GREETINGS BIRTHDAY

In Rotary International, the **District Rotary Foundation Committee (DRFC)** is a key body that serves as a liaison between The Rotary Foundation and Rotarians, assisting in educating, motivating, and inspiring Rotarians to participate in Foundation grant and fundraising activities within the district.

Here's a more detailed breakdown of the DRFC:

Purpose:

The DRFC's primary goal is to promote and support The Rotary Foundation's mission within a specific Rotary district.

Composition:

The DRFC is typically led by a District Rotary Foundation Committee Chair (DRFCC). The District Governor (DG) serves as an ex-officio member of the DRFC and its subcommittees.

Other members may include chairs of various subcommittees, such as grants, stewardship, PolioPlus, fundraising, and peace fellowship/scholarship advisory. Club representatives from the highest per capita and total Annual giving clubs may also be included.

Responsibilities:

Educating and motivating Rotarians about The Rotary Foundation and its programs. Supporting fundraising efforts for The Rotary Foundation.

Ensuring compliance with The Rotary Foundation's grant requirements and policies. Serving as a liaison between The Rotary Foundation and Rotarians within the district.

Training

DRFC is appointed to serve a 3-year term by the incoming District Governor every 3 years, and that appointment is approved by the Trustees of The Rotary Foundation. The DRFC must be familiar with the workings of each Foundation Sub-Committee.

The Rotary Foundation (TRF) is a separate arm of Rotary International. TRF is a non-profit 501(c)(3) organization, and the funds contributed to TRF are used for funding educational, vocational and humanitarian programs. As an example, when your club donates \$1,000 to the Annual Programs Fund, after 3 years, 1/2 of that amount (\$500) goes into the World Fund to be used for Global Grants, and the other 1/2 (\$500) is returned to the District to be administered by the District and used for funding Grants applied for by Clubs for their various projects.

The Rotary Foundation is not to build monuments of brick and stone. If we work upon marble, it will perish; if we work on brass, time will efface it; if we rear temples they will crumble into dust; but if we work upon immortal minds, if we imbue them with the meaning of the spirit of Rotary, we are engraving on those tablets something that will brighten all eternity." Arch C. Klumpp - 1929.

Carrying on as we are, a miscellaneous community service, it seems eminently proper that we should accept endowments for the purpose of doing good in the world." Arch Klumpp - 1917.

ROTARY INTERNATIONAL DISTRICT 3250
 is taking the initiative to contribute to the betterment of our nation.
 Let us unite in our efforts to serve the nation.

Why is Rotary called Rotary?

They named their new club “Rotary” **to describe the practice of meeting in rotation at the members’ various places of business.** Originally formed for fellowship, the first Rotary club quickly evolved to use the talents and resources of its members to serve the community.

Why is Rotary good?

Rotarians **provide community service to both local and international communities.** This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one’s own life. It is richly rewarding.
