## Our President's Message

**Rtn Shivani Goel**

Dearest Rotary Family,

"The greatness of a community is most accurately measured by the compassionate actions of its members"

Thanks to your support and encouragement, we have successfully completed our third month of Service and fellowship for the Rotary year 2024-25.

As we step into the month of October which is Rotary International's Economic & Community Development Month, we are going to accelerate our efforts to help communities and people with projects that aim to provide sustainable ongoing development and help, not just immediate charity.

On the same thought, I would like to personally thank all our members for enthusiastically coming forward to sponsor the Cervical cancer Vaccination project.

In a couple of days, we will be ready to celebrate the Durgotsava or Shaaradotsava. This festival commemorates

the victory of Goddess Durga over the demon Mahishasura, symbolizing the triumph of good over evil.

The festival celebrates the divine feminine and empowers women, recognizing their strength and importance.

Durga Puja is a vibrant cultural event, filled with rituals, music, dance, and colorful decorations. It's a time for families and communities to come together and celebrate their heritage.

Hence we will be focusing on our women-oriented projects this month while we groove to the Dandiya beats in our fellowship program "Rangilo Raas".

Looking forward to some active participation and engagement.

Yours in Rotary,

**Rtn Shivani Goel**

*President 2024 - 25*

## Director Public Image Message

**Rtn Shweta Sawa**

Dear Rotarians and Friends,

This month has been a whirlwind of energy, celebrations, and impactful projects! We recently marked Hindi Diwas, a proud moment for us to embrace and promote our cultural heritage. The enthusiasm and participation from all of you was incredible, and it's heartening to see how we come together to celebrate our roots.

We also ran a successful online campaign for World Heart Day, spreading awareness about heart health and the importance of leading a healthy lifestyle. Through social media, we reached out to the community, sharing tips, insights, and messages that truly touched lives. It's a reminder that even in the digital space, we can make a meaningful difference.

And now, as Durga Puja approaches, the festive season brings us yet another reason to celebrate together. The spirit of Durga Puja symbolizes the victory of good over evil, and I hope we all take this time to rejuvenate, reflect, and share in the joy with our families and communities.

A huge thank you to each one of you for your commitment to the projects we've undertaken this month. Your hard work continues to drive our club forward, making a lasting impact on everyone we serve.

Let's keep this momentum going and make the coming months just as vibrant and fulfilling!

With warm regards,

**Rtn Shweta Sawa**

## Message from Past President Rtn Amrita Vakharia

**Rtn Amrita Vakharia**

This new Rotary year, I want to take a moment to reflect on the incredible journey we've shared. Rotary's magic lies not just in the projects we undertake, but in the hearts and hands that come together to serve. It has been an honor to witness this magic unfold—whether in the lives we've touched, the friendships

we've built, or the growth we've experienced as individuals and as a club.

The "Magic of Rotary" is not about grand gestures or big projects alone. It's in the small, consistent acts of kindness, in the commitment to serve others, and in the unwavering belief that together, we can create lasting change.

This new term, I know that the magic will continue to grow and evolve under new leadership. Together, we will keep the spirit of service alive, creating a brighter, more compassionate world with passion, and belief in the magic of Rotary that makes it special.

**Yours in service,**

***IPP Rtn Amrita Vakharia***

**Past President  
Rtn Simran Saggu  
DRCC24 - 25**

Dear Rotary steelers,

First of all, I would like to thank all my club members for the service Avenue award, which I got from RSAIO. It was not possible at all without your valuable support. Special thanks to my mentors, Rotarian Smita Parikh and Rotarian Deepak Dokania.

As we continue our journey of service and fellowship, it is essential that we work together to maintain the smooth and effective operation of our club.

Let's all continue to contribute our time, talent and resources for the projects that create lasting change in society. Also we should stay connected to each other through our meetings, discussions, and phone calls. We should also ensure that everyone is engaged and informed because the success of a club depends on the active participation of all the members.

Let's strive to attend meetings regularly ,volunteer for projects and share our ideas to help the club groom.

Lastly We should also give time to celebrate the big and small successes of our club. We should recognise the efforts of our members and can inspire them to do even bigger things .We can ensure that our clubs run smoothly ,grow stronger with all the wonderful and talented members. So Rotary club of Jamshedpur steel city - Always keep shining

## **A.N.S.H. (ALLOW NOBODY TO STAY HUNGRY)**

### **A PROGRAM TO FEED THE NEEDY**

Feeding the needy is considered to be a noble act of kindness, *Punya*, in our culture. It is increasingly important in modern India where poverty is a growing concern in rural and urban areas. While we are able to provide well for our families and children, there are many people around us who cannot feed themselves or their families with dignity, which should be a basic right of any human being. It is our duty, as responsible citizens, to ensure that no one goes hungry in our communities.

Rotary Club of Jamshedpur Steel City has taken up this noble cause of feeding cooked meals to the underprivileged. In the previous Rotary year, we received enough donations to sponsor meals for 64 days. That translates to over 22,000 people being fed. This year, we'd like to aim higher, with a goal of distributing 35,000 plates of hygienic and nutritious food to people in need, with dignity. We envision doing so in collaboration with Roti Bank Charitable Trust, an NGO that has been serving the people in Jamshedpur, relentlessly for over 8 years now.

All of us have our special occasions which we celebrate with our loved ones and could share an Ansh of this joy by offering food to the less fortunate on that day. Whether it's a special day or a loving memory of a dear one, we urge you to support A.N.S.H. by contributing for meals on the days of your choice.

*(inspired by the cosmic

of the Mahabharata)*

Dear my Beloved---

Let me not fall into the ashes  
As I wing up to the azure

Let me not descend to the abyss  
As I reach the highest peak

Let me not drown in hubris  
As I eagle up to your empyrean

Let me not soak into the grime  
As I am cleansed in your lava

Let me not soil my ablutions  
As I share my purity of well-being

Let me not delve into purgatory  
As I reach your sacred summit

Let me not look down from the  
crescendo  
As I look up for those who fall

Do swaddle me fully in your Love  
Safe from the cinders of haughty hate-
