Rtn. Harish Nayyar

**Immediate Past President
Rotary Club of Ahmednagar Central**

Dear Fellow Rotarians,

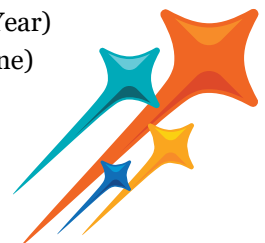

As we present the 3rd edition of the Central Post e-Bulletin, I find myself reflecting on the remarkable journey we shared during Rotary Year 2023-24. It was a year filled with impactful projects, meaningful fellowship, and countless moments of service that have left an indelible mark on our community.

One of the standout experiences was our Lonavala Monsoon Family Fellowship, which brought us closer together as a Rotary family, fostering camaraderie and shared joy. The Rotary Lokawaj Trade Fair was another unique initiative that not only showcased our club's creativity but also engaged the community in a new and exciting way.

We also took great strides in our Global Grant project, "Advancing Neonatal Neurocritical Care Training" initiative, which earned us the prestigious Transformation Trophy. Our commitment to service and excellence was further recognized through a series of awards that underscore the hard work and dedication of our entire team
