*Montly Bulletin | Volume 5 | November 2024*

# RI PRESIDENT'S MESSAGE

To adapt, as laid out in Rotary's Action Plan, we must occasionally step out of our comfort zone and try something new. Here are two examples of clubs that adapted – one with heart and one through critical thinking and strategy.

The Rotary Club of Chandigarh Mid Town, India, led with heart earlier this year. To engage members and grow membership, Club President Nitin Kapur personally called every former member of the club and invited them to a gathering billed as an alumni. Eight former members attended, and the results were stupendous.

The visitors had a chance to connect once more – not only with current members but with the sense of camaraderie and belonging that membership gave them. By the end of the evening, the club welcomed six of the former members back into the Rotary family. Club President Kapur showed courage when he reached out to the alumni. Not only did he adapt and try something new but he had the strength of character to show the club's alumni how much they still meant to the family of Rotary. That bravery paid off.

People want to feel needed and appreciated. People want to feel that they belong. And they might never feel that way if we don't have the courage to tell them.

Meanwhile, the Rotary Club of Seoul-Hansoo, Korea, has been experimenting with different club models to great effect. Over the past four years, Seoul-Hansoo has created and maintained four satellite clubs – a service club, an interest-based club for musicians, a cause-based club that mentors professionals, and a club for college students.

These satellite clubs are part of a five-year plan the Seoul-Hansoo club implemented to increase membership through innovation.

What's the secret to founding and maintaining so many satellite clubs? Membership between Seoul-Hansoo and its satellite clubs is fluid and synergistic. Many members of the satellite clubs attend the sponsor club's meetings. And many of the sponsor club's members participate in the satellite clubs.

Additionally, the focus of each satellite club is no accident. Each one appeals to different interests of people in the sponsor club and in the community, attracting existing and potential members. This is an excellent strategy to both retain and attract members because it offers flexibility. If someone is interested in joining but they can't make it to the sponsor club's meetings, they have plenty of options to choose from.

These are just two examples of how we can adapt with our hearts and minds. Every club is different, so I encourage you to reach out to members of your club and of the community around you. Ask them about the club experience and what you can do to improve.

Talk to enough people and you might find ways that you can adapt and spark The Magic of Rotary in your club

**Stephanie A. Urchick**

# OUR PRESIDENT'S MESSAGE

Dear Rotary Family,

Last month, in November, our club executed some impactful projects, thanks to your support and cooperation. We jointly hosted the District Foundation Seminar. Several donors came forward with open hearts to create Magic in the world.

We have also started work for our Vocational centre for the tribal women. We have now entered

the last month of the calendar for the year 2024. We will be celebrating December as the Disease Prevention and Treatment month. On a good note, we would like to inform everyone that we have successfully submitted our Global Grant application for the Neo-natal ICU project. Thanks to the generous donations from all of you, we will be vaccinating 228 girls against Cervical Cancer this month.

21st December is our Charter Night and we will be celebrating the same with all our members. An exciting evening, filled with fun, food and fellowship is being planned by our Meeting Committee. December is also the month for the District Conference being held in Bengaluru this year. We would like to encourage our members to join in and experience the Rotary fellowship.

Looking forward to more impactful work and many more fellowship events.

Yours in Rotary service,

**Rtn. Shivani Goel**

## DIRECTOR PUBLIC IMAGE MESSAGE

Dear Rotarians and Friends,  
As we approach the end of another remarkable year, December reminds us of Rotary's unwavering commitment to making a lasting difference in the world. This month, dedicated to Disease Prevention and Treatment, encapsulates one of the core missions of Rotary International: to create healthier communities globally.

**Rtn. Shweta Sawa**

From local health camps to impactful awareness drives, our club has taken significant strides to combat diseases, promote healthier lifestyles, and empower individuals with the knowledge to prevent ailments. We collaborated with medical professionals and institutions to organize:

**Free Health Check-up Camps:** Offering consultations, and medications to the underprivileged. Started the initiative for empowering women with skills to improve their livelihoods and health awareness in tribal communities.

**Mental Happiness and Stress Handling Workshops:** Guiding participants toward emotional resilience, mental well-being, and techniques to manage everyday stress. These initiatives not only addressed immediate health concerns but also sowed seeds of awareness for sustainable well-being.

As the year comes to a close, let us reflect on the magic we've created together—guided by our theme, "Let's Create Magic." Every project, every meeting, and every small gesture has been a testament to our collective dedication.

Looking ahead, let us carry this momentum into the New Year, ready to tackle challenges, serve with passion, and continue our journey of "Service Above Self."

Thank you for your unwavering support and contributions this year.

Wishing you all a joyous holiday season and a prosperous New Year!

Warm regards,

**Rtn Shweta Sawa**

# District Foundation Seminar

Congratulations to Rtn Deepak Dokania on the successful District Foundation Seminar! A big shout-out to AG Rtn Nikita Mehta, PP Rtn Alpa Parikh, Rtn Deepali Dokania, and Rtn Anuja for their support in planning and executing the seminar. Kudos to the entire club for the \$25 contribution per member, and special thanks to PHS members PP Rtn Udey Dhir and Rtn Deepak Dokania, along with major donors Rtn Dilip and Jayshree Goyal. Your contributions have helped Steel City achieve a respectable standing in the district. Looking forward to everyone's continued support!

## A.N.S.H. (ALLOW NOBODY TO STAY HUNGRY)

### A PROGRAM TO FEED THE NEEDY

Feeding the needy is considered to be a noble act of kindness, *Punya*, in our culture. It is increasingly important in modern India where poverty is a growing concern in rural and urban areas. While we are able to provide well for our families and children, there are many people around us who cannot feed themselves or their families with dignity, which should be a basic right of any human being. It is our duty, as responsible citizens, to ensure that no one goes hungry in our communities.

Rotary Club of Jamshedpur Steel City has taken up this noble cause of feeding cooked meals to the underprivileged. In the previous Rotary year, we received enough donations to sponsor meals for 64 days. That translates to over 22,000 people being fed. This year, we'd like to aim higher, with a goal of distributing 35,000 plates of hygienic and nutritious food to people in need, with dignity. We envision doing so in collaboration with Roti Bank Charitable Trust, an NGO that has been serving the people in Jamshedpur, relentlessly for over 8 years now.

All of us have our special occasions which we celebrate with our loved ones and could share an Ansh of this joy by offering food to the less fortunate on that day. Whether it's a special day or a loving memory of a dear one, we urge you to support A.N.S.H. by contributing for meals on the days of your choice.

**Sponsor a meal for attendants of patients at MGM Hospital:**

**Number of beneficiaries - 350 | Sponsorship Amount - ₹6000**

*Donate Generously and Spread Smiles!!!*

To Contribute, Please Message: **Manju Bhamra @ 94311 33393**

**Date: 11th November 2024**

**Venue: MGM Hospital, Jamshedpur**

## **Details:**

This is a signature ongoing project since past 5 years. Freshly cooked meal is provide to attendants of patients admitted in MGM government hospital. The project is headed by Rtn Manju Singh, since past 5 years. Rotarians Present- Rtn Manju Bhamra
