THE SPONSOR OF A NEW MEMBER

The bylaws of Rotary clearly outline the procedure for a prospective member to be proposed for Rotary club membership. The "proposer" is the key person in the growth and advancement of Rotary. Without a sponsor, an individual will never have the opportunity to become a Rotarian.

The task of the proposer should not end merely by submitting a name to the club secretary or membership committee. Rotary has not established formal responsibilities for proposers or sponsors, however, by custom and tradition these procedures are recommended in many clubs. The sponsor should:

1. Invite a prospective member to several meetings prior to proposing the individual for membership.
2. Accompany the prospective new member to one or more orientation/informational meetings.
3. Introduce the new member to other club members each week for the first month.
4. Invite the new member to accompany the sponsor to neighbouring clubs for the first make-up meeting to learn the process and observe the spirit of fellowship.
5. Ask the new member and spouse to accompany the sponsor to the club's social activities, dinners or other special occasions.
6. Urge the new member and spouse to attend the district conference with the sponsor.
7. Serve as a special friend to assure that the new member becomes an active Rotarian.

When the proposer follows these guidelines, Rotary becomes stronger with each new member.

ROTARY PEACE PROGRAMS

A special program of The Rotary Foundation was originally labelled the "Rotary Peace Forum". The concept of a centre or educational program to promote greater understanding and peace in the world was originally discussed in 1982 by the New Horizons Committee and the World Understanding and Peace Committee. In 1984 it was further explored by a New Programs Committee of The Rotary Foundation. The essence of the Rotary Peace Program is to utilize the non-governmental but worldwide resources of Rotary to develop educational programs around the issues that cause conflict among nations in the world as well as those influences and activities which promote peace, development and goodwill. The program includes seminars, publications or conferences as a means to initiate a global dialogue to find new approaches to peace and world understanding.

Specific Rotary Peace Programs are selected annually by the trustees of The Rotary Foundation. Many peace programs are held in conjunction with presidential conferences.

As Rotarians, we have the power to speak and share, to explain and to educate, to inspire and to influence. It is our responsibility to share our talents and ideas and to find meaning in other people's messages. May we use our skills to provide service to others less fortunate and help them to be self-sustaining.
