accomodation free of charge to patients and their attendents post surgery, if required.

Rotary Pataliputra aims to get at least 50 surgeries performed in its 50th year of existence. However, no limit has been set for the number of CHD surgeries by the Medanta Foundation. The first such surgery was performed on a child Sujal Kumar on 10th June, 2024.

Leading this huge humanitarian project alongwith Dr Ravi (Medical Director, Medanta Hospital), who is also a member of Rotary Club of Pataliputra, is a blessing and a privilege for us.

The Iconic Rotary Clock Tower

A Timeless Gift to Patna: Rotary Pataliputra Inaugurates Iconic Clock Tower

Patna, August 3, 2025 — In celebration of its golden jubilee year, the *Rotary Club of Pataliputra* gifted the city of Patna a civic gem — the Iconic Rotary Clock Tower, unveiled at the historic Dakbunglow Chauraha. Towering with elegance and precision, this remarkable structure now stands as a living symbol of Rotary's enduring legacy of service.

Installed at a cost of ₹14 lakhs, the clock tower features a GPS-synchronised, four-faced clock imported from England, designed to keep perfect time in all seasons. Set at the city's busiest intersection, its strategic location and timeless design create a majestic blend of heritage and modernity.

Conceived during the term of Rtn. Swati Modi and brought to life under the leadership of President Rtn. Sanjay Bhartiya and Project Chair Rtn. Navin Gupta, the project marks the highlight of Rotary Pataliputra's 50th year.

- What the Leaders Said
- *Shri Jibesh Kumar* lauded the initiative:

"This tower will not only display time but will also reflect the value of service, identity, and collective responsibility for city development."

Rtn. Bipin Chachan, IPDG, RID 3250, remarked:

In Rotary's Magical Year, this project is a landmark not just in stone and steel, but in public image. Every Patna resident passes

through this crossing — now every glance upward reminds them of Rotary's role in building a better society."

Urban Aesthetics Meets Civic Pride

The Clock Tower has elevated the aesthetics of Dakbunglow Chauraha and added a sense of character and legacy to Patna's skyline. Beyond architecture, it carries the message that time, when used in the service of others, becomes timeless.

• Many Hands, One Dream

This dream was realised by the committed efforts of many. Along with President Sanjay Bhartiya and Project Chair Navin Gupta, the support of Past Presidents Rtn. Sandeep Saraf, Rtn. Samir Jhunjhunwala, Rtn. Anil Ritolia, and Rtn. Ranjan Meratiya was invaluable.

The Rotary Club also received generous cooperation from the Patna Municipal Corporation and other government bodies.

The ceremony concluded with a heartfelt vote of thanks by President Rtn. Sanjay Bhartiya, who especially acknowledged Commissioner Shri Aminesh Parashar for his support in enabling this legacy project.

A Beacon of Time and Service

More than just a structure, the Rotary Clock Tower now stands as a beacon of time, unity, and service — reminding every passerby that Rotary's presence in Patna is as timeless as the values it upholds.
