Maternal and Child Health Care at a Well Baby Clinic on July 26, 24

On July 26 2024, the Rotary Club of Jamshedpur East organized a Maternal and Child Health Care Awareness Program at Well Baby Clinic, Telco Colony. The event featured Dr. Rajiv Sharan, Head of Pediatrics, and Dr. Priya Amitabh from Tata Motors Hospital, who spoke on crucial topics such as nutrition, physical activities, and proper immunization.

Dr. Rajiv emphasized the importance of mothers taking care of their own health to ensure the well-being of their babies. The program saw an enthusiastic participation of over 50 mothers with their babies.

Following the awareness session, a Baby Show was organized, where three children from different age groups were awarded prizes.

Tree Plantation Drive at 'Theme Park' Ghorabanda on July 27, '24

On July 27, 2024, the Rotary Club of Jamshedpur East (RCJE) conducted a tree plantation drive at Theme Park, Ghorabandha, with the support of the Forest Department. Around 150 saplings, including forest, timber, and fruit-bearing trees such as Amla, Kadam, and Jackfruit, were planted. This initiative aims to enhance the green cover and promote environmental sustainability in the region. The event saw active participation from club members, making it a resounding success.

Gymnastics Programme for SDDS Students on July 31, 2024

On July 31, 2024, grand daughter of Rtn V K Kohli, Ms Toshani who lives in Dubai, conducted a Gymnastics programme for the SDDS students. It was very heartening to see the interest shown by the children and the enthusiasm shown on the subject.

50 Things Every Rotarian Should Know About Rotary

1- DEFINITION OF ROTARY

How do you describe the organization called "Rotary"?

There are so many characteristics of a Rotary club as well as the activities of a million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people and many more descriptive qualities.

In 1976 the Rotary International Board of Directors was interested in creating a concise definition of the fundamental aspects of Rotary. They turned to the three men who were then serving on Rotary's Public Relation Committee and requested that a one-sentence definition of Rotary be prepared. After numerous drafts, the committee presented this definition, which has been used ever since in various Rotary publications:

"Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

Those 31 words are worth remembering when someone asks, "What is a Rotary club?"

The "Magic" Corner

Excerpts from the District 3250 Rotary News, shared by PP Rtn Dr. Anup Gupta

RID 3250 on a giving high

Jaishree

This is their maiden contribution to TRF for 1,150 Rotarians across 56 Rotary clubs in our district," says Sushil Poddar, past president of RC Patna Samrat, RID 3250, as he relates how the feat was achieved.

During his installation event, DG Bipin Chachan expressed a desire to make the district a '100 per cent Giving' district; DRFC Rajan Gandotra encouraged all Rotarians to contribute a minimum \$25 to the Foundation. To set the tone, he motivated club presidents to start by transferring "just \$1 initially to experience the wonderful feeling of contributing to our Foundation." This small step also helped them overcome their fear of online transactions. "Most of us are not tech-savvy or confident about online transactions. Not many clubs are even registered on

My Rotary," says Poddar. With newfound confidence and enthusiasm, the new presidents set the ball rolling on July 1 by transferring \$25 to TRF, and motivating their teams to follow suit.

By July 26, the district Rotarians had made an Annual Fund contribution of over \$85,000 to the Foundation.

RC Patna Samrat hosted the installation event, presided over by PRID Ashok Mahajan, with PRID Kamal Sanghvi serving as the installation officer. To mark the programme, the club assisted five marginalised women procure electric autorickshaws, providing them income-earning opportunities. The women got the vehicles, each costing ₹1.5 lakh, through bank loans. "Our club provided the seed money of ₹2.5 lakh for the five vehicles. The women will repay the balance of the loan in instalments from their earnings, and

the club will monitor this," says club president Devraj Ballabh.

DG Chachan also announced five district projects — sponsoring paediatric heart surgeries; 1,000 cataract surgeries and corrective spectacles for 500 people; prosthetic limbs; and free cancer treatment for people under 18. Various vocational training programmes will be provided to women throughout the year.

The event also saw 54 Rotarians contributing a total of ₹2.7 lakh to 'Rotary Grant', a scheme introduced by Chachan to support small clubs that lack the financial strength to do global grant projects. Rotarians were requested to contribute a minimum ₹50,000 to the grant to help smaller clubs participate in the district projects. The giving Rotarians will be recognised as 'district patrons' at a special event. ■
