## Theme

### JULY IS MATERNAL AND CHILD HEALTH MONTH

Support initiatives that make health care available to mothers and children so they can live longer, grow stronger and have a brighter future.

Rotary make high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of 5 die each year because of malnutrition, inadequate health care, and poor sanitation – all of which can be prevented.

## SMILE A WHILE

### One of THE BEST joke I've ever heard:

One day a Colonel Sa'ab from the Army, fell into a well. The soldiers would throw a rope into the well and pull the Colonel Sa'ab out. The moment the Colonel would come up, the soldiers would leave the rope snap to attention and salute. The Colonel Sa'ab would fall back into the well.

This happened many times.

Someone suggested that a Brigadier be requested for help-because HE wouldn't have to salute the Colonel. So one Brigadier Sa'ab arrived. He threw the rope into the well and the Colonel Sa'ab grabbed it. The Brigadier Sa'ab began pulling the rope. As soon as the Colonel Sa'ab reached the top of the well, he spotted the Brigadier Sa'ab. He immediately left the rope and saluted. And he fell back once more, into the well.

There was total silence. Then everyone heard the desperate Colonel Sa'ab's voice from down below

**"You idiots - get hold of a batchmate !!"**

MORAL OF THE STORY:

**Classmates ARE important ! They can save your life!**
