SDDS Students' Artwork Collage at MTMH

Rotary Club proudly hands over a beautiful artwork collage created by the talented students of SDDS to **MTMH Hospital**.

This framed piece, now displayed in the hospital corridor, brings a touch of inspiration and warmth to patients, staff, and visitors alike.

A heartfelt collaboration that celebrates art, community, and the spirit of giving.

Distribution of nutritional food packets to TB patients

On the 24th of each month, RCJE provides essential nutritional food packets to TB patients at the District TB Office in Rajendranagar. Under the inspiring leadership of Rotarian Dr. Tamal Deb (Chair - District TB Awareness & Prevention Committee 2024-25, Rotary District 3250) and Club President Rotarian Subhrajit Basu, **we have increased our monthly food packet distribution from 5 to 10!**

New Paul Harris Fellows from RCJE

Congratulations to Our New Paul Harris Fellows!!!!

President Rtn.
Subhrajit Basu

Past President Rtn.
Dr Tamal Deb

Jt. Secretary Rtn.
Nidhi Basu

The Rotary Club of Jamshedpur East is proud to announce that, President Rtn. Subhrajit Basu, PP Rtn Dr Tamal Deb and Joint Secretary Rtn. Nidhi Basu have been honored with the prestigious title of Paul Harris Fellow!

This prestigious recognition is a testament to your dedication, service, and commitment to making a positive difference. Your contributions embody the spirit of Rotary, inspiring others and helping to build a brighter future for communities worldwide. We are incredibly proud of your achievements and grateful for your impactful service.

Glimpses of Club Meeting held on 30th October 2024

On 30th October, the core team members of RCJE discussed the plan for the upcoming District TB Conference, focusing on event coordination and a special drama performance by club members to raise TB Awareness. The meeting concluded on a festive note, with members exchanging Diwali greetings 🍂 .

Presidential Message – November 2024

Stephanie A. Urchick

President 2024-25

One of Rotary’s greatest strengths is the ability of our members to come together to create lasting change, and The Rotary Foundation helps us transform dreams of change into reality.

From eradicating polio to building peace, much of the work we do around the world would not be possible without our continued support of our Foundation.

The cause of peace is especially important to me, and one of the most effective ways we build peace is our Rotary Peace Fellowship — a product of The Rotary Foundation. The program helps current and aspiring peace and development professionals around the world learn how to prevent and how to end conflict.

Thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next Rotary Peace Center, at Bahçeşehir University in Istanbul.

Opening yet another peace center is a monumental achievement that we will celebrate at the 2025 Rotary Presidential Peace Conference in Istanbul.

The three-day conference 20-22 February will highlight the many ways our family of Rotary advocates for peace. Keynote speakers, panel discussions, and breakout sessions will allow us to share ideas about building peace and foster meaningful conversations about promoting peace everywhere.

Registration for the Presidential Peace Conference is open. I hope to see you there, but if you can’t make it, our Foundation offers so many ways to change the world for the better. November is Rotary Foundation Month, a great time to get to know your Foundation better and pursue causes that appeal to you.

Global grants support large international activities with sustainable, measurable outcomes in Rotary’s areas of focus. By working together to respond to pressing community needs, clubs and districts strengthen their global partnerships.

District grants fund small-scale, short-term activities that address needs in your community and in communities abroad. Each district chooses which activities it will fund with these grants.

Our Foundation can even help you support our wonderful youth programs, including Rotary Youth Exchange, Rotary Youth Leadership Awards, and Interact.

Your gifts to our Foundation also make Programs of Scale possible. These are long-term projects that seek to solve otherwise intractable problems.

To ensure these good works continue beyond our lifetimes, it is up to us to reach our ambitious Rotary Endowment goal of \$2.025 billion by 30 June 2025.

The Magic of Rotary does not appear out of nowhere. We create the magic with every new member inducted, every project completed, and every dollar donated to our Foundation.

Please join me in supporting The Rotary Foundation, and together, we will change the world for the better.

Celebrating Rotary Foundation Month - November

November holds a special significance for Rotary International as it is celebrated as Rotary Foundation Month. This dedicated month serves as a reminder of the impactful work carried out by the Rotary Foundation and the global community of Rotarians. It is a time for reflection and celebration within the Rotary community. It is an opportunity to recognize the outstanding contributions made by the Rotary Foundation in advancing goodwill and peace worldwide.

The Rotary Foundation:

Established in 1917, the Rotary Foundation has been the philanthropic arm of Rotary International, supporting a wide array of humanitarian projects. Its mission is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

Areas of Focus:

The Rotary Foundation focuses on six key areas to address global challenges and make a lasting impact. These areas include promoting peace, fighting disease, providing clean water, saving mothers and children, supporting education, and growing local economies. Rotarians around the world actively engage in projects aligned with these goals.

Global Grants and Local Projects:

Rotary Foundation Month highlights the power of global grants, which enable clubs to undertake large-scale, sustainable projects in collaboration with Rotary clubs in other countries. Additionally, it sheds light on the impact of local projects supported by district and global grants, emphasizing the Foundation's commitment to making a difference at both the global and community levels.

