ROTARY NEWS

Stephanie A. Urchick

President 2024-25

October 2024

With World Polio Day on 24 October, I'm proudly rooting for Rotary as we team up around the world to End Polio Now.

I had the honor of attending a Strike Out Polio event in July at PNC Park, home of the Pittsburgh Pirates MLB team. The Rotary Club of Delmont-Salem hosted the event, which raised \$1.3 million for PolioPlus.

Later in the summer, I joined members of our Rotary family in supporting the MásMillasMenos Polio (More Miles Less Polio) bike ride. Felipe Meza Chávez and his team rode all the way from Ciudad Juárez, Mexico, to One Rotary Center in Evanston, Illinois, to raise money and awareness.

The ride took 12 days, and Felipe and his team collected more than \$100,000 to support the fight against polio. It was a joy to greet them as they arrived in Evanston.

And I was thrilled to see Team End Polio raise global awareness around the 2024 Paris Olympics. This world-class roster of athletes, global leaders, and polio eradication supporters came together to advocate for a world where no child has to live in fear of being paralyzed by polio.

Some of the athletes on Team End Polio are polio survivors themselves, adding weight to their advocacy.

These are just a few examples of the many ways Rotary has teamed up recently to End Polio Now. It is vital that we continue to seek out and recruit teammates in polio eradication, especially after the challenges our eradication efforts have faced this year.

The Rotary world was heartbroken to learn about the tragic passing in August of Aidan O'Leary, director for polio eradication at the World Health Organization.

I knew Aidan and worked with him directly. He was a tireless advocate in the fight against polio and a kind, genuine man. We will remember him both for his advocacy and his warmth.

But where there is hardship, there is also hope. I feel hopeful whenever I consider the countless ways Rotary supports the fight every day to eradicate polio.

As people of action, we don't have the luxury of giving in to despair, even in the face of tragedy. The best way to honor Aidan's memory is by teaming up and reaching our goal to End Polio Now.

We made a promise to the children of the world and their families. It is incumbent upon us, together with our global partners, to end this threat once and for all.

There are so many ways we can team up to eradicate polio. You can donate to the End Polio Now campaign, join or initiate a PolioPlus Society in your club or district, or take inspiration from the fundraisers I mentioned above.

I encourage Rotary members around the world to continue to seek out new teammates, so that together, we end polio.
