## EDITORIAL

Dear Friends in Rotary,  
Happy Rotary Greetings.

Now we have come to the end of the first month. The entire month was filled with activities. We expect similar activities will be there in rest

of the months. It is the responsibility of the club leaders to involve members in different club activities. As per the scheduled programme, activities will continue but to involve sizable number of members in the activities is a proof of true leadership. This month is also very important for the club leaders for remitting the dues of RI, District and for Rotary News and also transfer of club accounts.

Today we have a hectic programme i.e. the business meeting of the club. The business meeting is very important for all members to express their views and sought certain clarifications. Here we discuss all internal matters of the club for which participation of guests and visiting Rotarians in this meeting is restricted. A single meeting in a month is allotted for business meeting; usually it is followed by the Board of Director's Meeting of the Club. But in some exigencies this meeting date either may be deferred or changed to some other date.

There are many good things the Rotary has done for the community, but those messages have not reached to majority of people. We Rotarians should act as the bridge to enlighten the people about our good deeds and achievements and this will attract them to be a part of this noble organization.

Apart from bringing new members, Rotary is facing a major issue/problem of retention of members in clubs for various reasons. One major reason is their lack of knowledge and information on Rotary, which would otherwise make them feel ownership with Rotary, and various proud facets that Rotary performs for the community and within the organization. With the knowledge on Rotary imparted at the pre and post induction period or during infant age as a new member, he or she will consider it a proud privilege and worth continuing and do some worth contribution in life through the great platform of Rotary, which can return value addition for both, the individual as well as the organization.

Hence, we would emphasize on a well-structured New Member Orientation Course to transform them into knowledgeable Rotarians so that they do not think of leaving Rotary and think of some positive value addition.

The same course can play an effective role for refreshing the knowledge of seniors and even PDGs thus updating themselves through its unique Rotarian Refresher Course. For this, RLI can play a major role in designing a well thought and need-based course with right curriculum and put to practicing through various opportunities/ occasions, thus ensuring good retention of members.

With this I conclude my column today. Meet you again with a new topic in the next week. Till then Good Bye.

**PP Rtn. Prof (Dr) S. K. Das**

## FROM PRESIDENT'S DESK

Dear Fellow Rotarians

Our new Rotary year began on an auspicious note with the celebration of Maternal and Child Health Month in

July. It is always important to reflect on our objectives and the purpose behind focusing on this critical issue. Ensuring high-quality health care for vulnerable mothers and children is pivotal for fostering stronger and healthier communities. Women empowered is indeed family empowered. Additionally, quality child care fosters a healthier, more productive society by mitigating early life risks, enhancing future opportunities, and ensuring foundational development of the next generation. Rotary is committed to expanding access to quality care, empowering mothers, and nurturing healthy futures for children worldwide. Every year, millions of children lose their lives due to preventable causes such as malnutrition, inadequate health care, and poor sanitation. Rotary actively supports the betterment of health and well-being of mothers and their children.

The members of our Rotary Club of Bhubaneswar recognize this as one of our seven pillars to prioritize. Through our collective efforts, we strive towards making profound impact on our health systems. Keeping this in mind, we also organized Speaker's Sessions by Dr. Sasmita Dash and Dr. Palash Das. Dr. Dash, during her session, emphasized on Women's Health. She shed light on the causes of maternal deaths, with Anaemia being the most prevalent reason, followed by Sepsis. There are innumerable women who die of childbirth. Unsafe abortion, increase in uterus and breast cancer, female foeticide, all of these

have been rising. However, there is a very evident gap in the effectiveness of our healthcare infrastructure and the awareness amongst the multitude. Adolescent girls, being a very vulnerable group, empowering them by focusing on their health, menstrual hygiene, nutrition, and education is integral. Further more, she drew attention to the myths and the actual risk factors associated with cancer, and concluded by stressing on the importance of a balanced diet and exercise. Dr. Das focused his talk on the essential strategies for child health and development. Starting with the Dos during the gestational period, through the early years of child birth, he suggested ways of ensuring developmentally supportive care, required vaccinations, and ways of building a positive environment for the child.

Raising awareness about the importance of this issue and the preventive measures, our club remains steadfast in its commitment to this cause. Let us continue our dedicated work in ensuring that every mother and child has the opportunity to lead a healthy and fulfilling life. Together, we can make a difference in this and numerous other aspects.

Yours in Rotary,

**Rtn. Jnana Ranjan Rath**

## Indian Karatekas Shine at Japan International Tournament, Tottori, Japan, July 27, 2024 where our PP Rtn. S. S. Harichandan was an Official Referee

The Indian Karate team made a remarkable impression at the InoueHaShitoryu Karate Keishin-Kai International Tournament, securing one silver and one bronze medal. On the occasion of 2nd Inoue-Ha Memorial Championship a Seminar was held from 22-26th July by World famous Coach Rika Usami & Antonio Diaz. On 27th July the Championship was held with a participation of 300 participants from 11 countries. Muhammed Faizal from Kerala won a silver medal in the below 75 kg Kumite category, while Pruthwiraj Harichandan from Odisha clinched a bronze medal in the above 75 kg Kumite category. On this occasion a Dan promotion test was conducted by Soke Masahiro Okamura and Pruthwiraj Harichandan from India awarded 4th Dan on his successful completion. Shihan S. S. Harichandan a seasoned Referee from India, was invited to officiate at the tournament, bringing honour to the country. Renowned coach S. Nasarudeen from Kerala led the team to success. This achievement marks a significant milestone for Indian Karate, showcasing the country's talent and dedication to the sport. The team's performance has brought laurels to India, and their medals are a testament to their hard work and perseverance, said Shihan Er S. S. Harichandan.

### In the lighter vein

Parsi sense of humour:

Towards the end of the Jashan for Parsi New Year, the Priest asked: "How many of you have forgiven your enemies?"

80% held up their hands.

The Priest then repeated his question.

All responded this time, except one small elderly lady.

"Mrs. Batliwala ? Are you not willing to forgive your enemies?"

"I don't have any," she replied, smiling sweetly.

"Mrs. Batliwala that is very unusual. How old are you?"

"Ninety-eight," she replied.

"Oh, would you please come over in front and tell us all how a person of ninety-eight years of age not have an enemy in the world?"

The little sweetheart lady tottered down the aisle, faced the congregation & said:

"None of them is alive. I have outlived all the bastards & bitches."