Success Stories:

November is an ideal time to share success stories of Rotary projects funded by the Foundation. These stories inspire and motivate Rotarians to continue their efforts in service above self, showcasing the tangible results of their collective dedication to making the world a better place.

Fundraising Initiatives:

Rotary Foundation Month is also an occasion to reinforce the importance of fundraising for the Foundation. Donations from Rotarians and friends of Rotary play a crucial role in sustaining the Foundation's impactful work. Encourage your club members to contribute to the Annual Fund, PolioPlus, and other Foundation initiatives.

As we celebrate Rotary Foundation Month, let us take pride in the positive change we bring to the world through our collective efforts. Whether through grants or local projects, each Rotarian contributes to the success of the Rotary Foundation, reinforcing our commitment to Service Above Self. Together, let's continue making a lasting impact and building a brighter future for communities around the globe.

RI News

'When', not 'if': Progress continues toward ending polio

On World Polio Day, Rotary International leaders, including President Stephanie A. Urchick, and public health experts emphasized their commitment to eradicating polio globally, celebrating significant strides since the Global Polio Eradication Initiative (GPEI) was established in 1988. Speaking at an event in Pittsburgh, the birthplace of Dr. Jonas Salk's polio vaccine, leaders highlighted Rotary's role in reducing wild polio cases by 99.9%. Despite ongoing challenges in Afghanistan, Pakistan, and recent cases in Gaza, Rotary leaders remain optimistic, reinforced by dedicated vaccination workers and partners like the Gates Foundation, which matches Rotary's fundraising efforts. Dr. Peter Salk honored his father's legacy, acknowledging Rotary's dedication to ending polio and advancing global health.

Rotary commits funds to polio outbreak response in Gaza

Rotary International has committed \$500,000 to support a polio outbreak response in Gaza, where a recent detection of variant poliovirus type-2 in environmental samples and a confirmed case in a 10-month-old child have raised concerns. The humanitarian crisis has impacted routine immunizations, increasing the risk of vaccine-preventable diseases. Rotary's funds, channeled through the Polio Outbreak Response Fund, aim to assist the World Health Organization (WHO) and partners in delivering vaccinations under challenging conditions. Following a successful initial round that reached 95% of eligible children, ongoing conflict has delayed the campaign's third phase. Rotary remains committed to working with the Global Polio Eradication Initiative to end polio worldwide.

50 Things Every Rotarian Should Know About Rotary

7 - FIRST NAMES OR NICKNAMES

From the earliest days of Rotary, members have referred to each other on a first-name basis. Since personal acquaintanceship and friendship are cornerstones of Rotary, it was natural that many clubs adopted the practice of setting aside formal titles in conversations among members. Individuals who normally would be addressed as Doctor, Professor, Mister, the Honorable or Sir are regularly called Joe, Bill, Charley or Jerry by other Rotarians. The characteristic Rotary club name badge fosters the first-name custom. In a few areas, such as Europe, club members use a more formal style in addressing fellow members. In other parts of the world, mainly in Asian countries, the practice is to assign each new Rotarian a humorous nickname which relates to some personal characteristic or which is descriptive of the member's business or profession. A member nicknamed "Oxygen" is the manufacturer of chemical gas products. "Trees" is the nickname for the Rotarian in the lumber business, "Building" is the contractor, "Paper" is the stationery or office supply retailer. Other members might carry nicknames like "Muscles," "Foghorn" or "Smiles" as commentaries on their physical features.

The nicknames are frequently a source of good-natured fun and fellowship. But whether a Rotarian is addressed by a given first name or a nickname, the spirit of personal friendship is the initial step which opens doors to all other opportunities for service.

November - Upcoming Birthdays and Anniversaries

* NOVEMBER *		
Birthday

❖ The “Magic” Corner ❖

Diwali : Spreading Light and Joy

Diwali, the Festival of Lights, is a celebration of hope, unity, and prosperity. Celebrated widely across India and by Hindu communities worldwide, this festival reminds us of the triumph of light over darkness, knowledge over ignorance, and good over evil. Diwali’s origins are steeped in stories, from Lord Rama’s return to Ayodhya to the emergence of Goddess Lakshmi, each symbolizing new beginnings and abundance.

Traditionally celebrated over five days, Diwali is a time for special rituals: lighting oil lamps (diyas) to invite prosperity, creating vibrant rangolis to welcome blessings, and filling homes with flowers to spread joy. Families gather to exchange sweets and gifts, reinforcing bonds of unity and gratitude.

This year, as we embrace the festival’s messages of generosity and light, let’s think about how we can share these values beyond our homes. In the spirit of Magic Corner, we invite RCJE members to share stories of how they’ve created “Diwali magic” for others, especially those in need.

Light a Spark: Share Your Story

Did you brighten someone’s day or extend a helping hand this Diwali? We’d love to hear about the ways you’ve spread joy and hope. Magic Corner would be honored to publish your stories, showing how each of us can bring Diwali’s light to our community through small acts of kindness. Together, let’s inspire one another and strengthen the spirit of giving that makes Diwali so special.
