# RI PRESIDENT'S MESSAGE

I always walk into meetings at my home club of McMurray, Pennsylvania, with a smile on my face. A few years ago, someone arrived late. Instead of scolding the person, we cheered. Since then, we've made it a tradition to applaud all members when they arrive for meetings. It's tough not to smile with a greeting like that. There's nothing more powerful for engaging and retaining members than a club that's vibrant, welcoming, and – yes – fun. Think back to what drew you to Rotary. Chances are, it wasn't just the service projects or professional networking. It was the people – the friendships, the shared laughter, and the joy of working toward a common purpose. That's what keeps us coming back. If you're looking for that sense of joy in your meetings, don't be afraid to ask yourself and your fellow members some tough questions. If you were a prospective member, would you join your current club? It's a powerful question but don't stop there. Do members of your club feel that they belong? Are your meetings fun? If not, what can you do about it together?

**Stephanie A. Urchick**

At your next meeting or event, try something new to bring out a few extra smiles. It's the simple things that create lasting bonds and make clubs simply irresistible. Here's one example of a club moving in the right direction. The Rotary Club of Fukushima, Japan, has been combining environmental responsibility with community fun since 2021. In Japan, people have made picking up trash into a sport known as SpoGomi, and every year the club hosts a game. This year, more than 400 participants cheered each other on while they came together to improve their community. This event is an excellent example of how Rotary clubs can have fun, make a difference, and raise awareness for broader global challenges all at the same time. And the inclusive, family-friendly format allows people of all ages to participate. When we enjoy what we do, that energy becomes contagious. It's what attracts new members and keeps our clubs strong and engaged. It helps people feel that they belong. Retention and culture go hand in hand. The healthier our club culture, the more likely members are to stay. Rotary magazine is an outstanding resource for inspiration on how to enhance our club culture and deepen member engagement. I encourage you to explore the stories and strategies in these pages, drawing from other clubs' successes to find ideas that work for you. Together, we can create a more engaged, enjoyable, and inclusive Rotary that every member can feel proud to be part of. Let's continue with renewed commitment and enthusiasm, living The Magic of Rotary

# OUR PRESIDENT'S MESSAGE

Dear Fellow Rotarians,  
January is Rotary's Vocational Service Month. and we are happy to update you that our construction of the Vocational centre for tribal women is almost complete. It's a time to celebrate the importance of vocational service and to recommit to using skills and knowledge to make a positive difference.

Since, we also celebrate the various vocations available, we would take this opportunity to applaud some of our members, involved in Healthcare, who came forward to offer their services and made our Mega Health check-up camp a super success.

Encouraging active participation from all members to get involved in club activities, committees, and projects because every contribution matters.

To celebrate the spirit of fellowship in Rotary, all the Punjabis in the club came forward to host and celebrate the festival of Lohri with all members. A night of music, dance, fun and festivities.

I take this opportunity to seek mentorship and support from our senior members. Please come forward and guide us.

On the same note, I would like to encourage the younger members to take on leadership roles or join committees to contribute to the club's growth and success.

We seek feedback and suggestions from all.

Signing off on a request to all members to please attend meetings, come forward and contribute and participate in service projects.

Looking forward to some active participation and engagement.

Yours in Rotary,

**Rtn Shivani Goel**

**President 2024 - 2025**

## DIRECTOR PUBLIC IMAGE MESSAGE

As we begin another chapter in our Rotary journey, January has been a month of impactful service, learning, and celebration. Rotary Steel City Jamshedpur has continued its mission of making a difference through various initiatives, touching lives and strengthening our community.

This month, we actively participated in the District Seminar, where insightful discussions and collaborations paved the way for future projects. We celebrated the festival of warmth and togetherness with a Lohri gathering, bringing members closer in fellowship and joy.

Our commitment to youth empowerment was reinforced through a session on interview handling and resume-making, equipping students with essential career-building skills. In the spirit of health and well-being, we organized a health check-up camp, ensuring access to medical assistance for those in need.

Emphasizing our dedication to humanitarian service, we successfully conducted a blanket distribution drive, providing warmth and comfort to underprivileged individuals during the harsh winter. Additionally, our blood donation camp witnessed an overwhelming response, reinforcing the Rotary spirit of selfless giving and saving lives. Each of these initiatives reflects our unwavering dedication to "Service Above Self." As we move forward, let's continue this momentum, striving to create an even greater impact in the months ahead.

Wishing everyone a fulfilling year ahead, filled with service, learning, and meaningful connections.

**Rtn. Shweta Sawa**

Warm regards,

**Rtn Shweta Sawa**

## A.N.S.H. (ALLOW NOBODY TO STAY HUNGRY)

### A PROGRAM TO FEED THE NEEDY

Feeding the needy is considered to be a noble act of kindness, *Punya*, in our culture. It is increasingly important in modern India where poverty is a growing concern in rural and urban areas. While we are able to provide well for our families and children, there are many people around us who cannot feed themselves or their families with dignity, which should be a basic right of any human being. It is our duty, as responsible citizens, to ensure that no one goes hungry in our communities.

Rotary Club of Jamshedpur Steel City has taken up this noble cause of feeding cooked meals to the underprivileged. In the previous Rotary year, we received enough donations to sponsor meals for 64 days. That translates to over 22,000 people being fed. This year, we'd like to aim higher, with a goal of distributing 35,000 plates of hygienic and nutritious food to people in need, with dignity. We envision doing so in collaboration with Roti Bank Charitable Trust, an NGO that has been serving the people in Jamshedpur, relentlessly for over 8 years now.

All of us have our special occasions which we celebrate with our loved ones and could share an Ansh of this joy by offering food to the less fortunate on that day. Whether it's a special day or a loving memory of a dear one, we urge you to support A.N.S.H. by contributing for meals on the days of your choice.

**Sponsor a meal for attendants of patients at MGM Hospital:**

**Number of beneficiaries - 350 | Sponsorship Amount - ₹6000**

*Donate Generously and Spread Smiles!!!*

To Contribute, Please Message: **Manju Bhamra @ 94311 33393**

**Date: 18th January 2025**

**Sponsored by: A friend of Rotary**

This is a signature ongoing project since past 5 years. Freshly cooked meal is provide to attendants of patients admitted in MGM government hospital. The said project has been a great support to patient families who come from far places. The project generally serves around 300-350 people. The project is headed by Rtn Manju Singh, since past 5 years. Rotarians Present- Rtn Manju Bhamra, Sharda Kedia.

# Thank You

As we close another month, we want to take a moment to express the deepest gratitude for your unwavering support and dedication. Your willingness to help others and contribute to our community makes a profound difference.

Thank you for being a part of our journey and for your continued commitment to making our society a better place.

Let's continue to create magic together - one miracle at a time!
