RCJE Organizes Health Camp and TB Awareness Program at People's Academy

On 10th September 2024, Rotary Club of Jamshedpur East (RCJE) conducted a TB awareness session at People's Academy, Devnagar Basti, Baradwari, preceded by a health camp for the school's teachers.

A specially curated skit, directed by PP Dr. Tamal Deb, highlighted the devastating impact of Tuberculosis on families and how government initiatives and proper treatment can restore health and happiness. Rotarians and Rotary Spouses brought the story to life, with voice-over by PP Prema Gogna and captivating performances by Dr. Tamal Deb, Dr. Bani Deb, and Dr. Anup Gupta.

The event included a poster presentation, a talk on TB and MDR TB, and concluded with an interactive Q&A session, offering rewards for correct answers. The initiative touched the lives of around 75 beneficiaries.

We extend our heartfelt gratitude to all who contributed their time and efforts! ❤️

Frontline Report

PP Rtn Dr Anup Gupta

While a mono act performance by PP Rtn. Dr Tamal Deb evinced much interest in the TB Awareness programme at the Birsanagar Church by RCJE a couple of months earlier, it was decided later to make it more acceptable to the common mass by converting it into a skit involving multiple characters. As the performance would be mute and with actions and gestures only, a voice-over was deemed necessary for the audience to get a clearer message of how Tuberculosis ruined happy families of their family income and livelihood and how happy days were brought back with the help of wise counsel and free medical consultation and investigations offered by the government and consumption of free and proper drugs for proper duration.

This idea was then given shape by some Rotarians and Annes under the guidance of PP Rtn. Dr Deb through a few rehearsals. The final product was then presented on the September 10, 2024 before the staff and students of People's Academy, Devnagar Basti, Baradwari, followed by a poster presentation accompanying a proper talk on TB and MDR TB. The programme concluded with a Q&A session with token rewards for correct answers from the audience.

The curtain raiser of the morning's programme was with a health check-up of the teachers at the school.

RI Presidential Message - September 2024

**Stephanie A. Urchick**
President 2024-25

The Magic of Rotary is belonging, and it's a feeling that can appear when you least expect it.

Earlier this year, I was in Slovakia serving as a president's representative during a six-week trip through Europe. When I wrote to Katarina Cechova, governor of District 2240 at the time, I mentioned that my grandmother Veronica Zilka grew up in a small village in the area before settling in the U.S.

It wasn't long before Cechova tracked down my grandmother's village, Jakubova Vol'a. She even organized a visit for me, where I received an unforgettable Slovakian welcome.

When I entered the community center of Jakubova Vol'a, a small crowd of people dressed in traditional Slovakian clothing greeted me. They sang with beautiful and powerful Central European voices that reminded me of my grandmother.

A lot of families play cards or games when they get together. When I was young, my father would pick up his accordion and lead my family in song. My grandmother would sing along with her impressive voice.

When I walked into the community center and heard traditional music from my childhood — when I saw a woman play the accordion the way my dad played — I suddenly felt like a little girl sitting at my grandmother's house in Monessen, Pennsylvania. I burst into tears of joy at the memories.

But the magic didn't stop there. District Governor Cechova really outdid herself. A local genealogist worked with a videographer to make a short film about my grandmother. We watched the video together in the community center.

When the video ended, I turned around and saw a man standing in the back of the room. I quickly learned that this stranger, Frantisek Zilka, was my second cousin. His grandmother and mine had been sisters. I felt like I had been struck by lightning.

I visited my newfound cousin's home, which happens to be the home where my grandmother was born. There, he shared old photographs I had never seen of my dad, my uncle, and my grandmother.

Since then, I can't stop thinking about my family of Rotary. When I refer to you as my family, I'm not just being kind. I really think of everyone in Rotary as my family. But I never would have imagined that my Rotary family would introduce me to long-lost personal family.

Sitting in that community center listening to traditional Slovakian music from my childhood filled me with joy and a profound sense of belonging. I am so grateful to District Governor Cechova and everyone who helped create that magical experience.

As members of Rotary, we have a unique opportunity to share the same magic with each other and with the world. I encourage you to consider how you can help spread that magic and ensure other members of your club — other members of our Rotary family — feel like they truly belong.

50 Things Every Rotarian Should Know About Rotary

4 - OBJECT OF ROTARY In some areas of the world weekly Rotary club meetings begin with all members standing and reciting the Object of Rotary. This statement, which comes from the Constitution of Rotary, is frequently seen on a wall plaque in Rotarians' offices or place of business. The Object of Rotary is "to encourage and foster the ideal of service as a basis of worthy enterprise." The statement then lists four areas by which this "ideal of service" is fostered: "through the development of acquaintance as the opportunity for service; the promotion of high ethical standards in business and professions; through service in one's personal, business and community life; and the advancement of international understanding, goodwill and peace."

The Object of Rotary has not always been expressed in this manner. The original Constitution of 1906 had three objects: promotion of business interests, promotion of good fellowship and the advancement of the best interests of the community. By 1910 Rotary had five Objects as increased emphasis was given to expanding Rotary. By 1915 there were six Objects. In 1918 the Objects were rewritten again and reduced to four. Four years later they had again grown to six and were revised again in 1927. Finally, at the 1935 Mexico City Convention the six Objects were restated and reduced to four. The last major change came in 1951, when the "Objects" were streamlined and changed to a single "Object" which is manifested in four separate ways. The "ideal of service" is the key phrase in the Object of Rotary. This ideal is an attitude of being a thoughtful and helpful person in all of one's endeavors. That's what the Object truly means.
