Magic Makers - Creating miracles, one step at a time.

Montly Bulletin | Volume 4 | October 2024

RI PRESIDENT'S MESSAGE

One of Rotary's greatest strengths is the ability of our members to come together to create lasting change, and The Rotary Foundation transform dreams of change into reality. From eradicating polio to building peace, much of the work we do around the world would not be possible without our continued support of our Foundation. The cause of peace is especially important to me, and one of the most effective ways we build peace is our Rotary Peace Fellowship – a product of The Rotary Foundation.

The program helps current and aspiring peace and development professionals around the world learn how to prevent and how to end conflict. Thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next Rotary Peace Center, at Bahçeşehir University in Istanbul. Opening yet another peace center is a monumental achievement that we will celebrate at the 2025 Rotary Presidential Peace Conference in Istanbul.

The three-day conference 20-22 February will highlight the many ways our family of Rotary advocates for peace. Keynote speakers, panel discussions, and breakout sessions will allow us to share ideas about building peace and foster meaningful conversations about promoting peace everywhere. Registration for the Presidential Peace Conference is open. I hope to see you there, but if you can't make it, our Foundation offers so many ways to change the world for the better. November is Rotary Foundation Month, a great time to get to know your Foundation better and pursue causes that appeal to you.

Global grants support large international activities with sustainable, measurable outcomes in Rotary's areas of focus. By working together to respond to pressing community needs, clubs and districts strengthen their global partnerships.

District grants fund small-scale, short-term activities that address needs in your community and in communities abroad. Each district chooses which activities it will fund with these grants.

Our Foundation can even help you support our wonderful youth programs, including Rotary Youth Exchange, Rotary Youth Leadership Awards, and Interact.

Your gifts to our Foundation also make Programs of Scale possible. These are long-term projects that seek to solve otherwise intractable problems.

To ensure these good works continue beyond our lifetimes, it is up to us to reach our ambitious Rotary Endowment goal of \$2.025 billion by 30 June 2025.

The Magic of Rotary does not appear out of nowhere. We create the magic with every new member inducted, every project completed, and every dollar donated to our Foundation.

Please join me in supporting The Rotary Foundation, and together, we will change the world for the better.

Stephanie A. Urchick

OUR PRESIDENT'S MESSAGE

Dear Rotary Family,

As another month draws to a close, it's time to retrospect and evaluate our work. The last month has been full of festivities and celebrations. Time for fellowship and fun. We are now back on track, refreshed and ready. We would like to update everyone that we are progressing well on some of our major projects like the Vocation center for tribal women, the Neo-natal ICU (under the Global Grant) and the Blood storage center in Saraikela. We request you to come forward and help in executing these projects.

November is the Rotary Foundation month. We take this opportunity to encourage all our members to register for the Foundation Seminar being held in Jamshedpur in November and the District Conference being held in Bengaluru in December.

Looking forward to getting together and achieving some great work.
Thanks and regards,

Yours in Rotary service,

Rtn Shivani Goel
President 2024 - 2025

Rtn. Shivani Goel

DIRECTOR PUBLIC IMAGE MESSAGE

Dear Rotarians and Friends,

I hope you all enjoyed a joyful Diwali filled with light and togetherness. This season reminded us of the strength of our community and our shared mission to spread hope and positivity.

This month, we paid homage to one of India's most inspiring leader, Ratan Tata.

His values of integrity and service continue to guide us, reminding us that true leadership means uplifting others—a legacy we proudly carry forward in Rotary.

We also celebrated Garba Night with unity and enthusiasm, and our rally on World Polio Day reinforced our commitment to a polio-free world. Thank you to everyone who joined and supported these initiatives.

Let's keep this momentum going as we work together to create lasting change. Your dedication truly makes our Rotary family vibrant and impactful.

Warm regards,

Shweta Sawa

Director, Public Image

Rotary Steel City Jamshedpur

INTERNATIONAL NEWS

‘When,’ not ‘if’: Progress continues toward ending polio.

On World Polio Day, Rotary International leaders, including President Stephanie A. Urchick, and public health experts emphasized their commitment to eradicating polio globally, celebrating significant strides since the Global Polio Eradication Initiative (GPEI) was established in 1988. Speaking at an event in Pittsburgh, the birthplace of Dr. Jonas Salk’s polio vaccine, leaders highlighted Rotary’s role in reducing wild polio cases by 99.9%. Despite ongoing challenges in Afghanistan, Pakistan, and recent cases in Gaza, Rotary leaders remain optimistic, reinforced by dedicated vaccination workers and partners like the Gates Foundation, which matches Rotary’s fundraising efforts. Dr. Peter Salk honored his father’s legacy, acknowledging Rotary’s dedication to ending polio and advancing global health.

Rotary commits funds to polio outbreak response in Gaza.

Rotary International has committed \$500,000 to support a polio outbreak response in Gaza, where a recent detection of variant poliovirus type-2 in environmental samples and a confirmed case in a 10-month-old child have raised concerns. The humanitarian crisis has impacted routine immunizations, increasing the risk of vaccine-preventable diseases. Rotary’s funds, channeled through the Polio Outbreak Response Fund, aim to assist the World Health Organization (WHO) and partners in delivering vaccinations under challenging conditions. Following a successful initial round that reached 95% of eligible children, ongoing conflict has delayed the campaign’s third phase. Rotary remains committed to working with the Global Polio Eradication Initiative to end polio worldwide.

RALLY ON WORLD POLIO DAY

An end polio awareness rally was organized jointly by all the clubs of Jamshedpur. We started from Beldih Club and proceeded towards the Rotary Clock Tower. All Rotarians walked with banners and posters. A small talk was given by District Polio Chair Rtn Kusum Thakur and Rtn Bachoo Master.

PARTICIPATION IN THE LITERARY AND CULTURE FESTIVAL

As part of our public image initiative, we were asked by the District Administration Saraikela Kharsawan to put up a stall in the 2-day Literary and Culture Festival - Chaap organised by them for the first time. This festival saw attendees and speakers from all over the country. Our club was required to display our projects and the vision of Rotary. We put up our standee showcasing the 8 areas of focus and a banner showing our fight against Polio and requested our NGO partner Kalamandir, that works in the field of tribal women welfare, to display the products made by these women.

1. SEMINAR ON MENTAL HAPPINESS

An interactive seminar on Mental happiness and Relationships was organised for the students of the Arka Jain University School of Commerce and Management. The resource person Ms Jyoti Pandey is a certified psychologist and runs an organization called Purple Hues. She gave a presentation on the various challenges of growing up, making choices, relationships, etc.

PROJECT ANSH

Rotary

ROTARY CLUB OF
JAMSHEDPUR STEEL CITY

CLUB NO. 31161 DISTRICT 3250

A.N.S.H. (ALLOW NOBODY TO STAY HUNGRY)

A PROGRAM TO FEED THE NEEDY

Feeding the needy is considered to be a noble act of kindness, *Punya*, in our culture. It is increasingly important in modern India where poverty is a growing concern in rural and urban areas. While we are able to provide well for our families and children, there are many people around us who cannot feed themselves or their families with dignity, which should be a basic right of any human being. It is our duty, as responsible citizens, to ensure that no one goes hungry in our communities.

Rotary Club of Jamshedpur Steel City has taken up this noble cause of feeding cooked meals to the underprivileged. In the previous Rotary year, we received enough donations to sponsor meals for 64 days. That translates to over 22,000 people being fed. This year, we'd like to aim higher, with a goal of distributing 35,000 plates of hygienic and nutritious food to people in need, with dignity. We envision doing so in collaboration with Roti Bank Charitable Trust, an NGO that has been serving the people in Jamshedpur, relentlessly for over 8 years now.

All of us have our special occasions which we celebrate with our loved ones and could share an Ansh of this joy by offering food to the less fortunate on that day. Whether it's a special day or a loving memory of a dear one, we urge you to support A.N.S.H. by contributing for meals on the days of your choice.

Sponsor a meal for attendants of patients at MGM Hospital:

Number of beneficiaries - 350 | Sponsorship Amount - ₹6000

Donate Generously and Spread Smiles!!!
